

MARLIN

Bond Update May 19, 2023

- 01** We are pleased to announce that during our recent bond advisory committee meeting, we finalized the colors for the track and turf at Legion Field. The turf will be a beautiful dark green, with striking purple end zones that are sure to make our field stand out. Our track will be a sleek grey, providing a perfect backdrop for our athletes to shine.
- 02** The weather was not optimal the week of May 8th but construction crews at Legion Field made good progress nonetheless. Demolition at Legion Field continued as the crew finished the removal of the existing fencing, demoed and removed the existing pole vault runway and pad, and began breaking up the existing high jump pad.
- 03** We regret to inform you that the ongoing construction work at Legion Field has been delayed due to heavy rains over the last week. The construction crews have lost at least 3 to 4 days of work.
