The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to problems, which may from time to time arise, affecting the working conditions of teachers. The parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

B. DEFINITIONS

1. Grievance: A "grievance" is a claim that a unit member has been adversely affected by a violation, of the provisions of this Agreement. Actions to challenge or change policies, administrative regulations and/or practices of the District which are not included in this Agreement must be undertaken under separate legal processes. Other matters for which a specific process of review is established by law; by the rules and regulations of the Board of Trustees; or by the administrative procedures and regulations of the District, are not within the scope of this grievance procedure.
2. Grievant: A "grievant" is any unit member, group of unit members, or the Association on behalf of one or more of its bargaining unit members.
3. Written Grievance: A grievance must be presented in writing on the Grievance Processing Form included as Appendix A. The written grievance must list the specific contract provisions the grievant alleges were violated, misapplied or misinterpreted, together with allegations describing the specific acts or omissions that violated the contract, as well as the proposed remedy.
4. Day: A "day" is any day during which the District office is open for business.

C. INFORMAL CONSULTATION WITH IMMEDIATE SUPERVISOR

Within twenty (20) days of the event giving rise to the grievance, the aggrieved unit member will discuss the grievance with his/her immediate supervisor in a good-faith effort to resolve the alleged grievance through consultation and informal means. At least one personal conference involving the aggrieved unit member and the immediate supervisor shall be held at this phase of the process.

D. FORMAL PROCEDURE

1. Level One - Immediate Supervisor

- a. Failing to resolve the possible grievance through informal means, the grievance shall be presented in writing, using the Grievance Processing Form, (Appendix A of this Agreement) to the immediate supervisor within ten (10) days of the informal meeting with the immediate supervisor. The immediate supervisor shall meet with the aggrieved party within ten (10) days of receipt of the written grievance. The immediate supervisor shall provide a written disposition of the grievance to the aggrieved party and the Association representative within ten (10) days of such meeting.
- b. If the aggrieved party is not satisfied with the disposition of the grievance, the grievance may be appealed to Level Two. If the appeal to Level Two is not made within ten (10) days of receipt of the written disposition at Level One, it is assumed the grievance is no longer valid.

2. Level Two - Superintendent/Designee

- a. The Superintendent or designee shall meet with the aggrieved party within ten (10) days of receipt of the grievance appeal and shall provide a written disposition of the grievance to the aggrieved party and the Association representative within ten (10) days of such meeting.
- b. If the aggrieved party is not satisfied with the disposition of the grievance, the grievance may be appealed to Level Three. If the appeal to Level Three is not made within ten (10) days of receipt of the written disposition at Level Two, it is assumed the grievance is no longer valid.

3. Level Three - Resolution Conference/Arbitration

- a. The Superintendent or designee and the aggrieved party shall schedule a grievance resolution conference within ten (10) days of receipt of the appeal to Level III.
- b. If the parties are not able to settle the grievance, the grievant may, within ten (10) days of the resolution conference, request in writing that the Association submit the grievance to arbitration. The Association, by written notice to the Superintendent, within ten (10) days after receipt of the request from the grievant, may submit the grievance to arbitration.

- c. The Association shall retain full and complete authority to determine whether or not a grievance shall be forwarded for arbitration.
- d. The parties shall select a mutually acceptable arbitrator. Should they be unable to agree on an arbitrator within ten (10) days of the Association's submission of the grievance to arbitration, the parties shall request the California State Conciliation Service to supply a panel of five names of persons experienced in hearing grievances in public schools. Each party shall alternately strike a name until only one name remains. The remaining panel member shall be the arbitrator. The order of striking shall be determined by lot.
- e. The arbitrator shall, as soon as possible, hear the evidence, and render a decision on the issue or issues submitted to him/her. If the parties cannot agree upon a submission agreement, the arbitrator shall determine the issues by referring to the written grievance and the answers thereto at each step.
- f. The arbitrator shall have no power to add to, subtract from, or modify the terms of this Agreement.
- g. After a hearing and after both parties have had an opportunity to make written arguments, the arbitrator shall submit a written decision to all parties setting forth his/her findings of fact, reasoning and conclusion on the issues submitted. The decision shall be final and binding.
- h. All fees and expenses of the arbitrator, including, but not limited to, per diem expenses, his/her travel and subsistence expenses and the cost of any hearing room will be borne equally by the District and the Association. All other costs will be borne by the party incurring them.

E. TIME LIMITS

- 1. Time limits at each level shall begin the day following receipt of the grievance, grievance appeal or written disposition.
- 2. Since it is important that grievances be processed as rapidly as possible, time limits specified at each level should be considered maximums and efforts should be made to expedite the process. Time limits may, however, be extended by mutual agreement.

F. RIGHT OF REPRESENTATION

A unit member alleging a grievance may be represented at any or all stages of the grievance procedure by an Association representative.

G. NO REPRISALS

Neither the District nor the Association shall take any reprisals against any employee for the exercise of his/her rights under this article.

3. All documents, communications, and records dealing with the processing of a grievance will be filed in a separate file and will not be kept in the personnel file of any of the participants.
4. A unit member may at any time present grievances to the District and have such grievances processed and/or adjusted, without representation by the Association as long as the adjustment is not contrary to terms of this written Agreement.

ARTICLE 6: NEW SCHOOL STAFFING PROCEDURES

A. Hiring Procedures: There will be no limit on the number of teachers who may leave any given school site.

ARTICLE 7: DUTY SCHEDULES

- A. Schedules for all staff are established by each respective school Principal, in consultation with site staff.
- B. On every weekday except Wednesdays, the work day for full-time unit members shall be 7.5 hours, 30 consecutive minutes of release time allowed for lunch which

are not counted as duty time. On Wednesdays the work day for full-time unit members shall be 8.5 hours, including 30 consecutive minutes of non-duty release time for lunch. This additional hour on Wednesdays will not be used to extend the instructional day. If the District discontinues the minimum day schedule on Wednesdays, the work day shall revert to 7.5 hours including 30 consecutive minutes for lunch which are not counted as duty time. Any unit member who is absent for a full day on a Wednesday will be charged 7 hours for purposes of Article 8, Leaves.

1. In an effort to formalize the existing process of obtaining teacher input to maximize the benefits and efficiency of Wednesday professional learning and collaboration, the parties agree to establish a Joint Labor Management Committee.
 - i. The District and the Association shall each have the right to appoint five (5) members to the Committee.
 - ii. The Assistant Superintendent of Curriculum and Instruction shall be in charge of setting the Committee's meeting schedule.
2. In the event the Transportation Department declares either a foggy-day schedule, or snowy road conditions in mountain communities, all staff members should attempt to arrive as near to regular schedule as possible without jeopardizing their physical safety.
3. Upon request, a copy of the regular schedule, teacher duty schedule and/or any alternate schedules at a school site shall be forwarded to the Association.
4. The Principal may extend or alter the teacher's work day beyond the prescribed time for:
 - a. Parent and student conferences
 - b. Regularly scheduled staff meetings
 - c. Back to School/Open House nights
 - d. Other reasonable site related activities

Prior to the beginning of each school year or semester, each site will post the student activity calendar for the year or semester. Every effort will be made to ensure equitable distribution of assignments/activities at each school site. In the event that a unit member believes an inequitable situation exists, s/he will confer with site administration to attempt to resolve the alleged inequity. In the event the issue is not

resolved at the site level, the Assistant Superintendent and the Association President shall meet with the Principal and affected teacher to mediate and assist the parties in reaching an agreement. Unless a unit member has volunteered as an advisor or has volunteered for duties supporting student activities, no unit member shall be required to work on weekends or legal holidays.

5. Relief Period: Every member of the bargaining unit shall be entitled to at least one fifteen (15) minute duty free period during each school day.
 6. Except as stated above and as set forth in sections C and I below, no unit member shall be required to work after 3:30 p.m., or transferred for not agreeing to work after 3:30 p.m., unless he/she teaches band, vocal music or physical education.
- C. Attendance is required at regular and/or special staff or district meetings called by the Principal and/or Superintendent. Regularly scheduled staff meetings may not normally extend the duty day by more than thirty (30) minutes. A unit member may be excused from attending a special teachers' meeting outside of the duty day due to a previously scheduled commitment.
- D. Staff members may be authorized by the Principal to leave the school premises for school related activities such as home calls, committee meetings, etc. or for personal emergency reasons.
- E. Each unit member shall report for duty on days designated as work days by the Governing Board. Participation at workshops, conferences, and training sessions on any day not specified as a duty day may be scheduled only by mutual consent of the person involved.
- F. The total work year for bargaining unit members consists of 185 days, 180 of which shall be instructional days, and five of which shall be non-instructional duty days. Non-instructional days are intended to be used for purposes such as in-service sessions, staff development, etc. as determined by the District.
- G. PREPARATION TIME
1. When operating under a normal standard school day schedule, all bargaining unit members shall be provided with a minimum of 210 minutes per week of

unassigned time for the purposes of planning and preparation. Such period of time set aside for preparation and planning shall not normally be less than 30 minutes. For Kindergarten, preparation time may be scheduled after regular dismissal time for those students.

2. The District and KCTA recognize the importance and necessity of maintaining established prep periods. However, after the District has exhausted the pool of available substitutes and has utilized management and supervisory employees to the extent the District deems feasible to cover classes, the District may utilize bargaining unit members in accordance with the following:
 - a. At the beginning of each school year semester/trimester, each school site shall establish a Voluntary Coverage List containing the names of every unit member willing to provide coverage in classes when a teacher at that site is absent. In addition, at the beginning of each school year, each school site shall establish a Mandatory Coverage List containing the names of every teacher at the site in alphabetical order by preparation period.
 - b. The District shall utilize the established Voluntary Coverage List and request coverage as soon as the need is identified. When coverage is needed for a particular period in the school day, those unit members on the Voluntary Coverage List who have a prep period, or unassigned time during that same period, shall be asked to provide coverage.
 - c. Bargaining unit members who have elected to be included on the Voluntary Coverage List may be asked to provide class coverage and any bargaining unit member on the Voluntary Coverage List may decline a request to provide class coverage.
 - d. If no unit member on the Voluntary Coverage List is available to be assigned, the District shall fulfill the need for class coverage by assigning a unit member from the Mandatory Coverage List in rotational order as long as no unit member is assigned to provide coverage more than twice in any calendar month, Any unit member previously scheduled to attend a parent meeting shall be exempt from a mandatory coverage assignment, but shall remain at the top of the Mandatory Coverage List until he/she serves in a mandatory coverage assignment.
 - d. Unit members who provide coverage during his/her prep period will be paid a minimum of one hour at the supplemental hourly rate as defined by Range 2, Year 3. The daily sub rate shall be divided evenly among teachers who receive deployed students.

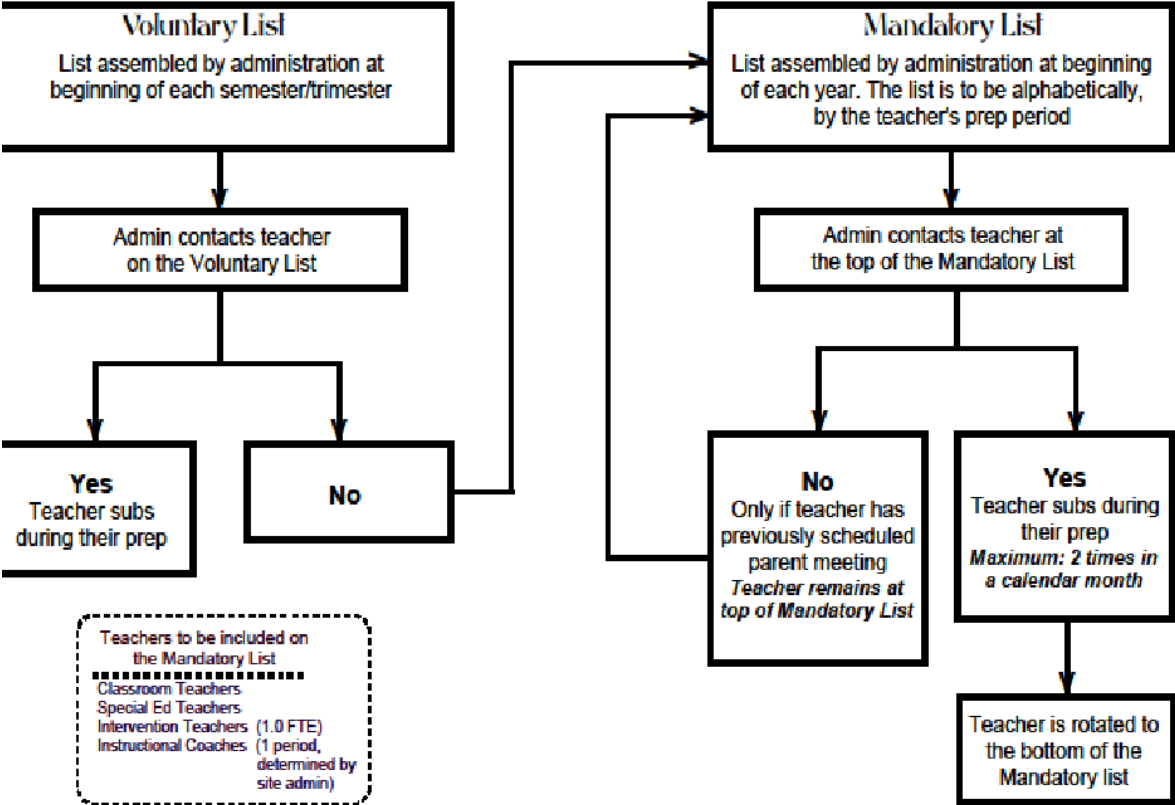

- e. The parties agree that it is in the student's best interest to be deployed in the same grade level whenever possible. However, no more than eleven (11) students may be deployed to any single self-contained classroom or non-departmentalized classroom.
3. If at any time after the start of instruction in any school year, the District determines that a need exists for a partial FTE to staff a particular class [e.g. the assignment of an extra teaching period to a full-time teacher serving in a departmentalized setting], the District may offer the opportunity to teach the extra period to an on-site teacher during his/her preparation period as long as the teacher has at least two years of classroom experience and is credentialed in the appropriate subject. Because the District respects and values teacher prep time, any teacher may decline the District's offer. Participating teachers shall be required to complete the necessary prep for all his/her classes on his/her own time.

Any teacher who accepts an offer to teach during a class during his/her preparation period shall be paid at the rate of one-seventh (1/7th) of his/her daily rate for each and every day that the unit member is on duty or conducting school or District business, except the teacher shall be entitled to utilize any of the leaves identified in Article 8 other than extended illness leave [Article 8, Section J] when absent from the class taught during the teacher's preparation period and as long as the teacher continues to satisfy all planning, preparation and grading requirements during the absence. (See Sub During Prep Period process flow chart)

4. The following shall apply when a unit member meeting the eligibility requirements above does not receive an offer from the District to purchase his/her preparation period:
 - a. If the unit member believes that a partial FTE is needed to staff a particular class, the
unit member may contact the site KCTA representative.
 - b. If the KCTA representative determines that the request is warranted, the KCTA representative will meet with the site Principal to discuss the request.
 - c. As stated in the first paragraph of Section 3 above, the decision of whether to grant or deny a request for the purchase of a preparation period rests exclusively with the District.

Sub During Prep Period Process

Upon exhaustion of Voluntary List, admin moves to the Mandatory List

H. Whenever possible, the District shall attempt to provide teachers with advance notice if they are required to attend staff development training. Every effort shall be made to avoid last minute notification to teachers unless school site representation at staff development training is essential.

I. TEACHING ASSIGNMENT WITH CO-CURRICULAR RESPONSIBILITIES

1. Band and Vocal Music Teachers shall participate in extracurricular activities that support the Band/Vocal Music Program
2. Physical Education (“PE”) Teachers shall be required to coach up to two sports per school year.
 - a. The principal or designee and each PE teacher shall collaborate in determining the first sport that the PE teacher will be assigned to coach and shall consider the needs of the sports program, the PE teacher’s past coaching assignments and the wishes of the PE teacher. In the event that the Principal and the PE teacher cannot agree on the assignment of the first sport, the Principal shall make the assignment.
 - b. In determining the second sport that a PE teacher will be assigned to coach, the Principal and PE teacher shall collaborate on the same terms as set forth above and in the event that the Principal and PE teacher cannot agree, the Assistant Superintendent and the Association President shall meet with the Principal and PE teacher to mediate and assist the Principal and PE teacher in reaching an agreement on the assignment of the PE teacher’s second sport.
 - c. The District will consider a PE teacher’s request to stop coaching whether temporarily or permanently, only if the PE teacher is credentialed and qualified to teach a subject other than PE, and the District can reassign/transfer the PE teacher to an alternative position consistent with the PE teacher’s credentials and in accordance with Article 10 on Transfer and Reassignment.

J. ZERO PERIOD OR EIGHTH PERIOD TEACHING ASSIGNMENTS

1. The District may expand learning opportunities available for its students and increase flexibility for the master schedule by seeking volunteers from among its full-time teachers serving in a departmentalized setting to teach either a zero period or 8th period class. The District may offer the opportunity to teach either the zero period or 8th period class to an on-site teacher as long as the teacher

has at least two years of classroom experience and is credentialed in the appropriate subject. Participating teachers shall be required to complete the necessary preparation for all his/her classes on his/her own time.

2. Any teacher who accepts an offer to teach a zero period or 8th period class shall:
 - a. Be paid at the rate of one-seventh (1/7th) of his/her daily rate for each and every day that the unit member is on duty or conducting school or District business except the teacher shall be entitled to utilize any of the leaves identified in Article 8 except for extended illness leave [Article 8, Section J] when absent from the class taught during the teacher's preparation period and as long as the teacher continues to satisfy all planning, preparation and grading requirements during the absence.
 - b. Attend weekly staff/collaboration meetings. On days when no staff and/or collaboration meeting is scheduled, the unit member's duty will be adjusted to end 30 minutes after the last assigned instructional period.

ARTICLE 8: LEAVES

Because student instruction is negatively impacted when the ongoing shortage of substitutes prevents the District from being able to adequately cover for absent certificated employees, the Deputy Superintendent and the KCTA President, agree to meet and collaborate in an attempt to reach consensus on a procedure for improving employee attendance. If the parties are unable to reach consensus or there is no demonstrable improvement in attendance, the parties agree to negotiate on the subject of a reduction in the number of sick leave days that can be used for personal necessity.

GENERAL: For purposes of this Article, an employee's immediate family includes: mother, mother-in-law, father, father-in-law, spouse, son, daughter, son-in-law, daughter-in-law, brother, sister, grandchild, grandparents, step-relatives, foster child or any relative living in the immediate household.

A. SICK LEAVE

1. Every full-time unit member shall be entitled to ten (10) days per year of leave at full pay for purposes of personal illness or injury. Unit members who work less than full-time shall be entitled to that portion of the ten (10) days leave that

is directly proportionate to the amount of time spent in required service to the District when compared to the amount of time that would be spent by a regular full-time unit member.

2. If a unit member does not utilize the full amount of leave as authorized in any school year, the amount not utilized will be accumulated from year to year.
3. At the beginning of each school year, every unit member shall receive a sick leave allotment credit equal to his/her sick leave entitlement for the school year. A unit member may use his/her credited sick leave at any time during the school year. However, should the unit member terminate employment owing the District sick leave he/she will have the appropriate amount deducted from his/her last pay warrant.
4. Total sick leave earned in any one year shall be calculated to the nearest one-half of a day.

B. PERSONAL NECESSITY

1. Up to ten (10) days of sick leave may be used in any school year by a bargaining unit member in cases of personal emergency, including any of the following:
 - a. Death of a member of his/her immediate family. Personal Necessity Leave may be used for this purpose after exhaustion of the full amount of Bereavement Leave provided in Section I below.
 - b. Death of a second degree relative not to exceed two (2) days.
 - c. Death of a first cousin not to exceed one (1) day.
 - d. Serious accident involving the unit member's person or property, or the person or property of a member of his/her immediate family. Serious accident includes unforeseen emergencies involving potential harm to person or property.
 - e. Illness of a member of the unit member's immediate family.
 - f. Appearance in court as a litigant, as a witness under an official order, or as the parent of a minor age child (under the age of 18).
 - g. Adoption processing (including legal, financial, medical or social aspects), which cannot occur outside of school hours not to exceed five (5) days per school year.

h. Urgent personal business, e.g. “personal” or “family” issues requiring the unit member’s attention and not covered in subsections (a) through (g), not to exceed four (4) days per year. However, in no event may a unit member use these four (4) days of urgent personal business for vacation, recreational activities, or to participate in a work stoppage; or on any non-instructional duty day. Notwithstanding the foregoing, a unit member may use urgent personal business leave for vacation or recreational activity only if:

1) The unit member must attend a wedding, anniversary milestones [e.g. 25th, 50th, etc.], graduations, or special family occasion involving an immediate family member, the scheduling of which was beyond the control of the unit member; and

2) Upon request, the unit member provides his/her Principal with written verification of the wedding, anniversary milestone, graduation or special family occasion to the satisfaction of the Principal.

These days may only be used for full day or half day absences.

2. Up to five (5) days of the ten (10) Personal Necessity Leave provided in B(1) of this Article per year may be used in any school year by a bargaining unit member who is the parent, foster parent, legal guardian, or grandparent to attend a school related activity (i.e., field trip, award ceremony, etc.) of their child/foster child/grandchild/legal ward.

3. A unit member's application for use of Personal Necessity Leave under subsections (f), (g), and (h) of paragraph 1 above must be received by the site administrator at least 24 hours prior to the day(s) upon which the unit member is to be absent. Whenever possible, unit members shall make every effort to submit an advance application for a leave under items (a) through (e) and in all cases, the unit member shall notify the site administrator as soon as reasonably practical of the need to be absent.

ARTICLE 9: CLASS SIZE

A. LCFF/K-3 Class-Size Reduction

The parties acknowledge that as a condition of receiving the additional funding grant for K-3 Class Size Reduction under the Local Control Funding Formula (LCFF), the District is required to make progress toward maintaining an average class size enrollment of not more than 24 pupils for each school site in Kindergarten and grades 1 to 3 upon full implementation of the LCFF, as such progress is defined in Education Code section 42238.02. The parties intend for the District to be in compliance with this law as interpreted by subsequent guidelines and regulations of the California

Department of Education (CDE) upon full implementation of the LCFF (currently 2020-2021) as set forth in Education Code section 42238.02(d)(3)(D).

In lieu of making progress toward maintaining an average K-3 class size enrollment of no more than 24 pupils for each school site, Education Code section 42238.02(d)(3)(B) authorizes the parties to negotiate an alternative annual class size enrollment for each school site in Kindergarten and grades 1 to 3. Therefore, effective for 2013-2014 and continuing for all subsequent school years until full implementation of the LCFF, the District and the Association agree to an “alternative annual average class size enrollment for each school site” in Kindergarten and grades 1 to 3 of not more than 26 students. Under this alternative, the District shall make annual progress at each school site toward the 26:1 goal by full implementation of the LCFF (currently 2020-2021), but that the amount of progress at each school site shall be flexible and shall not be tied to the formula set forth in Education Code section 42238.02(d)(3)(B)(i)-(v).

In the event the District receives information that compliance with this contractual provision may result in penalties that would reduce or eliminate the additional funding grant for K-3 Class Size Reduction, the parties agree to immediately meet and negotiate to implement a mutually agreed resolution.

The District and KCTA leadership shall meet annually to review the progress towards reaching the goal of an annual average K-3 class size enrollment for each school site of 26:1 by full implementation of the LCFF in 2020-21.

B. Class Sizes by Elementary Grade Levels

 4. For 4th, 5th or 6th grade classes the following procedures shall apply:
 - a. The District shall balance the 4th, 5th and 6th grade classes at each school site up to 32 students.
 - b. At any school with only one class at a grade level, whenever that class reaches 33 students, the district will hire a 3-hour per day instructional aide for that classroom.
 - c. At a school having 2, 3 or 4 classes at a grade level, whenever one of the classes at that grade reaches 33 students, the District shall hire a five and three-quarter (5.75) hour per day instructional aide. The teachers at that grade level shall collaborate to determine the manner of which the five and three-quarter (5.75) hours of aide time shall be distributed among classes at that grade level. The District shall continue to assign new students who enroll at that grade level such that classes remain balanced.

5. Before granting instructional aide time to any classroom, the Assistant Superintendent shall review enrollment data to verify that the class limit has been reached and has remained at or above the class limit for at least two weeks.
6. Any time an aide position is posted and candidates are to be interviewed, the classroom teacher of the impacted classroom shall participate in the interview and hiring process of said aide.

Any instructional aide time provided pursuant to this Article to relieve overcrowding shall be temporary in duration and will be provided to the end of the school year in which the overcrowding occurs.
8. The District shall, upon request, provide the Association with a statement of class enrollments for the previous month.

The District will keep written requests for reassignment or transfer that are general, and not submitted for particular vacancy, on file for a full calendar year from the date of submission.

4. No vacancy shall be filled until after the closing date for applications as specified on the notice of vacancy.
5. Following the closing date for requests and applications, the District shall screen the written requests submitted by each bargaining unit member, as well as the applications submitted by any external applicants. Except as set forth in Section E.3 below, the District shall then interview all unit member applicants, and those external applicants who remain candidates for the vacancy following the District's paper screen.
6. When two or more current unit members apply for and are qualified for a vacancy, the following criteria shall be considered in selecting the unit member who will fill the vacancy:

specific school site or elimination of services at a specific school site, the unit member with the least District-wide seniority within the grade level pool at that school site affected by the declining enrollment or elimination of services, who has the proper credential for a vacancy in the District, shall be involuntarily transferred. For purposes of this section, when an additional class must be established at a grade level due to an increased number of students in that grade level, the movement of that “bubble” of students through the grades does not constitute declining enrollment until that “bubble” matriculates out of the affected school site.

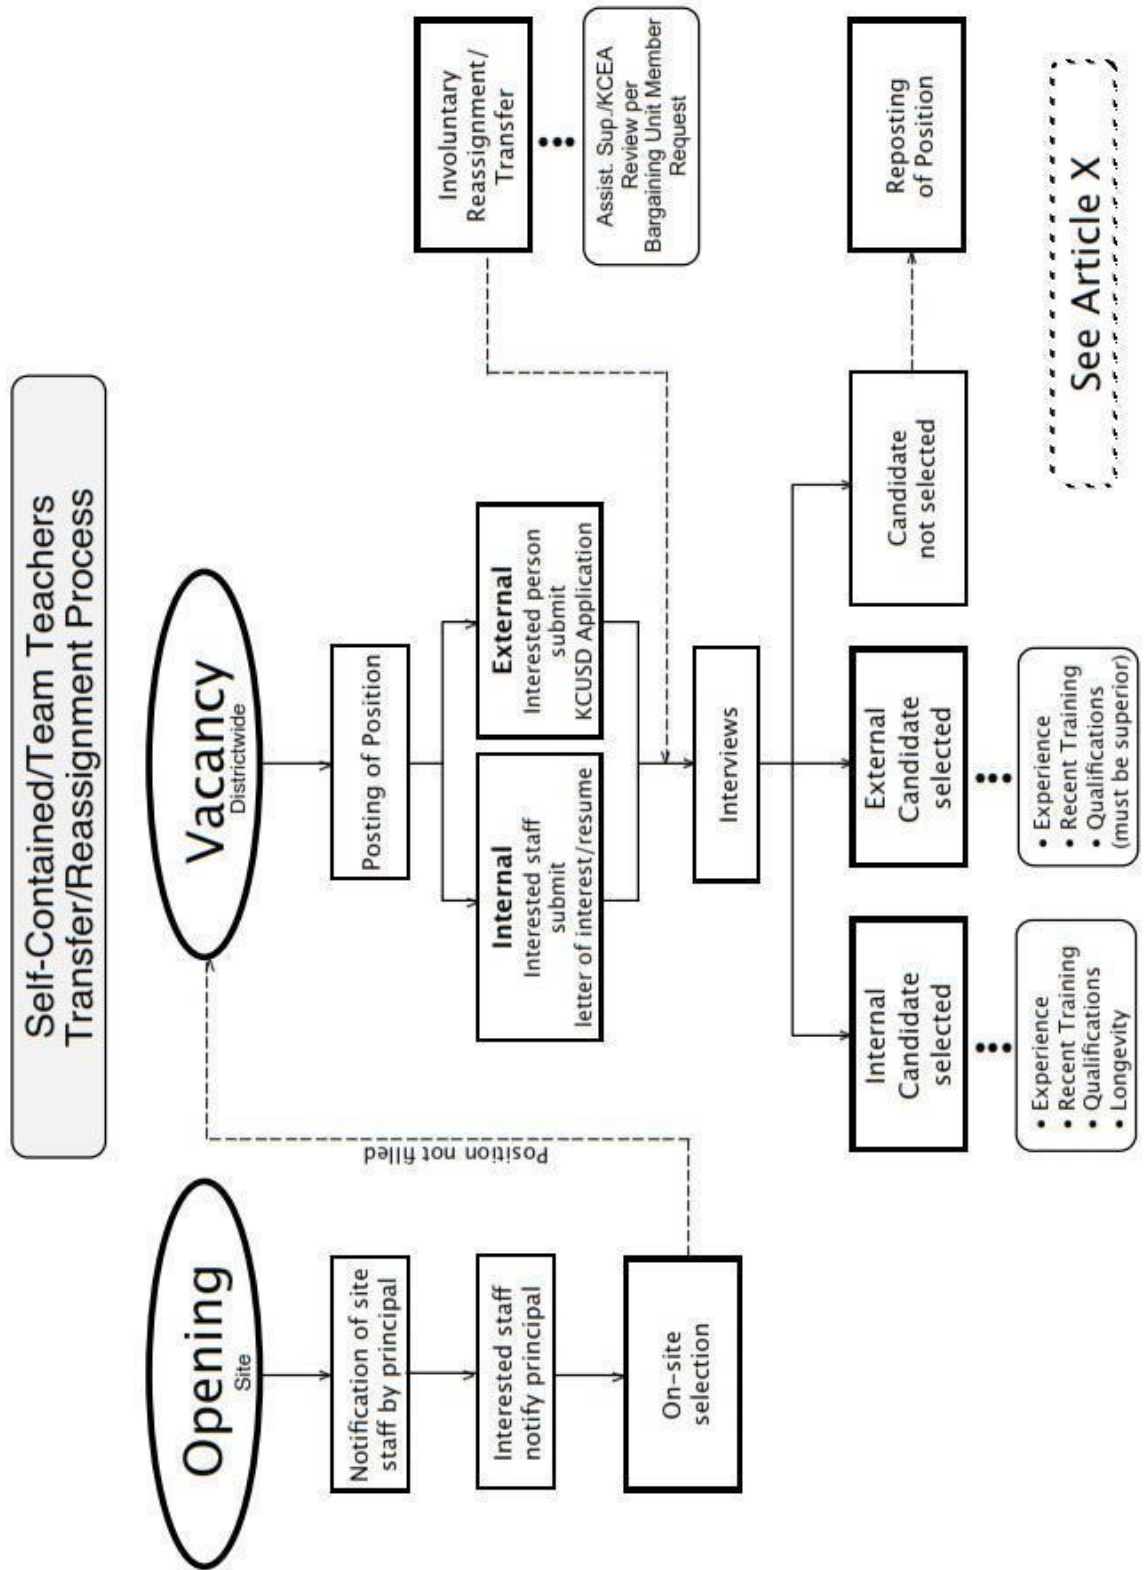

1. At K-5 schools, the grade level pools shall be K-2 and 3-5.
 2. At the middle schools, the grade level pool shall be 6-8.

- c. The District shall determine the assignment of a unit member who is being involuntarily transferred under this section because of declining enrollment or the elimination of services before granting any voluntary requests for transfers/reassignments. In the event a new school is added to the District, this provision (Article 10, Section D.6.c) shall be suspended for the purposes of initial staffing. The initial staffing of a new school shall be accomplished in accordance with Article 6.

The following flowcharts entitled Self-Contained/Team Teacher Transfer/Reassignment Process and Departmentalized Transfer/Reassignment process are provided for illustration only and shall not supersede or in any way alter the

ARTICLE 21: REOPENING OF NEGOTIATIONS

- A. The Association and District may propose changes in the Agreement consistent with Article 3, "Negotiations Procedures".
- B. Negotiations may be reopened on proposed changes in this Agreement at any time by mutual consent of the parties.
- C. This Agreement, including provisions agreed upon through any reopening as described above, shall remain in full force and effect until such time as a successor agreement is ratified by the parties.

ARTICLE 22: JOB SHARING

- A. A full-time unit member desiring to enter into a Job Share partnership with another unit member, will submit to the Assistant Superintendent - Personnel, by March 15th, on an annual basis, a letter requesting a one-year Leave of Absence for the following school year, for the portion of the unit member's teaching position he/she desires to vacate. The request will require annual Board approval.

- If the unit member who initiated the Job Share partnership desires to return to full-time employment, he/she notifies the Assistant Superintendent - Personnel by March 15th, in writing, of his/her intent to return to his/her original position for the following school year.
- B. Job Share partnerships shall be configured with no less than a 40% assignment for self-contained classrooms, K-8.
 - C. The individual hired to take the place of the teacher desiring the partnership, will be hired on a temporary, one-year contract, for the portion of the assignment the teacher vacated on the one-year Leave of Absence.
 - D. The Job Share partner fulfilling the majority of the Job Share partnership (i.e., at least 51%) shall be eligible for health/medical, dental and vision coverage as set forth in Article 12, Section A1. In the alternative, and upon agreement between the Job Share partners, each partner may elect to receive a portion of the District's maximum monthly contribution toward health/medical, dental and vision coverage as set forth in Article 12, Section A1. Each partner's portion of the District's maximum monthly contribution shall be equal to his/her percentage of the job share assignment and each partner shall be required to pay the difference between his/her proportionate share of the District's maximum monthly contribution and the total cost of the medical/health, dental and vision benefits selected by the partner as set forth in Article 12, Section A1.
 - E. Job shares in place and continuing in the same partnership at the time of new school staffing, declining enrollment or elimination of services, shall assume the seniority of the most senior partner. If the job share is involuntarily transferred, the job share shall be considered one "FTE" (full time equivalent) and no site administrator shall have the unilateral right to dissolve that job share.
 - F. Teachers in Job Share partnerships that were in effect prior to the 1998-99 school year, will not be subject to the above conditions and will be "grandfathered in" based on the previously established conditions (the requested percentage of Job Share partnerships, sole possession of the benefit package by the partner having the greater percentage of

assignment, no requirement for a Leave of Absence or temporary contract, the right of the individual vacating the position to return to it on a full-time basis the next year).

- G. Job Share partners may substitute for one another with prior knowledge and approval by the Site Administrator, as long as the absence creating the need for a substitute is covered under Article 8, entitled "Leaves."
- H. Both Job Share partners are expected to attend the following school/district events:
 - 1. Back to School Night
 - 2. Parent/Teacher Conferences
 - 3. Pre-service/post service duty days
 - 4. Open House
 - 5. School or district in-services.

The Job Share partner who is "on duty" shall attend the regularly scheduled site staff meetings and report to the "off duty" partner all that transpired during the meetings.

- I. For self-contained Job Share Partnerships, both Job Share partners will be "on duty" during the first week of a new school year. The partner, who ordinarily would be "off duty," will receive a per diem amount equal to his/her daily rate for the number of days served during that first week of the new school year. The intent is that both partners will be instrumental in establishing the classroom discipline procedures, classroom management procedures and the day-to-day routines.
- J. The Job Share partners will submit to the Site Administrator a calendar of their planned duty days prior to the beginning of a new school year.

ARTICLE 24: PROGRAM IMPROVEMENT

Article 24 shall apply only in the context of state or federally mandated program improvement.

At any stage of program improvement, and when individual school sites, or the district participate in any related programs such as HPSGP, SAIT, II/USP, the parties agree that no component of these programs can change working conditions as reflected in the parties' collective bargaining agreement absent mutual agreement.

A. Professional Development

When professional development is required for compliance with program improvement or any program improvement grant, such as SB472/AB466, it shall be provided by the district within the contracted work day/work year.

If additional opportunities for the same professional development occur outside the contracted work day/work year, a unit member who attends that professional opportunity outside the work day/work year, shall be compensated at the amount provided in the program or grant providing for such professional development. If the grant or program fails to specify an amount, unit members shall be paid at the supplemental hourly rate of pay (Step 1 Column 1 of Certificated Salary Schedule divided by 185 days divided by 7 hours).

B. Bargaining Unit Representation

1. Site committees established for the express purpose of program improvement shall include representatives from the bargaining unit, district administration, and when appropriate outside agencies. The number of bargaining unit reps on any site program improvement committee shall be equal to or greater than the number of bargaining unit representatives serving on the school site council for that school. Bargaining unit representatives shall be elected by process consistent with KCTA bylaws.
2. There will be a KCTA Liaison to the Alternative Governance Board (“AG Board”) The KCTA Liaison is not a member of the AG Board; however he/she will actively participate in AG Board meetings. The KCTA Liaison may meet monthly with the Director of Special Projects and Assistant Superintendent, Curriculum & Instruction. In addition the KCTA Liaison shall review AG Board agendas, recommendations and actions will be reviewed to provide an instructional perspective in support of the school improvement process. The KCTA Liaison position is designed to ensure that the Association has input in the Alternative Governance process.

C. Evaluation

The Alternative Governance Board is established to plan and monitor the implementation of school improvement/restructuring plans. The AG Board has

no role in certificated employee evaluation and therefore no AG Board member can ever serve as a “designated administrator” for purposes of Article 11.

Certificated employee evaluation shall not be based upon assessments and/or recommendations of a scholastic audit team assigned to the school as a result of Program Improvement, Corrective Action and/or Restructuring, School Assistance and Intervention Team (SAIT) or Alternative Governance Board.

The parties agree that all stakeholders at a school site share the responsibility of meeting API/AYP growth targets. Therefore certificated employee evaluation shall not be based upon the success, or lack thereof, of the site to meet the required API/AYP growth targets.

MEMORANDUM OF UNDERSTANDING

**Between the
KINGS CANYON UNIFIED SCHOOL DISTRICT
And the
KINGS CANYON TEACHERS ASSOCIATION**

September 29, 2015

The Kings Canyon Unified School District ("District") and the Kings Canyon Teachers Association ("KCTA") hereby enter into this Memorandum of Understanding as follows:

WHEREAS, a shortage currently exists in the number of teacher candidates in Fresno, Madera, Kings and Tulare counties who possess a Preliminary or Clear California Credential; and

WHEREAS, this teacher shortage has heightened the competition among local school districts for candidates who are available and credentialed to fill vacant teaching positions in the District; and

WHEREAS, because of this teacher shortage, the District has had difficulty recruiting credentialed candidates who are qualified to fill vacant teaching positions; and

WHEREAS, the District and KCTA acknowledge that it is in the students' best interests that qualified candidates who possess either a Preliminary or Clear California Credential be recruited for hire by the District; and

WHEREAS, the District and KCTA further recognize the need to provide pay incentives in order to effectively recruit credentialed teacher candidates for employment in vacant teaching positions; and

NOW, therefore, the District and KCTA agree as follows:

1. The foregoing recitals are true and correct.
2. In furtherance of the goal to recruit credentialed teacher candidates, a "Signing Incentive Program" is hereby established for the 2016-17 and 2017-18 school years only.
3. Teachers who possess a Preliminary or Clear California Teaching Credential and whose first day of paid status in the District as a regular, full-time (non-substitute) certificated employee occurs on the first day of instruction in either the 2016-17 or the 2017-18 school year shall be qualified to participate in the Signing Incentive Program.
4. Any teacher who qualifies for participation in the Signing Incentive Program as determined by the District in accordance with paragraph 3 above and who remains

employed by the District as set forth in paragraph 5 below shall receive the following pay incentives:

- a. A payment of \$1000 less applicable taxes and deductions payable with his/her first pay warrant; and
 - b. An additional payment of \$1000 less applicable taxes and deductions payable with the first pay warrant the teacher receives in his/her second year of employment with the District; and
 - c. A final payment of \$1000 less applicable taxes and deductions payable with the first pay warrant the teacher receives in his/her third year of employment with the District.
5. Any teacher who qualifies for participation in the Signing Incentive Program but who thereafter resigns, is non-reelected or is otherwise terminated from District employment shall forfeit his/her eligibility for continued participation in the Program.
 6. This MOU shall automatically expire on June 30, 2018 unless the parties negotiate and agree in writing to extend the Signing Incentive Program beyond June 30, 2018.

Archive Year Round Schools

ARTICLE XXI: YEAR ROUND SCHOOL

A. WORK YEAR

1. The duty year for unit members at a year round school shall be 182 duty days with 176 instructional days and six inservice days.
2. At each year round school site, the principal and unit members shall develop a plan for communicating with off track unit members. The site administrator is responsible for implementing the adopted plan.
3. Bargaining unit members assigned to a year round school program shall not be required to attend in-services or meetings during their off-track time.
4. The calendar for a year round school program shall be determined after consultation with affected bargaining unit members and the Association. The calendar shall be devised so that no more than three tracks are on school grounds at one time.
5. Each school site participating in a year round school program shall develop an appropriate plan for proper scheduling of parent conferences, back-to-school nights, open house, etc.

B. WORK DAY

1. The length of the instructional day at a site participating in a year round school program shall be adjusted to equal the instructional minutes for 180 instructional days.
2. The instructional minutes for the year round school site must equal the number of instructional minutes the school site had for the year prior to implementing year round school.
3. The total minutes of instruction at a school site participating in a year round school program shall not be increased beyond current practice at that site.

C. TRANSFER

1. Initial Placement

- a. Bargaining unit members wanting to transfer out of a school participating in a year round school program to a school not participating in a year round school program shall follow the procedures in Article X of this Agreement, but, notwithstanding any provision to the contrary in Article X, such bargaining unit members shall be given first consideration for vacancies.
 - b. A competent professional staff is an important factor in developing an educational program. Therefore, when staffing a year round school, the following factors of balance shall be considered:
 - (1) preparation and experience of teachers
 - (2) gender ratio
 - (3) permanent/probationary ratio
 - (4) ethnic ratio
 - (5) bilingual abilities
 - (6) years in a particular school
 - (7) exceptional competence in a given teaching methodology
 - c. Bargaining unit members participating in a year round school program shall be given an opportunity to indicate first, second, and third choices for track and grade level assignments to the site administrator.
 - d. If the site administrator is unable to place a bargaining unit member in his/her first, second, or third track or grade level choice, the administrator shall meet with the unit members involved and hold a lottery to determine the initial track or grade level assignments.
2. After initial placement in a year round school, changes in track assignment, grade level placement, and movement into and out of a year round school program shall follow the procedures in Article X of this Agreement. However, no unit member shall be involuntarily transferred from a traditional program to a year round school program except for reasons of declining enrollment in the traditional program.

D. EXCHANGE TRACKS

If two bargaining unit members at a school determine that they wish to exchange track assignments for the following school year, they may make a written proposal to that effect to the site administrator prior to April 1. If the administrator determines that the school's educational needs can be accommodated by the exchange, the proposals shall

be approved. The administrator shall respond in writing as soon as practicable, but no later than May 1.

E. EXCHANGE DAYS

1. On-track bargaining unit members may trade duty days with off-track bargaining unit members with prior site-level administrative approval. Bargaining unit members may trade a maximum of 10 duty days during a work year. A Trading Duty Days agreement shall be filed with the site administrator that outlines the responsibilities of the on-track and the off-track bargaining unit member.
2. If an off-track unit member is unable to fulfill his/her obligations under this Agreement, the on-track unit member shall be charged as appropriate for the substitute teacher time.

F. SUBSTITUTES

Bargaining unit members who are off-track at the time shall be permitted to substitute for on-track bargaining unit members. Substitutes shall be called in order from a list constructed by the District giving priority and right of first refusal to off-track unit members expressing a desire to be included on the list. The salary for such assignment shall be at the District's adopted rate of pay for long-term substitutes.

G. LEAVES

1. Unit members assigned to a year round school program may apply for leaves of absence for professional development during the summer months with the approval of the Superintendent (or designee). Such leaves must meet the same criteria outlined in the Sabbatical Leave provision of this Agreement.
2. Bargaining unit members may be eligible for unpaid leaves of absence for up to one session of track assignment. Leave requests must be submitted at least four weeks prior to the first day of the leave.
3. With advance approval by the District, bargaining unit members shall be eligible for differential pay leave of up to five days to provide them with the opportunity to attend job related workshops and conferences which are

scheduled during periods of time when year round school bargaining unit members are on duty and traditional calendar bargaining unit members are on recess.

H. PRESERVATION OF BENEFITS

1. Bargaining unit members participating in year round school programs shall not be deprived of any benefits provided by this Agreement or District policy by virtue of assignment to a year round school. Possible benefits shall include, but shall not be limited to, opportunity to serve as a mentor teacher, on District committees, inclusion in SIP activities, professional growth conferences, instructional councils, or any leaves delineated in this Agreement. In addition, bargaining unit members assigned to year round schools shall not be disenfranchised in any District elections, surveys, or questionnaires.
2. At each year round school, the principal and bargaining unit members shall develop a plan for communicating with off-track bargaining unit members. The site administrator shall be responsible for implementing the adopted school plan.

I. SUPPORT STAFF

1. Upon mutual agreement between a year round school support staff bargaining unit member (i.e., ESL, RSP, Resource Teacher) and the site principal, said bargaining unit member may work either a school track or "cross-track" duty year.
2. A support staff bargaining unit member shall be guaranteed the option of 20 non duty days that may be taken in blocks of not less than five consecutive days. Scheduling of such blocks shall be by mutual consent of the unit member and the site principal.
3. Working more than 182 duty days shall be voluntary on the part of the support staff unit member and his/her individual contract shall define the number of duty days to be worked and the extended year salary schedule upon which he/she shall be paid. See Appendix D.

4. Support staff unit members shall be credited with one additional sick leave day for each 18 additional days worked.
5. All tracks shall have equal access to support staff.

J. WORKING CONDITIONS

1. Air conditioning and heating shall be provided and maintained in each classroom in a year round school program.
2. In order to accommodate the spatial needs of the bargaining unit members on rotating tracks, bargaining unit members shall be provided at least one portable locking storage cabinet and one 4-drawer filing cabinet. The principal and bargaining unit members shall develop a plan for storage for their school site. Bargaining unit members who share classrooms ("Room Partners") shall develop a Room Partners Agreement for dealing with classroom storage issues. Each bargaining unit member shall keep a copy of this agreement and one copy shall be filed with the principal.
3. The District will provide custodial services to local school sites to move portable storage cabinets, file cabinets, equipment, and furniture. The District will attempt to schedule one work day between each track in the year round school calendar for bargaining unit members to store and move instructional materials.
4. Every reasonable effort shall be made to avoid assigning kindergarten classrooms to other grade levels.
5. Adequate supplies and books shall be available throughout the year.

K. CLASS SIZE

1. Pupils shall be distributed equitably among bargaining unit members assigned to the same grade level and tracks should be reasonably balanced.
2. All students assigned as part of a bargaining unit member's caseload shall be counted for class size purposes for that bargaining unit member regardless of the track the students are assigned.

3. The caseload for resource specialists and other bargaining unit members shall be balanced among tracks and shall not exceed state guidelines for such case loads.

L. SALARIES

1. Pay warrants for unit members in a year round school who are continuing employment with the District from the previous year and who were paid on a 12-month basis shall be issued under the following options:

TRACK B, C, and D

- Option 1: The unit member may continue the traditional contract period of September through August with no change in the number of pay warrants or when they are received.
- Option 2: The unit member may elect to change to a July through June contract period. If this option is chosen, two pay warrants shall be issued for the months of July and August upon entry into the option. The issuing of double warrants will only occur during the first year of implementing this option. If the unit member transfers from Track B, C, or D to Track A, no pay warrant shall be issued for the July pay warrant of the first year on that new contract period. If the unit member transfers from Track B, C, or D to a traditional school, no pay warrant shall be issued for July and August of the first year on that new contract period. If the unit member wishes to return to Option 1, no pay warrant shall be issued for July and August of the first year of the new contract.

TRACK A

- Option 1: The unit member may continue the traditional contract period of September through August with no change in the number of pay warrants or when they are received.
- Option 2: The unit member may elect to change to an August through July contract period. If this option is chosen two pay warrants shall be issued for the month of August upon entry into the option. If the unit member transfers from Track A to a traditional school, no pay warrant shall be issued for August of the first year on that new contract period. If the unit member wishes to return to Option 1, no pay warrant shall be issued for August of the first year on the new contract. If the unit member transfers from Track A to Track B, C, or D, the unit member will have to make a decision relative to the July pay warrant. Upon transferring to Track B, C, or D, the unit member may elect to change to a July through June contract period, but would only receive two pay warrants for the month of July and would be subject to the contract language applying to unit members on Track B, C, and D who select Option 2.

2. Pay warrants shall be issued to unit members who shall indicate their option preference upon entry into Track A, B, C, D who select Option 2.
3. New Employees: Pay warrants for new unit members in year round school will have the same options as in paragraph L.1 with the exception of the opportunity for double warrants.
4. Step and Column Movement: Step and column change shall be effective upon the commencement of the bargaining unit member's work year and subject to filing of appropriate notification and documents. Those bargaining unit members choosing Option 2 for pay warrants must file notification of intent to reclassify no later than March 15 of the preceding school year and provide appropriate verification of units by August 31 of the school year in which the reclassification shall take place.

M. TERMINATION OF YEAR ROUND SCHOOL

If the District adopts and implements a year round school and then later decides to eliminate part or all of such program, it shall give reasonable prior notice to the Association.

Archived Article XIII Salaries: K- Athletic Coaches Summer Stipend

1. In order to promote participation in co-curricular activities during the summer "off season" the District agrees that beginning with the summer of 1998, High School coaches (including "Walk-Ons") who engage in summer athletic programs with their respective teams will be paid a stipend for the work involved. This agreement promotes student participation during the summer in worthwhile athletic activities, formalizes these activities, provides the coaches and the athletes District insurance coverage and assures that the District contributes to the programs by providing the transportation for the teams during the summer.

2. These services are beyond the normal Summer School teaching responsibilities that are determined by requisitions and Board approval. The stipend shall be a non-indexed, flat rate.
 - a. Either party may request to negotiate the above flat rate stipends for any of the extra duty summer program positions listed in K.6. by providing written notice to the other party by April 30 of any year of the desire to negotiate the flat rate stipends for the following summer.
 - b. The amount of the stipends will be based on the number of hours spent in the activities and the number of athletes involved, but at no time, other than for football, will the total stipend for any one sport for all coaches in that sport exceed \$1,000. Any head coach (or staff) who worked 100 hours or more during the summer program will be paid the \$1,000 stipend. The head coach can divide the \$1,000 stipend among the coaches of that sport. Those coaches working less than 100 hours will be paid at a rate of \$10 per hour. The High School Football Programs will be provided a \$2,000 stipend because of the increased number of athletes involved and the additional hours worked by the coaching staff.
3. Each coach must keep a calendar of his/her activities showing the number of hours worked and the number of athletes involved. This information is to be submitted to the Athletic Director at the end of the summer on a form provided by the Athletic Director. When all sports have reported, checks will be issued to all coaches. If more than one coach is being paid from the total stipend the names and amounts per coach are to be submitted to the Athletic Director.
4. The Athletic Director will submit all forms to the Assistant Principal who will prepare a report for the Superintendent and for the Chief Negotiator for KCTA showing the number of athletes involved with each sport, the number of hours spent by each coach, the total stipend paid to each coach and the total amount of money paid out in Summer Athletic Stipends.
5. This arrangement will remain in effect and will be implemented every summer until or unless otherwise negotiated.
6. Stipends will be provided for the coaches of the following sports programs unless otherwise negotiated:

Exhibit III

ARTICLE 24: PROGRAM IMPROVEMENT

Archived Article 24 shall apply only in the context of state or federally mandated program improvement.

At any stage of program improvement, and when individual school sites, or the district participate in any related programs such as HPSGP, SAIT, II/USP, the parties agree that no component of these programs can change working conditions as reflected in the parties' collective bargaining agreement absent mutual agreement.

A. Professional Development

When professional development is required for compliance with program improvement or any program improvement grant, such as SB472/AB466, it shall be provided by the district within the contracted work day/work year.

If additional opportunities for the same professional development occur outside the contracted work day/work year, a unit member who attends that professional opportunity outside the work day/work year, shall be compensated at the amount provided in the program or grant providing for such professional development. If the grant or program fails to specify an amount, unit members shall be paid at the

supplemental hourly rate of pay (Step 1 Column 1 of Certificated Salary Schedule divided by 185 days divided by 7 hours).

B. Bargaining Unit Representation

1. Site committees established for the express purpose of program improvement shall include representatives from the bargaining unit, district administration, and when appropriate outside agencies. The number of bargaining unit reps on any site program improvement committee shall be equal to or greater than the number of bargaining unit representatives serving on the school site council for that school. Bargaining unit representatives shall be elected by process consistent with KCTA bylaws.
2. There will be a KCTA Liaison to the Alternative Governance Board (“AG Board”) The KCTA Liaison is not a member of the AG Board; however he/she will actively participate in AG Board meetings. The KCTA Liaison may meet monthly with the Director of Special Projects and Assistant Superintendent, Curriculum & Instruction. In addition the KCTA Liaison shall review AG Board agendas, recommendations and actions will be reviewed to provide an instructional perspective in support of the school improvement process. The KCTA Liaison position is designed to ensure that the Association has input in the Alternative Governance process.

C. Evaluation

The Alternative Governance Board is established to plan and monitor the implementation of school improvement/restructuring plans. The AG Board has no role in certificated employee evaluation and therefore no AG Board member can ever serve as a “designated administrator” for purposes of Article 11.

Certificated employee evaluation shall not be based upon assessments and/or recommendations of a scholastic audit team assigned to the school as a result of Program Improvement, Corrective Action and/or Restructuring, School Assistance and Intervention Team (SAIT) or Alternative Governance Board.

The parties agree that all stakeholders at a school site share the responsibility of meeting API/AYP growth targets. Therefore certificated employee evaluation shall not be based upon the success, or lack thereof, of the site to meet the required API/AYP growth targets.

WHEREAS, from time to time, changes in the District's instructional program or to the educational services provided by the District necessitate a revision of the list of certificated positions in Article 2; and

WHEREAS, the District has established a new certificated position designated as "District Intervention Teacher" to provide targeted assistance for students; and

WHEREAS, due to a restructuring of educational services, the District has determined that the duties of the now vacant position of Program Coordinator for District Classroom Music Program will not be needed in the future; and

MEMORANDUM OF UNDERSTANDING
Between the
KINGS CANYON UNIFIED SCHOOL DISTRICT
And the
KINGS CANYON TEACHERS ASSOCIATION

November 13, 2019

The Kings Canyon Unified School District ("District") and the Kings Canyon Teachers Association ("KCTA") hereby enter into this Memorandum of Understanding as follows:

WHEREAS, there is a continuing shortage in the number of teacher candidates in Fresno, Madera, Kings and Tulare counties who possess a Preliminary or Clear California Credential; and

WHEREAS, this teacher shortage has heightened the competition among local school districts for candidates who are available and credentialed to fill vacant teaching positions in the District; and

WHEREAS, because of this teacher shortage, the District has had difficulty recruiting credentialed candidates who are qualified to fill vacant teaching positions; and

WHEREAS, the District and KCTA acknowledge that it is in the students' best interests that qualified candidates who possess either a Preliminary or Clear California Credential be recruited for hire by the District; and

WHEREAS, as evidenced by their previous Memorandum of Understanding dated September 29, 2015, the District and KCTA recognize the need to provide pay incentives in order to effectively recruit credentialed teacher candidates for employment in vacant teaching positions; and

NOW, therefore, the District and KCTA agree as follows:

1. The foregoing recitals are true and correct.
2. In furtherance of the goal to recruit credentialed teacher candidates, the "Signing Incentive Program" will continue for the 2019-20, 2020-21 and 2021-22 school years only.
3. Teachers who possess a Preliminary or Clear California Teaching Credential and whose first day of paid status in the District as a regular, full-time (non-substitute) certificated employee occurs on the first day of instruction in either the 2019-20 , 2020-21 or 2021-22 school year shall be qualified to participate in the Signing Incentive Program.
4. Any teacher who qualifies for participation in the Signing Incentive Program as determined by the District in accordance with paragraph 3 above and who remains employed by the District as set forth in paragraph 5 below shall receive the following pay incentives:

Appendix L1

- a. A payment of \$1,000.00 less applicable taxes and deductions payable with his/her first pay warrant; and
 - b. An additional payment of \$1,000.00 less applicable taxes and deductions payable with the first pay warrant the teacher receives in his/her second year of employment with the District; and
 - c. A final payment of \$1000.00 less applicable taxes and deductions payable with the first pay warrant the teacher receives in his/her third year of employment with the District.
5. Any teacher who qualifies for participation in the Signing Incentive Program but who thereafter resigns, is non-relected or is otherwise terminated from District employment shall forfeit his/her eligibility for continued participation in the Program.
 6. This MOU shall automatically expire on June 30, 2022 unless the parties negotiate and agree in writing to extend the Signing Incentive Program beyond June 30, 2022.
