Message from the Assistant Principal

Dear Families,

Welcome to 2023! I hope you had a wonderful break and took some time to get some much needed rest.

We are now in the second semester of the school year, and we want to continue moving forward with good attendance, good grades, and positive attitudes! Please take some time to check out our new Attendance Challenge for January and our list of students with "Perfect Attendance" for semester 1.

Respectfully,

Delilah Lopez

The Macaw newsletter will be available every other week. They will be sent to you by your child's teacher, so please make sure we have your correct email address. You can access them on our Petroglyph

Do not drop off your student in the parking lot. Students must be escorted.

*Just a reminder that parents/family members are not allowed in our school. We ask that if you are at Petroglyph to pick up your child at the end of the day, that you wait for them outside in the grassy area by our flag pole; or in your car while in the drop-off lane.

*** STUDENT PICK-UP AREA / PICK-UP AND DROP-OFF PROCEDURES**

- ✦ pulling up to the designated curb in front of the school, remaining in the car, and letting the child in on the curbside door

Because of the size of our school and the high volume of cars, it may take some time for cars to make the entire circuit of the parking lot. Please be patient and wait your turn to pick up your child. Cars may not park or pick up students in the fire lanes. Children will not walk between cars to get to their ride, whether or not an adult accompanies them. Parents who refuse to follow our safety standards may lose access to our campus.

Because of safety considerations, it is essential that parents observe the painted crosswalks and duty teachers' instructions when walking to parked cars. It is equally important to use only the west parking lot area (front of school) for vehicle pick-ups. There is no supervision at the base of the hill on Richmond Hills, and it is not a safe area for children.
