Message from the Assistant Principal

Dear Families,

Thank you encouraging your student to do their best during State Testing the last few weeks! We're not quite done with testing yet. We still have our interim assessment starting next week.(5/1/23-5/12/23). Ask your student about their specific testing window.

Please encourage your student to attend during their scheduled assessment dates. Please do not schedule appointments, vacations, etc during our assessment window. It is vital that students are here, well-rested, and prepared to take their time and do their best!

Respectfully,

Delilah Lopez

The Macaw newsletter will be available every other week. They will be sent to you by your child's teacher, so please make sure we have your correct email address. You can access them on our Petroglyph webpage : petroglyph.aps.edu

IMPORTANT REMINDERS

Bus Information

Please discuss with your students our expected bus behavior. Unsafe and distracting behaviors can result in discipline

referrals and/or loss of bus privileges.

Parents may pick up their child by:

- ♦ parking in the parking lot and escorting the student to the car, using designated crossing areas, and respectfully obeying staff directions
- ♦ pulling up and moving to the north side of the designated curb in front of the school, remaining in the car, and letting the child in on the curbside door. Please do not block traffic.

Do not drop off your student in the parking lot. Students must be escorted. Please do not park in the handicap parking without your handicap sticker clearly posted.

Quick Reminders:

Wednesday—Early Release 1:00pm

*Our school hours are Monday, Tuesday, Thursday, and Friday from 8:50 am - 3:50 pm. Wednesday, we have the same arrival time, but dismissal at 1:00 pm. Students are not be left unattended at Petroglyph until staff is on duty until that time, so please do not leave your children unattended before 8:50 am.

*Just a reminder that parents/family members are not allowed in our school. We ask that if you are at Petroglyph to pick up your child at the end of the day, that you wait for them outside in the grassy area by our flag pole; or in your car while in the drop-off lane.

*** STUDENT PICK-UP AREA / PICK-UP AND DROP-OFF PROCEDURES**

- ♦ pulling up to the designated curb in front of the school, remaining in the car, and letting the child in on the curbside door

Because of the size of our school and the high volume of cars, it may take some time for cars to make the entire circuit of the parking lot. Please be patient and wait your turn to pick up your child. Cars may not park or pick up students in the fire lanes. Children will not walk between cars to get to their ride, whether or not an adult accompanies them. Parents who refuse to follow our safety standards may lose access to our campus.

Because of safety considerations, it is essential that parents observe the painted crosswalks and duty teachers' instructions when walking to parked cars. It is equally important to use only the west parking lot area (front of school) for vehicle pick-ups. There is no supervision at the base of the hill on Richmond Hills, and it is not a safe area for children.
