Message from the Assistant Principal

Dear Families,

The school year is certainly flying by! Next week we will have a few days off for our Vernal Holiday (See our Calendar of Events). When we return, it will be time for State testing:

4/12-4/14: 5th Grade NM ASR (Science)

4/18-4/21: 3rd/4th Grade NM-MSSA for ELA and Math

4/25-4/28: 5th Grade NM-MSSA for ELA and Math

Please do not schedule appointments, vacations, etc during our testing window. It is vital that students are here, well-rested, and prepared. Please see the flyer below regarding our attendance incentives during our testing dates! (See page 5).

Respectfully,

Delilah Lopez

Quick Reminders:

Wednesday—Early Release 1:00pm

*Our school hours are Monday, Tuesday, Thursday, and Friday from 8:50 am - 3:50 pm. Wednesday, we have the same arrival time, but dismissal at 1:00 pm. Students are not be left unattended at Petroglyph until staff is on duty until that time, so please do not leave your children unattended before 8:50 am.

*Just a reminder that parents/family members are not allowed in our school. We ask that if you are at Petroglyph to pick up your child at the end of the day, that you wait for them outside in the grassy area by our flag pole; or in your car while in the drop-off lane.

*** STUDENT PICK-UP AREA / PICK-UP AND DROP-OFF PROCEDURES**

- ♦ pulling up to the designated curb in front of the school, remaining in the car, and letting the child in on the curbside door

Because of the size of our school and the high volume of cars, it may take some time for cars to make the entire circuit of the parking lot. Please be patient and wait your turn to pick up your child. Cars may not park or pick up students in the fire lanes. Children will not walk between cars to get to their ride, whether or not an adult accompanies them. Parents who refuse to follow our safety standards may lose access to our campus.

Because of safety considerations, it is essential that parents observe the painted crosswalks and duty teachers' instructions when walking to parked cars. It is equally important to use only the west parking lot area (front of school) for vehicle pick-ups. There is no supervision at the base of the hill on Richmond Hills, and it is not a safe area for children.
