An open position that can be filled through reassignment of staff is not considered a vacancy for the purposes of this article. A position with a proposed duration of longer than twelve (12) weeks will be posted in the following manner:
- Sec 9.2.1 Open positions occurring while school is in session will be posted for five (5) calendar days in the District. Vacancies will be posted in the designated places in each school building. - Sec 9.5.1 It may become necessary for the District to change the assignment of an employee prior to, at the beginning of, or during any school year. The District will endeavor to notify all employees of their assignments for the ensuing year not later than June 1. - Sec 9.5.2 An involuntary transfer shall be for the following reasons: (1) realignment of staff as a result of a layoff or as a result of shifts in student enrollment; (2) more efficient utilization of staff; (3) enhanced overall instruction at grade levels; (4) opening a building; or (5) closing a building. An involuntary transfer shall not be used for disciplinary purposes.
- Sec 9.5.3 The affected employee will be notified of the decision to transfer and, upon request, will be provided written reasons for the transfer as soon as possible. At that time the principal or District administrator in immediate charge of the transfer will inform the employee of any known vacancies in the school District for which the employee may apply. The employee will have the opportunity to make known his/her wishes regarding the assignment and will be allowed to indicate his/her preference of assignment.
- Sec 9.5.4 Unless waived by the employee, the District will reassign him/her to the original position as soon as it becomes practical and possible to do so.

The Martin Luther King, Jr. holiday is a non-contract day. State In-service Day is a non-contract day. The Wednesday before Thanksgiving is a non-contract day.
- Sec 10.3.1 If a half-day of pre-service prior to the start of the year is not provided to staff for use in completing District-required online trainings, then one early release day in September must be reserved for such purposes.
- Sec 10.4 Employees may work three (3) evenings per school year outside of Parent-Teacher conferences without additional compensation. If members are required to work beyond the eight-hour workday to accommodate for parent-teacher conferences, the membership will be given equal time off as compensation. Special education teachers and specialists may be allowed to work in an office/classroom and must always be available during conference hours for parents requesting to conference with them.
- Sec 10.4.1 Evening conferences may be scheduled provided that:
- a. No classes will be held on days when evening conferences are scheduled.
 - b. On days when evening conferences are scheduled, teachers will not be required to work more than eight (8) hours.

On days of staff meetings and PLC meetings, teachers on flex schedules will revert to the regular building hours.

- Sec 10.6 Employees shall adhere to the daily schedule, and shall make no commitments that will preclude their being present in their assigned duties and responsibilities. On the occasion when employees need to leave early they shall notify the principal's office before leaving. (This agreement is in lieu of the historical compensatory time.)
- Sec 10.7 Other work time outside of preparation time or classroom time but within the confines of the regular workday may be designated. Examples of this are supervision of students, curriculum improvement and development, departmental and/or grade level planning; individual, group or committee projects relating to instructional materials, procedures, processes, curriculum, course of study, conferences with a student/parent/principal, or other matters relating to instruction or co-curricular functions, or student activities.
- Sec 10.8 Employees shall attend staff meetings when required by the Superintendent or by the principal. No more than one staff meeting per month may be held outside of regular building hours. - Sec 10.9 The District prefers parent-teacher conferences be held in the school building during previously scheduled conference hours. There may be occasions when this is not possible. In this occasion meeting places or hours may be scheduled through agreement of principal, teacher and legal guardian.
- Sec 10.10 The building principal shall designate the regularly scheduled lunch hours for the staff and for the students under his/her jurisdiction. **The principal** shall designate the lunch time for each staff member.
- Sec 10.11 It is recognized teachers assume responsibilities outside the regular workday including, but not limited to, meeting with parents, attending IEP meetings, grading papers, developing unit/lesson plans and student activities. However, the Association reserves the right to proceed with the grievance procedure if there is a perceived problem with this clause.
- Sec 10.12 A specialist's (media specialist, music, or physical education teacher) daily student contact time shall not exceed that of the classroom teacher's daily student contact time.
- Sec 10.13 Teachers traveling between any schools shall be allotted a minimum of 30 minutes for travel, set-up, take-down, and for any unforeseen incidents. This travel time shall not be considered as preparation time.
- Sec 10.14 Teachers who are in their first two years of teaching will not be **encouraged, nor required** to serve on building, District, county or other committees and/or councils.
- Sec 10.15 Teachers will not be required to serve on more than two (2) building, District, county or other committees and/or councils. If there is a committee that is not fully staffed, the building principal retains the right to assign teachers serving on less than two (2) committees and/or councils where additional staff are needed.
- Sec 10.16 Teachers may choose to work from home on teacher grading days provided that s/he "signs out" prior to working from home and provides a telephone number for immediate contact during the contracted work hours. Teachers working from home must comply

with the deadlines established by the building principal for grade entry. Failure to turn in grades in a timely fashion or respond to telephone calls from the school during work hours may result in loss of the work from home privilege for the teacher for the rest of the academic year. A grading day will be scheduled coinciding with the end of each grading quarter

Article 11 – Preparation Periods

- Sec 11.1 Each teacher shall be scheduled a minimum of 235 minutes of preparation time per week with an uninterrupted time block of no less than 30 minutes daily. No teacher will lose a preparation period in any given week except in case of emergency, emergency drill or absence.
- Sec 11.2 In any instance when the workday is reduced, scheduled school periods shortened, or the day's schedule is adjusted because of the educational program, co-curricular functions, activity programs, transportation requirements, emergencies, or unusual circumstances, the instructional preparation may be proportionally shortened with no recourse by processes of the grievance procedure.
- Sec 11.3 The District retains the right to increase student contact time within the above preparation time guarantees and the guarantees contained in Article 10.
- Sec 11.4 Special Education classroom teachers shall be provided a substitute for up to three (3) days of release time per year in order to conduct or complete special education work. This work will be directed by the Special Education teacher, aligned with daily work responsibilities and approved by the administrator.

The special education classroom teacher must submit a request to the building principal for the substitute a minimum of two (2) days in advance. The request shall be approved by the building principal and special education director. The teacher shall work on campus while utilizing a substitute under this provision. The committee will be composed of six members with three appointed by the Association and three appointed by the District. This committee will be appointed by the end of the previous school year and begin functioning prior to the first day of classes. During each year of the Agreement, the District will report to the committee and provide it with information regarding the various class sizes in the District, including special needs students, the number of preparation periods provided, and other relevant and reasonably available data. It is intended that the District's report will occur on or about the Friday of the second week of the school year and on or about the first Friday after the start of the second semester of each year. The joint committee will be charged with the responsibility of identifying and examining problem areas. Minutes of the meetings shall be shared with the Superintendent and Association. It is intended that suggested solutions to the identified problem areas would be recommended to the Superintendent by the joint committee.
- Sec 12.3 Teachers in charge of a school business that requires participation outside the school day (and who document to the building Administration that the hours spent on the school business outside the school day is equivalent to or exceeds the hours that would be spent on certain supervision duties) shall not be assigned certain supervision duties. To accept an offer of recall, the employee must indicate acceptance within ten (10) calendar days of the notice of recall. The ten days begin on the date the employee signs the receipt of said recall offer or the District's receipt of notice of non-delivery. Failure to respond shall constitute a rejection of such offer. - Sec 29.3.2 Time Limits. The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement in writing. When a grievance is submitted on or after May 1, the time limits shall consist of all calendar days so that the matter may be resolved before the close of the school term or as soon as possible thereafter.

- Sec 29.3.3 Failure at any step of this procedure to communicate the decision on a grievance within the specified time limit shall be construed as a denial and permit the lodging of an appeal at the next step of the procedure.
- Sec 29.3.4 Any grievance not advanced from one step to the next within the time limits of that step shall be deemed resolved by the answer at the previous step and therefore dropped.
- Sec 29.3.5 Year-End Grievances. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and if left unresolved until the beginning of the following school year could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.
- Sec 29.3.6 Level One - Principal or Immediate Superior. A teacher with a grievance shall first provide notification or discuss it with his/her principal or immediate superior, either directly or with the Association's designated representative, with the objective of resolving the matter informally. This notification shall take place within ten (10)-working days of first knowledge of the incident or act creating the grievance. A written copy of the decision will be sent to the Superintendent, grievant, and the Professional Rights and Responsibilities Committee of the St. Helens Education Association. If the grievance remains unresolved following the informal meeting with the principal the grievance may be presented in writing to the principal within five (5) days of the informal meeting. The principal will respond to the grievant in writing within five (5) days of the receipt of the written grievance, setting forth the disposition of the grievance at that level. A written copy of the decision will be sent to the Superintendent, grievant, and the Professional Rights and Responsibilities Committee of the St. Helens Education Association.
- Sec 29.3.7 Level Two - Superintendent
- Sec 29.3.7.1 If the grievant is not satisfied with the disposition of the grievance at Level One, or if no decision has been rendered, he/she may file the grievance in writing with the Superintendent or his/her designee within five (5) days after the written filing at Level One.
- Sec 29.3.7.2 Within ten (10) working days after receipt of the written grievance by the Superintendent or designee, he/she will meet with the grievant and a representative of the Association in an effort to resolve the grievance. He/She will respond to the grievant in writing within five (5) days of the meeting at Level Two, setting forth the disposition of the grievance at that level. A written copy will be sent to the Professional Rights and Responsibilities Committee of the Association.
- Sec 29.3.8 Level Three - School Board
- Sec 29.3.8.1 If the grievant is not satisfied with the disposition of the grievance at Level Two or if no decision has been rendered, he/she, may appeal the grievance to the

school Board through the Superintendent within ten (10) days after the meeting with the Superintendent at Level Two.

- Sec 29.3.8.2 Within five (5) working days of receipt of the appeal to Level Three the Superintendent of Schools shall forward the grievance along with all related papers to the school Board.
- Sec 29.3.8.3 Within ten working days after receipt of the written grievance by the school Board, or by the next Board meeting, the Board shall then hold a hearing with the grievant and witnesses and render a decision in writing within five (5) days after the conclusion of the hearing.
- Sec 29.3.8.4 A copy of the school Board's decision shall be sent to the Superintendent, grievant, Professional Rights and Responsibilities Committee of the Association and the immediate superior.

Sec 29.3.9 Level Four - Arbitration

- Sec 29.3.9.1 If the grievant is not satisfied with the disposition of the grievance at Level Three, or if no decision has been rendered within five (5) working days of school Board hearing, he/she may within five to fifteen (5-15) days after the school Board hearing, request in writing that the Association submit the grievance to arbitration. If the Association determines that the grievance involves the interpretation, meaning or application of any of the provisions of this Agreement, it may, by written notice to the Superintendent within 15 working days after receipt of the request from the grievant submit the grievance to binding arbitration. If any question arises as to whether a particular dispute involves the interpretation, meaning or application of any of the provisions of this Agreement, such question will first be ruled upon by the arbitrator selected to hear the dispute. In the event that a case is appealed to an arbitrator on which he/she has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.

Except as otherwise expressly provided in this Agreement, the arbitration will be conducted in accordance with the Voluntary Labor Arbitration Rules of the American Arbitration Association in effect at the time.

- Sec 29.3.9.2 Within ten (10) working days after such written notice of submission to arbitration, the Superintendent and the Association will attempt to agree upon a mutually acceptable arbitrator and to obtain a commitment from such arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the 10-day period, a request for a list of five arbitrators shall be made to the Employment Relations Board by either party. Upon receipt of the list of five arbitrators, both parties shall strike one name from the list until one name remains. The first one to strike a name shall be determined by a flip of a coin.
- Sec 29.3.9.3 The arbitrator so selected will confer with the representatives of the school Board and the Association and hold hearings promptly and will issue his/her decision not later than 30 calendar days from the date of the close of the hearings or, if oral hearings have been waived, then from the date the final statements, briefs,

and documentation are submitted to him/her. The arbitrator's decision will be in writing and will set forth his/her findings of fact, reasoning and conclusions on the issues submitted. The arbitrator will be without power or authority to make any decision which requires the commission of an act prohibited by law or which modifies, the terms of this Agreement. The decision of the arbitrator will be submitted to the Board and the Association and will be final and binding upon the parties.

Sec 29.3.9.4 The costs for the services of the arbitrator, including per diem expenses, if any, and his/her travel and subsistence expenses and the cost of any hearing room will be borne equally by the Board and the Association. All other costs will be borne by the party incurring them.

Sec 29.4 RIGHTS OF TEACHERS TO REPRESENTATION

Sec 29.4.1 Teacher and Association. Any grievant may be represented at all stages of the grievance procedure by himself/herself and, at his/her option, by a representative selected or approved by the Association. The Association shall have the right to be present.

Sec 29.4.2 Reprisals. No reprisals of any kind shall be taken by the Board, Association or by any member of the administration against any party in interest, any representative, any member of the Association, or any other participant in the grievance procedure by reason of such participation.

Sec 29.5 MISCELLANEOUS

Sec 29.5.1 Special Circumstances. If a grievance arises from action or inaction on the part of the administration at a level above the principal or immediate superior, the grievant will submit such grievance in writing to the Superintendent and the Association directly and the processing of such grievance will be commenced at Level Two.

Sec 29.5.2 Written Decisions. Decisions rendered at Level One which are unsatisfactory to the grievant and all decisions rendered at Level Two and Level Three of the grievance procedure shall be in writing setting forth the decision and the reasons therefore and shall be transmitted promptly to all parties in interest and to the Association. Decisions rendered at Level Four shall be in accordance with the procedures set forth in 29.3.8.3 of this article.

Sec 29.5.4 Forms. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations and other necessary documents shall be prepared jointly by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.

Sec 29.5.5 The grievant will be required to exhaust the grievance procedure set forth in this article before seeking alternative remedies provided that by doing so the grievant

will not be deemed to have waived or otherwise prejudiced any constitutional, statutory or other legal rights.

Sec 29.5.6 It is agreed by the Association and the District any grievance regarding Article 8, Nondiscrimination, shall only be processed through Level Three - School Board. If the grievance is not resolved to the complainant's satisfaction, the complainant may choose to pursue resolution by any claim, suit or charge filed with any state or federal agency or court.

Article 32 - Funding

- Sec 32.1 The district recognizes that its financial health is directly correlated to its ability to fund the collective bargaining agreement and the employee's compensation package. It is important for there to be on-going conversations regarding the District financial status so that representatives of the Union have information as it develops rather than waiting until a crisis occurs. To that end, the district will provide a monthly cash flow statement for the district's general fund to the Association President.
- Sec 32.2 If the District is considering a reduction of the employee work year, the Administration will notify the Union a minimum of thirty (30) calendar days prior to the recommendation to the School Board. During this period of time, the Union can request a meeting with the Administration to discuss the recommendation and other potential options.
- Sec 32.3 If the District closes its schools because of lack of funds, no member of the bargaining unit shall be entitled to any of the monetary benefits provided in this Agreement while the schools are closed except as otherwise required by law or statute.
