

2022 403(b) Announcement for St Helens

Supplemental Retirement Saving Opportunities

St Helens offers an excellent voluntary program through which you may elect to contribute a portion of income into supplemental retirement savings accounts: the 403(b) Plan. St Helens has contracted with Carruth Compliance Consulting (“CCC”), a Third Party Administrator (TPA), to provide information and support for the 403(b) Plan.

All part-time and full-time employees are eligible to contribute.

You may begin, change, and/or cancel contributions in the 403(b) Plan at any time, subject to payroll deadlines. You may begin contributions in the 403(b) Plan by following the ‘403(b) Enrollment Procedures’ on the CCC website.

In addition to traditional pre-tax 403(b) supplemental retirement savings opportunities, St Helens offers after-tax Roth 403(b) contributions.

Participant Responsibilities

- Participants are responsible for monitoring account activity regularly for accuracy (e.g., deposits of your contributions), updating contact and beneficiary information.
- Contribution limits are specific to you, the taxpayer. If you participate in another organization’s retirement plan in addition to participating in the St Helens Plan, please note:
 - 403(b) Elective Deferral Limits described above apply to your total deferrals to all 403(b), 401(k), and SARSEP plans in which you participate.
 - If you control an organization sponsoring a qualified defined contribution plan, all contributions made to that plan on your behalf must be aggregated with any 403(b) contributions at St Helens for the IRC 415(c) limit (this applies to the aggregate of elective deferrals and employer contributions, the limit is \$61,000.00 in 2022, those Age 50 may defer an additional \$6,500.00).
 - Note: 457(b) contributions do not need to be aggregated with 403(b) contributions for limit consideration.
- If a problem exists or if you have questions, you should contact CCC or your employer as soon as possible.
