Hello and happy Friday!

Fire Update

Monday morning we had a car fire in the loading dock area on the east side of the building. Luckily nobody was hurt. There was water and smoke damage in the kitchen, custodial office, and Lyceum. Crews have worked day and night to have these areas ready for next Monday. Students have graciously adjusted to eating outside and the weather helped. It will be good to return to typical operations next week. The air quality has been tested and deemed safe, and they will continue to check next week. Thank you for your support this week. Enjoy the beautiful weekend!
