Mon, May 22, 2023 at 10:00 AM

Dear Dexter families,

We would like you to know of an exciting opportunity called **My Future Fund** that is coming to our district.

Through the My Future Fund (MFF) program, all 1st-5th grade students attending a public school will receive a MFF account with free money to start their savings account for college and career training. The My Future Fund program is operated by the Washtenaw Intermediate School District in collaboration with the Washtenaw County Government.

**All 1st-5th grade students will start with a \$25 deposit to start their account**, and some students may qualify for an extra \$475 based on their family income.

**Families will receive more information in their student's backpack this week**, including a form giving My Future Fund staff permission to see if your student is eligible for the additional \$475. This form is due to the front office by June 2, 2023.

Families who do not wish to participate in My Future Fund must complete an opt-out form also due by June 2, 2023. Please be on the lookout for materials that will be coming home in backpacks or to visit [www.myfuturefund.org](http://www.myfuturefund.org) to learn more.

We are very excited to be bringing this partnership and support to Dexter Community Schools families and hope to contribute to the future of all students in the district.

Our goal is always to uplift and build our community by offering support to all our students. My Future Fund is a long-term investment in our children and we want our community to be involved.

If you have any questions or concerns about My Future Fund, please contact MFF staff at [myfuturefund@washtenawisd.org](mailto:myfuturefund@washtenawisd.org) or by calling (734) 302-2626.
