JOB DESCRIPTION
San Diego County Office of Education

Project Specialist, Teacher Effectiveness

Purpose Statement
The Project Specialist, Teacher Effectiveness provides support within the Teacher Effectiveness & Preparation programs.

Diversity Statement
Because each person is born with inherent worth and dignity, and because equitable access and opportunity are essential to a just, educated society, SDCOE employee commitments include being respectful of differences and diverse perspectives, and being accountable for one’s actions and the resulting impact.

Representative Duties:
This position description is intended to describe the general nature and level of work being performed by the employee assigned to the position. This description is not an exhaustive list of all duties, responsibilities, knowledge, skills, abilities, and working conditions associated with the position. Incumbents may be required to perform any combination of these duties. All requirements are subject to possible modification to reasonably accommodate individuals with a disability.

Essential Functions
Collaborates and communicates with district personnel to implement and/or maintain services for a variety of credentialing programs.

Analyzes and evaluates information from participating employers and school districts to recommend program and/or service improvements for credentialing programs.

Configures and manages the learning management system to ensure that content is delivered from instructors and curriculum developers to program candidates.

Under the direction of the program administrator, researches, develops, and assesses content as assigned for credential instructional programs.

Coordinates program components, support needs, and materials (e.g., course work, training teachers, training instructors, managing learning management system, etc.) to meet District and/or program guidelines.

Maintains a variety of manual and electronic files and/or records for credentials, MOUs, hiring, and financials to provide accurate and timely information and to ensure compliance with regulatory requirements and established guidelines.
Participates in meetings, workshops, trainings, and seminars relating to teacher and mentor training, technology, and learning management systems to convey and/or gather information.

Prepares a variety of program-mandated reports related to courses, credentials, and instructors to ensure that district, County, State, and Federal requirements are met.

Plans and facilitates seminars, workshops, and in-service (e.g., district technology information, credential, coursework, etc.), to promote programs, gather feedback, and comply with established internal controls.

Researches, prepares, and distributes branding materials to recruit employers and program participants statewide for SDCOE’s credentialing programs.

Serves as an online instructor or curriculum developer as needed.

**Other Functions**
Performs other related duties as assigned for the purpose of ensuring the efficient and effective functioning of the work unit.
