Sora
The student reading app
soraapp.com

All Eanes ISD students have access to SORA for access 24/7 to audiobooks and ebooks. This is a great resource to extend library services beyond the physical library and school hours. .

With Sora, students and staff can access a large collection of ebooks and audiobooks for independent, recreational, or teacher-assigned reading. Since this is a consortium of all Eanes ISD schools and you also have access to Westbank Public Library resources, it offers a wider range of materials, both with regard to maturity and reading levels. Students can read or listen to these books using a Chromebook, desktop computer, or personal mobile device. Please explore this resource with your student.
