

### **JOB POST: Technology Integrator**

Seeking an IT Integrator who can effectively identify and bridge the technology skills, knowledge, and attitude gaps within our faculty, staff, and student body. This individual will be adept at creating, supporting, and promoting transformative learning experiences through technology.

#### **Qualifications**

- Bachelor's degree in a relevant field. A teaching certification may be beneficial but is not a mandatory requirement.
- Ability to foster positive relationships with faculty, staff, and students.
- Demonstrable experience and ease in implementing educational technology.
- A dynamic and enthusiastic approach towards technology solutions.
- Comfort in designing and delivering content to both small and large groups.
- Independent, creative problem-solving abilities with a knack for innovating multiple solutions.

#### **Key Responsibilities:**

- Empower teachers to effectively incorporate technology in student engagement.
- Foster a lively, innovative, and collaborative workspace for teachers to generate and share new ideas.
- Guide all organizational levels in selecting and adopting technology tools that align with the school's mission.
- Conduct regular discussions with the Director of Technology to assess the effectiveness of current technology implementations.
- Offer direct support in planning and executing senior administrative projects that involve technology.
- Nurture an online community among the school faculty and staff to facilitate technology in teaching, learning, and school operations.

- Maintain an online platform that showcases outstanding student work involving technology.
- Contribute to technology department initiatives within the school.
- Provide assistance with daily operations of the technology department as needed.
- Oversee and enhance the teacher technology mentor program.
- Establish a student technology advisory and support group to incorporate student perspectives on technology.
- Perform additional tasks and responsibilities as assigned by the Headmaster or Director of Technology.

**To apply, please submit the following:**

- Letter of interest
- Current resume
- Completed application form (available for download [here](#))
- Three letters of reference, including contact information for each individual
- Copies of all post-secondary transcripts
  - Unofficial/student-issued transcripts are acceptable for initial application; official transcripts may be requested later.
- Evidence of current/active CHRC (required by Maine law)
