### 3) TREASURER'S REPORT: The treasurer recommends approval of the following items:

- A. Minutes of the March 21, 2023, Regular Board Meeting were approved as presented.
- B. Notes for the Treasurer's Report
  - 1. Discussed the continued lower FTE amounts from the April Foundation payment. Student enrollment showed 689 students as of April 10<sup>th</sup>, 2023 compare to 705 students enrolled in April 2022. GOVS capped enrollment at 700 much earlier this school year and should be yielding the same or higher FTE compared to FY22 numbers. GOVS is currently showing 196.61 FTE compared to 374.92 this time last year. GOVS has produced almost 20,000 more student hours than last year. All indications show that the school should be at the same level of FTE as a year ago. This discrepancy is withholding about an estimated \$1.2M in funding.
  - 2. The May 2023 5-year forecast will continue to use the trend data rather than current FTE information. We have historically seen dips in FTE from years past but the final number matches what was expected. We have had meetings with our EMIS coordinator and ODE to investigate this discrepancy.

AGENDA ITEM 4 C  
BOARD ACTION NEEDED  
EXECUTIVE DIRECTOR

The Executive Director recommends that the Governing Board approves the FY24 Western Row Lease

## LEASE AGREEMENT

This Lease Agreement is made and entered into effective as of the 1<sup>st</sup> day of July, 2023, by and between the **Governing Board of the Warren County Educational Service Center**, 1879 Deerfield Road, Lebanon, OH 45036 (hereinafter referred to as "Lessor") and the **Greater Ohio Virtual School**, 1879 Deerfield Road, Lebanon, OH 45036 (hereinafter referred to as "Lessee").

1. Description - In consideration of the rents, terms, provisions and covenants of this Lease Agreement, Lessor hereby leases, lets and demises to Lessee the following described Premises (hereinafter referred to as "the Premises"): Classroom and facility space at the Western Row Elementary School Building, which includes approximately 8,274 square feet in the 500 wing (Rooms: 502, 503, 504, 505, 506, 507, 508, 509, Restrooms, 511, 513, 514 and hallway) and 344 square feet in the 300 wing (Rooms: 318 and 319), located at 755 Western Row Road, Mason, Ohio 45040 and parking spaces as designated by Lessor. See Exhibit A for building map. All utilities, maintenance, and custodial costs will be covered by the Lessor.

2. Term - Lessee shall have and hold the demised Premises, together with rights, privileges and appurtenances to the same belonging, to have and to hold for a term of 2 years, commencing on July 1, 2023 and ending on June 30, 2025 or such earlier date as hereinafter provided (the "Term"), except that, if any such date falls on a Sunday or a holiday, then this lease shall end at noon on the business day next following the aforementioned date.

3. Termination of Prior Lease Agreements and Renewal Term - The parties agree that as of the effective date of this Lease Agreement, any and all prior Lease Agreements between them for the Premises are hereby declared null and void and shall not be binding on either party.

This Lease shall automatically renew ("Renewal Term") for additional twelve (12) month terms unless either party gives the other written notice of its intent to terminate this Lease upon expiration of the Term at least 60 days prior to expiration of the Term.

4. Rent - Lessee shall pay to Lessor, as rent for the Term, the sum of \$165,000.00 per year during the Term, which rent shall be paid in equal monthly payments of \$13,750.00 invoiced monthly with other services Lessee purchases from

Lessor, net 30. Lessor and Lessee agree that as further consideration for the rental, Lessee shall maintain insurance coverage as hereinafter set forth which condition shall be considered as part of the rental provision for this agreement.

5. Security Deposit - Lessee shall provide no deposit or other payment for security under the terms of this Lease.

6. Occupancy - Lessor shall give possession of the leasehold Premises to Lessee upon the term commencement date as provided in Section 2 of this Agreement.

7. Usage - Lessee shall occupy the Premises, conduct its business and control its agents, employees, invitees and visitors in such a way as is lawful, reputable and will not create any nuisance or interfere with, annoy or disturb neighboring property owners or the Lessor, in its educational pursuits.

8. Indemnity and Insurance - Lessor shall not be liable to Lessee's employees, agents, invitees, licensees or visitors, or to any other person, for any injury to person or damage to property on or about the Premises caused by the negligence or misconduct of the Lessee, its agents, servants or employees, or of any other person entering upon the Premises under express or implied invitation by Lessee or caused by the buildings and improvements located on the leased Premises becoming out of repair, or caused by leakage of gas, oil, water or steam or by electricity emanating from the Premises, or due to any other cause. Lessee agrees to indemnify and hold harmless Lessor of and from any loss, attorney fees, expenses or claims arising out of any such damage or injury.

Lessee shall, at its sole cost and expense, carry public liability and property damage insurance with combined single limits of not less than One Million Dollars (\$1,000,000) bodily injury and property damage coverage. Said policy shall insure against all accidents and injuries to persons or property on the Premises. Lessor shall be named as an additional insured on said policies (without charge) and a copy shall be provided to Lessor.

It is acknowledged and agreed by Lessee that the risk of loss for all contents and property belonging to Lessee shall be borne by Lessee and Lessee shall purchase, maintain and pay for all property insurance coverage required and/or desired by Lessee. Lessee further expressly waives any and all claims against Lessor for loss or damage due to fire, explosion, tornadoes, windstorm or rainstorm, or other casualty, calamity or act

of God. Each party hereto waives, on behalf of itself and all others claiming by, through or under such party, including without limitation insurers, all claims, liabilities, causes of action or complaints against the other party relating to any damage to property which damage could have been covered under a "Special Risk" insurance policy.

9. Maintenance - Lessee shall maintain in good order and condition the leased Premises. At the termination of this Lease, Lessee shall deliver the Premises in as good condition as they were at the beginning of the term, reasonable wear, damage by the elements, casualty or other cause not due to misuse or neglect of Lessee or Lessee's agents, servants, visitors or licensees, excepted. All property of the Lessee remaining on the Premises after the last day of the term of this Lease or any extension thereof, shall be conclusively deemed abandoned and may be removed by Lessor and Lessee shall reimburse Lessor the cost of such removal. Lessor may have any such property stored at Lessee's risk and expense.

10. Alterations and Improvements - Lessee shall not cause any structures to be erected or altered on the Premises, without the express written consent of Lessor.

11. Assignment or Sublease - Lessee shall not transfer or assign, in whole or part, its rights and obligations in the property that is the subject to this Lease, without the express written consent of the Lessor. Lessor may withhold consent to such assignment in the event that Lessor, in its exclusive determinations, feels that such assignee or sub-lessee will not carry forth the recreational purposes contemplated by the parties in the execution of this agreement.

12. Default - In the event that Lessee shall fail to make any payment of rent hereunder, shall fail to maintain the Premises as herein contemplated or fail to provide the insurance coverage necessary, Lessor shall so notify the Lessee in writing of such default providing to Lessee a period of ten (10) days to cure such default.

In the event that Lessee fails to cure such default to the satisfaction of Lessor within said time period, this Lease shall be deemed in default and shall be considered set aside, null and void, and all rights of Lessee thereto shall be deemed terminated without further action of Lessor.

Failure of Lessor to declare an event of default immediately upon its occurrence, or delay in taking any action in connection with an event of default, shall not constitute

a waiver of the default, but Lessor shall have the right to declare the default at any time and take such action as is lawful or authorized under this Lease. Failure by Lessor to enforce one or more of the remedies provided upon an event of default shall not be deemed or construed to constitute a waiver of the default or of any other violation or breach of any of the terms, provisions or covenants contained in this Lease.

13. Eminent Domain - If any part of the Premises materially affecting Lessee's use of the Premises be taken by eminent domain, this Lease shall terminate on the date when title vests pursuant to such taking. The rent, and any additional rent, shall be apportioned as of said termination date and any rent paid for any period beyond said date shall be repaid to Lessee. Lessee shall not be entitled to any part of the award for such taking or any payment in lieu thereof, but Lessee may file a claim for any taking of fixtures and improvements owned by Lessee, and for moving expenses.

14. Failure to Complain - Failure of either party to complain of any act or commission on the part of the other party, no matter how long the same may continue, shall not be deemed to be a waiver by said party of any of its rights hereunder. No waiver by either party at any time, express or implied, of any breach of any provisions of this Lease shall be deemed a waiver of a breach of any other provisions of this Lease or a consent to any subsequent breach of the same or any other provision.

15. Right to Cure Lessee's Breach - If Lessee breaches any covenant or condition of this Lease, Lessor may, on reasonable notice to Lessee (except that no notice need be given in case of emergency), cure such breach at the expense of Lessee and the reasonable amount of all expenses, including attorney's fees, incurred by Lessor in so doing (whether paid by Lessor or not) shall be deemed additional rent payable on demand.

16. Liens - Lessee shall not permit any mechanic's or materialmen's liens to be filed against the fee of the demised Premises or the building or against the Lessee's leasehold interest in the Premises by reason of work, labor, services or materials supplied or claimed to have been supplied to the Lessee or anyone holding the Premises through or under the Lessee, whether prior or subsequent to the commencement of the term hereof. If any such mechanic's or materialmen's lien shall at any time be filed against the demised Premises or the building and Lessee shall fail to remove same within ten (10) days thereafter, it shall constitute a material breach of this Lease.

17. Time is of the Essence - Time is of the essence with respect to the

performance of each of the covenants and agreements of this Lease.

18. Miscellaneous - The use of the neutral singular pronoun to refer to Lessor or Lessee shall be deemed a proper reference even though Lessor or Lessee may be an individual, a partnership, a corporation, a trust or a group of two or more individuals or corporations. The necessary grammatical changes required to make the provisions of this Lease apply in the plural sense when there is more than one Lessee and to either corporations, trusts, associations, partnerships, or individuals, males or females, shall in all instances be assumed as though in each case fully expressed.

IN WITNESS WHEREOF, the Lessor and Lessee have caused duplicate counterparts hereof to be duly executed and delivered on or as of the day and year first above written.

**AchievePoint Students Enjoy a Night Out at the Cincinnati Music Hall**

On the evening of Friday, March 10th, AchievePoint students and staff attended "Black Panther In Concert" at the Cincinnati Music Hall.

Board member, Harold Brown, who is also the Nathaniel R. Jones Chief Diversity & Inclusion Officer at Cincinnati Symphony Orchestra, donated tickets to the school for the event. The board sponsored the rental of a charter bus and students and staff enjoyed a pizza dinner, trivia, and treats before the show.

The show featured the movie "Black Panther" on a large screen while the orchestra performed Ludwig Göransson's Oscar-winning score live to picture below. The event allowed AchievePoint students access and exposure to culture and the arts. Students raved about the "fancy bus" and the show for days. They were so excited and appreciative and look forward to exploring more around the arts in the future. Mr. Brown and his team were also kind enough to give each AchievePoint student a ticket to a future show at the Music Hall. A great night was had by all!

**Important Reminder from the Compliance Department**

Spring is here, and so is the Spring Survey! The Spring Survey is a questionnaire pertaining to Compliance items that are answered closer to the end of the year.

Look for Spring Survey training/support details to be sent via email to administrators, superintendents and operators by April 20. The survey to goes live on April 28 and schools will have through May 15 to complete it.

**Post Audit Conferences**

A reminder that Charter School Specialists and St. Aloysius require a post audit conference with all of our sponsored schools. The Auditor of State offers this upon completion of all community school audits. We view this as an opportunity to clarify or seek additional information prior to public release of the report on the Auditor of State website. The conferences are conducted via conference call. In addition to a representative from St. Aloysius and Charter School Specialists, treasurers, legal counsel, governing authority members, school leaders and operator/management company staff are welcome to attend.

Please contact Frank Stoy, Compliance Coordinator, [fstoy@charterschoolspec.com](mailto:fstoy@charterschoolspec.com) for additional information.

**Legal Update**

**Update regarding Title IX**

On January 20, 2021, the President of the United States signed an executive order titled "Executive Order on Preventing and Combating Discrimination on the Basis of Gender Identity or Sexual Orientation". This executive order led to the issuance of guidance documents from the U.S. Department of Education regarding the agency's interpretation of the executive order. These guidance documents were also submitted to the Federal Register becoming effective upon publication. These guidance documents indicated that all entities receiving federal funds from the U.S. Department of Education must comply with the agency's interpretation in those documents, or risk losing federal funds. In August of 2021, a multi-state coalition filed a lawsuit against the U.S. Department of Education challenging that the submission of the guidance documents to the Federal Register was procedurally and substantively unlawful under the Administrative Procedure Act of the United States. In July of 2022, the Federal District Court granted an Injunction against the U.S. Department of Education, prohibiting it from enforcing the guidance documents until the conclusion of the case. In September of 2022, the U.S. Department of Education appealed the injunction to the 6th Circuit Court of Appeals and the case is currently before the 6th Circuit Court of Appeals pending a hearing. As of the date of this article, the hearing for the Court of Appeals has not been scheduled. At this time, Ohio

community schools are not required to revise policies or procedures of the school to comply with the guidance documents issued by the U.S. Department of Education in 2021.

### Legislative Updates

Since the beginning of the new General Assembly (135th) there have been a number of bills introduced in the Senate and the House. For this month's Legislative Update, we will focus on three of the bills that have been introduced this year, Senate Bill 1, Senate Bill 17, and Senate Bill 30. These three bills were all introduced in the Senate and have passed the Senate and are now onto the next stage in the process of House of Representatives review. These three bills are the only bills related to Primary or Secondary Education that have passed either chamber of the Ohio Legislature. Senate Bill 1 proposes to rename the Ohio Department of Education as the Department of Education and Workforce Development (DEW), to create two deputy directors, one for Primary and Secondary Education and one for Career Technical Education and proposes to transfer most of the powers of the Superintendent and the State Board of Education to the Director of DEW. This bill passed the Senate on March 1 and was introduced into the House on March 7. Senate Bill 17 proposes to enact the Interstate Teacher Mobility Act which will have Ohio join a network of states to establish a collective framework for teacher licensure that will permit teachers to move to a teaching position more freely across state lines. This bill passed the Senate on March 8 and was introduced into the House on March 9. Senate Bill 30 proposes to allow students fourteen or fifteen years of age to be employed from 7:00 pm to 9:00 pm at any time of the year if the minor has approval to do so from a parent or legal guardian. This bill passed the Senate on March 8 and was introduced into the House on March 9.

There has also been a bill introduced that could have a significant impact on current community schools. This bill has been reviewed closely with Charter Schools Specialists, and Charter School Specialists is in support of this bill. Senate Bill 79 was introduced into the Senate on March 7 and was referred to committee on March 8. This bill is designed specifically for Drop Out Prevention and Recovery (DOPR) Schools. The bill proposes to have DOPR schools not only have the end of course exam testing windows established by ODE, but also to make the end of course exam available online at any time during the school year. The bill also proposes to create an advisory council to review all existing rules relating to DOPR schools; to restrict the issuance of any new guidance documents from ODE; to terminate all existing guidance documents from ODE relating to DOPR; and to require that all future rules and procedures adhere to the Administrative Process.

### Two St. Aloysius Schools Receive the Ohio Facilities Construction Commission Grant

Congratulations to Innovation Academy West and Patriot Preparatory Academy on being recipients of the Facilities Construction Commission Grant!

Innovation Academy West (IAW), located in Cleveland, was founded in 2001, and serves about 120 students in grades K-8. IAW was awarded \$1,000,000 and is very excited about the opportunity for expansion, enhancing its current programming to further meet student needs. The school will build a multi-purpose facility, creating spaces for a new STEAM lab, gymnasium, and community hub. Construction will begin this spring with a goal of completing the new space by the fall.

Patriot Preparatory Academy, founded in 2010, is a K-12 school on the east side of Columbus, serving over 700 students. Patriot was awarded \$3,265,978, the largest of the 8 grants. It will use the funds to build a 24,000 square foot, two-story addition, adding performing arts rooms, a library media center, classrooms, intervention room, staff lounge and a multi-use "cafegymnasium". The addition will connect to the current building via a two-story vestibule. Patriot plans to begin construction this summer, targeting completion by the fall of 2024. You can find more detailed information [here](#).

### Federal Programs Update

The end of ESSER II funds is quickly approaching. All funds must be allocated by September 30, 2024, and liquidated by January 2024. These funds will not carry over into FY24. The Stronger Connections Grant is due by April 1.

Reminder: All construction work funded by federal funds must follow the Davis-Bacon Act. The Davis-Bacon Act requires workers to be paid prevailing wages. It also requires the company completing the construction to submit proof of prevailing wages to the school for each pay period.

Schools should also review the remaining funds in Title I. The past few years, ODE has received permission from the federal government to allow 100% carryover in Title I funds without the requirement of a waiver. This year the 15% carryover rule will be in effect. This means that any carryover amount over 15% of the Title I allocation and additional funds will be swept from the school and returned to the state. Keep in mind that having funds swept or forfeited adds risk analysis points to the school. The higher the risk analysis points, the greater the likelihood of the school receiving either a desk audit or onsite audit in the following fiscal year. All other federal funds are able to be fully carried over. If you have any questions regarding federal funds, please feel free to contact Nannette Sherman at [nsherman@charterschoolspec.com](mailto:nsherman@charterschoolspec.com) or at (740)607-9174.

#### Data! Data! Data!

It is so important to constantly look at your students' data to help drive instruction in your school. If you are using the STAR assessment, below are some commonly used reports you may find helpful.

[Renaissance Webinars](#) (You can filter and find the STAR webinars. They have live or recorded webinars in "Getting Started," "Interpreting data," and "Enhancing Instruction," in both Reading and Math. There are also Renaissance U Webinars, with information on how to access it [found here](#).)

Commonly used reports in STAR:

1. [Star Record Book](#) – This report gives a quick overview of student's scores and benchmark placements of their most recent Star test.
2. [Star Screening Report](#) – This report shows a graph showing students' scores and benchmark data during a Screening Window. Below the graph you will see a list of students and their scores, along with what the scores are for students to achieve each benchmark category.
3. [Instructional Planning Report](#) – There is one report for an [entire class](#), and another report for [individual students](#). This report shows how your students scored against your state learning progression and shows the skills that the state suggests they work on.

next.

4. [Star Diagnostic Report](#) – This report shows where an individual student is scoring on different domains and is an excellent tool to help find where a student may need more instruction.
5. [Star Standards Mastery](#) - This report shows you the levels of mastery that students in a class have achieved in relation to your state standards, based on students' most recent Star assessments. It also gives you a prediction of what students' mastery levels will be at the end of the school year.

For more information or any questions you may have please contact Kerry Jupina ([Kjupina@charterschoolspec.com](mailto:Kjupina@charterschoolspec.com)) Please note: Many of the High Schools and DOPR schools will be contacted by Kerry within the next couple months for a visit to discuss planning for next year and any needs your school may have around CTE, Career Pathways, Industry Credential implementation etc. please look forward to that communication.

### 2022-2023 Annual School Hearing and Vision Reporting Is Now Available!

State law ([Ohio Revised Code 3313.69](#)) requires schools to conduct hearing and vision screenings of school children in the required grades (except those who qualify for an exemption) following testing methods and devices approved by the Ohio Department of Health (ODH). State law ([Ohio Revised Code 3313.50](#)) also requires schools to report annual hearing and vision screening data to ODH. This data is critical because ODH uses it to assess hearing and vision screening practices in Ohio's schools as well as to develop effective trainings for school nurses and other school screening personnel.

Please use the links below to submit your school's hearing and vision data for the 2022-2023 school year by June 1.

For questions regarding hearing screening guidelines, please contact Melissa Herrick at [Melissa.Herrick@odh.ohio.gov](mailto:Melissa.Herrick@odh.ohio.gov) or (614) 466-1995.
