HELP A TEEN TEST-DRIVE YOUR CAREER

At Two Rivers High School in North Bend, we offer students a peek into the working world BEFORE they make a college or career choice.

Our students give real jobs a trial run on Tuesdays & Thursdays at an internship they've set up in the area.

Internships are done during the day, 5-7 hours, and typically last for a quarter or school year.

WILL YOU PARTNER WITH US?

A little of your time and attention can make a big impact, plus you'll gain extra help twice a week at no cost.

Our students also learn about careers through field trips, shadow days and on campus guest speakers.
