Title I Part C-**Migrant Education**

What is the Migrant Program?

- The Migrant Education Program (MEP) was established in 1965 to reduce barriers and disruptions to the education of migrant students resulting from repetitive moves.
- The services offered by the MEP are coordinated with local, state, and federal education services, which ensure comprehensive, high-quality education programs.
- **MEP funds are exclusively for the benefit of migrant students and may not be used to support other projects that include non-migrant students.**
