

Homeless Act: McKinney-Vento Act

The McKinney-Vento Homeless Education Assistance Act was established to make sure homeless youth have access to a free and appropriate public education while removing barriers that homeless children face. Its goal is to have the educational process continue as uninterrupted as possible while the children are in homeless situations.

If you are homeless, lacking a fixed, regular, adequate nighttime residence, with school or preschool aged children please contact your child's school counselor or one of the individuals listed below for assistance:
