

Give yourself a pay raise.

Use transportation benefits to bring home more of your paycheck.

Who couldn't use a little more money? The Transportation Benefit is a great perk that saves you 40% or more! A Transportation Benefits Plan is a great way to reduce your commuting expenses by allowing you to set aside pre-tax money for qualified commuter and parking expenses you incur while getting to work. The pre-tax maximum contribution for Transit is \$130 per month and \$250 per month for Parking.

Transportation Benefit

Pay for transportation to and from work tax free. Common eligible expenses include transportation through train, bus, subway, and ferry. Up to \$130 per month can be contributed on a pre-tax basis.

Parking Benefit

Pay for parking at or near your regular place of employment tax free. Up to \$250 per month can be contributed on a pre-tax basis.

Simple Access to Your Funds

With the Benefits debit card, participants can pay providers at the time of service directly from their Transit and/or Parking account. If the parking facility does not accept debit card payments, participants may also pay out of pocket and then submit a reimbursement request. Participants may submit Parking claims to Discovery Benefits online through the consumer web portal. Parking and transit receipts are not required by Discovery Benefits to reimburse claims. We recommend that participants keep receipts for their own records. Sign up for free direct deposit to receive your reimbursement as quickly as possible.

Additional Plan Features

- 24/7 online account access
- Mobile apps and text alerts
- Single sign-on for all reimbursement accounts
- Participants can use the same debit card to access both parking and transit funds.
