For many students, the summer months are a critical time to continue skill development. Center Schools' Summer Program, in partnership with LaSalle University,

K through 8 and focuses on the development and retention of language skills.

Students will learn through hands-on activities built around this theme *Ancient Greece and the Olympics*. Reading, writing, listening and speaking skills are emphasized and students receive systematic and strategic instruction in phonemic awareness, phonics, fluency, vocabulary and comprehension. Literature, art, technology, research and writing are integrated to enhance the theme. Study strategies and organizational skills are also emphasized with older students.

The program maintains a low student-teacher ratio of approximately 4:1. Students are grouped according to age, strengths, and needs. The emphasis on small group instruction assures each student of individualized attention in a warm, welcoming environment.

All summer program teachers are certified and obtaining a Master's Degree in Reading or Reading Specialist certification. An experienced Reading Specialist serves as a supervisor in each classroom. Specialists and teachers work under the direction of LaSalle University professors and Center School.

# STEAM Fun Afternoons

## About

- > July 5-July 29
- > 12:00pm-3:30pm
- > Grades K-8

## Program Highlights

STEAM is based on the idea of educating students at any age level in five specific disciplines - **Science, Technology, Engineering, Art, and Mathematics** - in an interdisciplinary and applied approach. Students will explore activities that are engaging, multi-sensory, and reflect the fundamentals of STEAM instruction. The camp prepares students for the integrated STEAM demands and provides opportunities to research and experience STEAM careers. Students are provided the opportunity to express their originality and creativity.

Please pack a lunch and an afternoon snack for your child to enjoy.
