

# Welcome Back to School!!!

## Pine Road

Hello! This is Mrs. Juliano and I will be one of your teachers again this school year. I can't wait to see you either in person or virtually. Let's get this year started!!

When we return to in person school, we will all need to wear a mask. Here is one of my masks. Can't wait to see what your mask looks like.

Team 17, we are moving!!!!!!!!!!!!!!

We are leaving Room 17.....

and moving down the hall to Room 10.

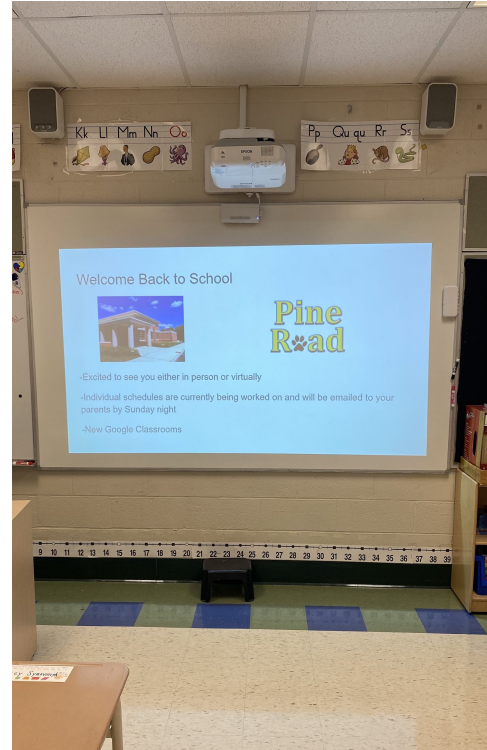

This is what our new classroom looks like. We have desks for each of you. The desks are 6 feet apart. Everyone will have their own sensory kits and materials because we can't share our classroom tools.

We also have an area to work one on one with our teachers. This area will be used when we need a quieter place to work or when we need help.

Look at our cool new interactive board. We will use this everyday for learning. Look, you can see the board from your desk.

Everyone gets their own cubby to hold their personal belongings!

Room 10 has a bathroom inside the classroom and a sink to wash our hands. We need to remember to be good germ fighters and keep our hands clean!

We might have moved classrooms, but we are still the same team! Go Team 10!!! Go!!!!!!

# Google Classrooms

Please know your Individual schedules and new Google Classrooms are currently being worked on and information will be emailed to your parents.
