

Grades 2-4 Hands-on Math Activities

1. Use play money to practice counting coins and bills. (You can use the following website to print off money worksheets if you do not want your children touching real money and don't have play money. www.math-aids.com)
2. Roll a Number-Roll two dice. Identify the number. Identify the number in the tens and ones columns and write an addition problem.
3. Double Digit Addition and Subtraction Tic Tac Toe-Create a Tic Tac Toe game board. Create and write your own double digit addition and subtraction problems. Take turns solving the problems while you play Tic Tac Toe.
4. Multiplication-Use Uno cards or a deck of playing cards. You will only need the number cards. Take turns choosing two cards and multiply the numbers. Each player will earn a star for each problem they solve correctly. The first person to ten stars wins the game.

$\begin{array}{r} 51 \\ -28 \\ \hline \end{array}$	$\begin{array}{r} 32 \\ -17 \\ \hline \end{array}$	$\begin{array}{r} 62 \\ -35 \\ \hline \end{array}$
$\begin{array}{r} 76 \\ -18 \\ \hline \end{array}$	$\begin{array}{r} 43 \\ -25 \\ \hline \end{array}$	$\begin{array}{r} 46 \\ -9 \\ \hline \end{array}$
$\begin{array}{r} 90 \\ -39 \\ \hline \end{array}$	$\begin{array}{r} 55 \\ -16 \\ \hline \end{array}$	$\begin{array}{r} 81 \\ -48 \\ \hline \end{array}$
