Committee Reports

Audit Committee - Met with external auditors and mentioned that further discussion is needed in the way tax certs are processed.
Facilities Committee - Going over punch list to open schools and will be inspecting buildings. High school locker rooms are all set and school sports have already started using the lockers rooms. Landing boiler project is close to being completed. Next meeting scheduled for 9/5.
Policy Committee - Have not met yet, will set a date.
Technology Committee - Have not met yet and can't set a date until the other committee member is present to reschedule. Dr. Israel to work on a meeting date with the committee.

Superintendent's Report

Sports have started and our high school marching band is practicing very hard. They went to the Columbus Day parade last year and are aiming for a first place this year. We had our summer of success program, curriculum writing and our teachers are prepping their classrooms. Our custodial crew has worked hard this summer to get all our schools ready and our PTA provided a fating brunch so thank you to them, there were a lot of homemade treats.
