Committee Reports

Audit Committee - We had a presentation from the internal auditors and they had some preliminary findings in the area of purchasing. We also took a look at the bids for the external auditors and we will be discussing that at a later time.
Facilities Committee - Nothing to report at this time.
Policy Committee - We have a reading tonight with a possible adoption and we have a meeting in March.
Technology Committee -The next meeting is scheduled for this Wednesday. Nothing new just a lot of field trips.

Superintendent's Report

Commendations:

Horace Townsend was honored for saving a child in the middle school who was choking. Mr. Iocolano made a brief statement as to the events that took place that day when the child was choking and how Mr. Townsend had already reacted while others were trying to get to the location to give assistance and saved that child's life. Mr. Townsend was thanked for his unselfish and quick thinking demeanor. He was presented with a plaque and a certificate from the Board of Education and the school district for his heroic efforts. Mr. Townsend expressed thanks to the school district and also stated that the district trained him as well as other personnel in the Heimlich maneuver and CPR.

Presentations:

Middle School Research Program: Nelson Iocolano gave a brief description of the process to develop the research program and then turned it over to Mr. DiNapoli who heads the program. Mr. DiNapoli went over the process of the research program and how the students selected their topics. Two of the students, Matthew Gasparello and Kylie Paul, presented their researched topics.

2015-2016 Budget Presentation by Victoria Galante. Copies of the presentation were available to the audience. Questions were asked by both the Board of Education and members of the audience.

Updates

Our boys' basketball team played on February 13th and lost by a margin. Our girls'

basketball team played on February 14th, and heard that it was a nail bitter winning by one point. The girls Tuesday night game was phenomenal, they worked so hard and ended up losing by one point. Our robotics team continues to bring honor to our district. They were recognized this weekend again for an outstanding performance and they made this weekend's Newsday. Our rifle team won a county championship and will be competing in the states this Saturday. Had mentioned at our last meeting that our students in the select choral have been invited to sing at the Vatican in January of 2016 at the mass of the Epiphany. They will also be performing at the Sistene Chapel. The superintendent has put out some fundraising letters already and will continue to do so.
