--

Discussion Items

Primary District Goals for the 2012 - 2013 academic year:

a. The district will significantly improve the percentages of students meeting or exceeding state proficiency standards (levels 3 and 4) in English Language Arts and Math assessment tests in grades 3 through 6 using the baseline data trend lines for the years 2005 – 2006 through 2011 – 2012 as the basis for future improvement.

b. The district will significantly improve (a) the percentage of students graduating from Glen Cove High School; (b) the percentage of students earning a regents diploma with advanced distinction; (c) and the percentage of students reaching a college preparedness performance level (80% or higher on Math regents and 75% or higher on English regents) using the baseline data trend lines for the years 2005 – 2006 through 2011 – 2012 as the basis for future improvement.

c. The district will significantly improve the number of students taking Advanced Placement courses and improve significantly the AP test scores at the 4 and 5 levels of achievement using the baseline data trend lines for the years 2005-2006 through 2011-2012 as the basis for future improvement.

d. The district will complete the alignment of the grade level curricula with the common core standards resulting in a consistent and incremental improvement of scores on the state's grades 3 – 8 ELA and Math assessments (please refer to the attached summative status report).

Open Session: During open session the members of the audience had the opportunity to ask questions and make comments on any items of their choosing.

The next meeting is scheduled for Monday, September 24, @ 8:00 p.m., High School.
