#### Superintendent's Report:

*Dr. Laria spoke to the members of the audience with their concerns and stressed the critical issues that will need to take place with our state aid being cut. This is a situation that is occurring everywhere and wants the community to understand that some things will need to be put into place and adjustments made in order to make it through these difficult times.*

| Our director of athletics/physical education and health, <b>Denise Kiernan</b> , has been recognized by the Association of Athletic Directors and Administrators in charge of health, physical education and recreation. She was recognized and given the leadership award for the Nassau Zone for her hard work and dedication and she represents the district extremely well.                                                                                                                                                 |
| The <b>High School Key Club</b> collected over 100 coats and delivered them to the pickup site downtown to be cleaned and distributed for needy children in Nassau county. They also made sandwiches for the North shore sheltering program in Glen Cove. The North Shore Sheltering Program provided twenty (20) people in the community with food and shelter and Mrs. Cuomo herself took the time to purchase materials for the sandwiches that the students volunteered their time to put together in the school cafeteria. |
| At <b>Gribbin</b> , we had a grade 2 student who thought of a technology game and wrote it up and a lot of students were involved in that process.                                                                                                                                                                                                                                                                                                                                                                              |

At Connolly, we have a number of students just in the month of January who participated in the Nassau Music Educators Association All County Festival they sang at the Islanders game and performed at a musical at the Tilles Center. Also at Connolly we had students who were officially writing in the Newsday / Kidsday section of the paper.

Open Session: During open session the members of the audience had the opportunity to ask questions and make comments on any items of their choosing.

The next meeting is scheduled for February 7, 2011 @ 8:00 p.m., R.M. Finley Middle School
