

**Glen Cove City School District - Board of Education - Brief of Meeting**  
**Meeting Date: September 8, 2008**

**Presentation to the Board:**

**Mr. Joseph Jenal** and **Mr. Tim Lieber** from BJLJ Engineers & Architects, P.C. and **Mr. John Moseley** from Moseley Associates presented an overview of the Roof Condition Report that focuses on the roofs at the High School, Gribbin School and Deasy School, respectively. They addressed questions from Board members and members of the audience regarding their findings and recommendations.

**PERSONNEL ACTIONS**

| Name                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | Board Action |
