Year to year comparisons

- According to NYS, it is not feasible to make direct comparisons of year to year data. Although, we are attempting to measure student progress and preparedness for college and careers, the changes to the tests this year- unlimited time, reduction in the # of questions, etc. and the number of opt outs makes this comparisons between years invalid.

Local Assistance Plan

- This year, FMS and Landing School were designated as LAP schools which required a Local Assistance Plan based on a subgroup of Special Ed students not making adequate yearly progress for the prior year in Math. We have completed this self-review and it is posted on our website. Furthermore, staff development activities for general education and Special Ed teachers have been planned to support our students and the new Integrated and Co-Teaching model this year will provide additional support.

GCSD will be administering Renaissance Star Reading and Math Assessments this year for students in Kdg – Gr. 8
