

2023 Field Trip Information Sheet

Based on the following Health and Sanitation Rule - a Field Trip may be canceled and not rescheduled due to the Air Quality Forecast for the day of the trip because we must travel on activity buses to get to our destination. 15A NCAC 18A .2832 OUTDOOR LEARNING ENVIRONMENT AND PREMISES (D) If a daily AIR QUALITY FORECAST is made by the Division of Air Quality of the regional air quality agency for the county where a center is located, outdoor activity for children shall be restricted as follows: On days with a code ORANGE(unhealthy for sensitive groups) forecast , children shall not be outside participation in physical activity between noon and 8:00 pm for more than one hour. On days with a code RED(unhealthy) forecast, children shall not be outside participating in physical activity between noon and 8:00 pm for more than 15 minutes. On days with a PURPLE (very unhealthy) forecast, children shall not be outside participating in physical activity between noon and 8:00 pm. Provisions shall be made to allow children with diagnosed asthma or with coughing or wheezing symptoms to participate in physical activity indoors on days with a code ORANGE, RED OR PURPLE air quality forecast.
