Debt Transparency Pledge

In an effort to introduce more transparency into local spending and debt obligations, Kilgore Independent School District pledges to post details about the entity's bond and debt information on the entity's website no later than one business day after the public notice of a bond election. This information will include details about the bond package(s) up for vote and current outstanding debt obligations including bonds, certificates of obligations and other debt, and the date of the election.

Kilgore Independent School District further pledges to notify the Comptroller's office via e-mail to Transparency@cpa.state.tx.us when bond election information has been posted to the entity's website. The e-mail will include a link to the bond election information.
