Travel for Minors

Airlines vary on the minimum age of travel for unaccompanied minors. Please check this with the airline before booking your tickets.

If your child is travelling to Felsted for their first arrival alone, please ensure that this information is completed correctly within the New Joiner Pack so that arrangements can be made for airport collection. If this information changes prior to arrival, please inform Gemma Kilby, intadmissions@felsted.org.

Once with us, students will have access to our online travel system into which they will be expected to enter their flight details, so that our coordinators can organise taxi transfers to the relevant airports. Where possible, students share taxi travel and costs will be added to the School bill.

Visas and Related Requirements

It is of extreme importance that students who require a visa to study in the UK, obtain this before entering the UK.

The International Admissions Office will contact you to request documents in order to organise a Confirmation of Acceptance for Studies (CAS) number for you to process your Child Student visa application before you start at Felsted.

On arrival at the School, you will be required to present a valid visa and passport and we will take a copy of this for our records. Failure to do so may result in not being able to start your education at Felsted. All passports and visas will be reviewed annually.

It is important that any changes to contact details, guardian, passport or visas are communicated to us immediately during your time at Felsted.

While a sponsored pupil is in the UK, it is imperative that the School knows where they are, even if they are with family or friends during the holidays. This is a UK Home Office requirement that we must adhere to. Therefore, we ask that parents keep their child's House Parent informed on this point throughout a pupil's time at Felsted.

Guardianship

A Guardian is a nominated person in the UK, who is expected (if required) to act on behalf of parents who are overseas. In appointing a guardian, parents do not remove themselves from our loop of communication or lose any of the responsibility of being a parent; rather,

they are making a trusted contact in the UK, who should be available at a moment's notice to assist their child when needed.

We hope that it is a source of comfort to families to know that, along with the excellent care provided by Felsted School, our students have another responsible adult nearby to help them to navigate the challenges inevitably faced in moving overseas for their education and to support them when it is required.

Who needs to have a Guardian?

Pupils whose parents do not reside in the European Economic Area (EEA)

All pupils whose parents reside outside of the EEA must have a guardian for the duration of their time at the School.

Pupils whose parents do not reside in the UK, but are within the EEA

All pupils in year groups up to and including Year 11, as well as any sixth form pupils under the age of 16, must have an appointed guardian that includes all of the responsibilities on page 3 of this document.

Sixth form pupils over the age of 16 whose parents reside in the EEA are required to have guardianship that, as a minimum, provides:

- a 24-hour emergency point of contact throughout the School term
- to be able to accommodate the Pupil in an emergency or if the Pupil is required to be away from School or unable to be in School during term time
- to arrange (via the School if appropriate) travel to and from School in the event of an emergency and if parents are unable to do so

Who can be a guardian?

At least one responsible person over the age of 25 permanently resident in the UK must be appointed as guardian for any pupil whose parents reside outside of the UK. All pupils should have a guardian that falls into one of the following categories, as per our Parent and Guardians Relationship Policy:

- A guardian who is accredited by AEGIS (The Association for the Education and Guardianship of International Students) as an AEGIS Gold Standard Guardian.
- A guardian who is accredited by AEGIS under Preliminary Accreditation. Preliminary Accreditation is valid for two years. After this period, we expect guardians to move to Gold Standard accreditation. Guardians who remain under Preliminary Accreditation after the initial two-year period will only be able to remain as Felsted guardians in exceptional circumstances and with the agreement of the Head.
- An immediate family member or family friend that meets the School's guidelines, as set out in the Policy. A guardian who is a family friend may only act as guardian for one family.

Please note the requirements for who can be a guardian may be subject to change,

dependent on any changes in regulation by the UK Department for Education. In the event of any updates to regulation, we will communicate this to families and guardians.

Further Guidance on Guardianship

It is the responsibility of parents to satisfy themselves as to the suitability and availability of a prospective guardian, and to notify the School of any changes to the student's guardianship arrangements whilst at the School.

Our guardianship form can be found with your induction pack link and includes details of the expectations of a guardian.

Please note that pupils will routinely be asked to complete a satisfaction survey relating to their guardianship experiences and parents may also be consulted.

Arrivals at Felsted

Prep School - Reception to Year 8

Please use the information in the Prep School Handbook to help organise your arrival at Felsted School. If your child will be arriving in the UK alone, please provide their flight details to Gemma Kilby, intadmissions@felsted.org, so that transport can be organised for them from the airport to the School. The cost of airport transport will be added to the School bill.

Senior School - Year 9 to Year 13

Students joining our Senior School are expected to join our LEAP week. The LEAP week takes place one week before the start of term with an arrival time of 8:30 - 10:30am on **Tuesday 29th August**.

Please note that further information will be sent to you regarding LEAP prior to the summer break.

Miscellaneous

Uniform and Name Tapes

We will organise an appointment for your child at the Tailor's Shop during the LEAP week; however, please note that this will not be on the arrival day. Our LEAP team will help pupils in arriving at the Tailor's Shop for their appointment and the Tailor's Shop team will guide them through their appointment.

Name tapes for overseas pupils will arrive in School, ready for pupils to collect at their Tailor's Shop appointment - our Matrons will help pupils to sew in any labels they may need. You may wish to label your child's casual clothes before they travel to Felsted using labels sourced locally to you.

Electrical Equipment

Please note that all electrical equipment is tested by the School in the Autumn Term. If you are using adaptors on any personal electrical appliances, please only use those that confirm to the British Standard 7671. If you are uncertain of this, the correct adaptors are available from the School Bookshop.

Dictionaries

As some students will be eligible to use bilingual dictionaries in examinations, it is recommended that Years 9-11 and Lower 6th A Level students purchase a bilingual dictionary (medium sized) before arrival. The EAL Department is also able to order one for your child, the cost of which will be added to your school bill.
