Advanced degree and NBCT pay shall be paid in equal monthly installments over the course of the school year.

### **Summer School**

Regular employees who teach summer school shall be compensated at the agreed upon hourly rate of pay. (See Salary Schedules)

A bargaining unit member will be compensated at the rate of \$70/night for chaperone pay if the employee does not receive Advisor/Coordinator pay for duties related to the overnight trip. For example, the CSF Advisor would not receive chaperone pay for the College Tour and the Fifth Grade Trip Coordinator would not receive chaperone pay for overnight trips.

## **Extra Duty Positions**

Extra duty positions are defined as services performed to lead and direct student activities and athletics that occur outside of instruction and require additional time and responsibilities. The District will annually determine extra duty assignments each school year and which extra duty assignments shall be filled. Compensation for extra duty assignments will be as specified in the Extra Duty Stipend Schedule.

Applications from current employees will be considered for ability to meet the qualifications set by the District for the position, prior to considering applications from other non-certificated District employees or community members.
2. Payment: For season teams, at the end of the regular season and when coaches have fulfilled all obligations of the position, including collecting uniforms and equipment, turning in inventory, turning in a list of students who did not return equipment or uniforms, and completing required forms and paperwork, the principal shall authorize release of payment within five (5) work days.

  - b. Annual extra duty pay, other than coaching, will be paid in ten (10) equal monthly installments as earned September through June.
  - c. Should coaches or advisors share an extra duty assignment, the amount paid shall be divided between those coaches or advisors.

D. **Salary Schedule Placement.** Salary schedule placement and crediting of additional course work for salary schedule placement shall be governed by the rules in "Salary Schedule Policies" below. Step and column advancement is recognized as an additional financial liability to the District's budget.

## **Salary Schedule Placement and Policies**

### **Initial Placement**

- A. For purposes of initial placement of newly hired employees on the Certificated Salary Schedule, the following shall apply:
  1. Placement on the first step of the appropriate column on the Certificated Salary Schedule is based on the possession of an appropriate credential and/or completion of a Bachelor's Degree from an accredited college or university with no additional approved units and with no creditable years of teaching experience.

- a. The Superintendent is responsible for approving or disapproving all units that are offered for initial placement. Satisfactory completion of each unit of college credit with a grade of "C" or better is required for initial placement beyond Column A. "Pass" or "Credit" is acceptable when letter grades are unavailable.
2. A maximum of seven years of previous teaching experience shall be granted for teachers entering the District for the first time (placement at Step 8).
  - a. A minimum of 75% of the teaching days of the year must be completed for one year's credit. A year of service is defined as working 75% of the year required of full-time certificated employees.
  - b. A part-time employee who teaches less than 75% of a regular daily instructional assignment shall accumulate pro rata service credit until one year of service, as defined, is accrued. Such earned credit shall be applied in one-year increments at the beginning of the appropriate school year.
  - c. After initial credit is given, year-for-year credit shall be given for additional experience in the District.

### **Credit for Additional Course Work**

- B. All college credits and years of experience previously approved by the Coast Unified School District shall be credited for placement on the Certificated Salary Schedule as of July 1, 1997, for all employees of either predecessor district who become employees of the District on July 1, 1997.
- C. Units submitted for advancement on the Certificated Salary Schedule shall be credited as they are earned subject to the conditions specified in this paragraph. The Superintendent is responsible for approving or disapproving all requests for additional coursework that is intended for advancement.
  1. Satisfactory completion of each unit of approved college credit is required to advance from one column to another. Units to be credited for advancement shall be related to the employee's assignment. The Superintendent may approve courses that are not related to the employee's assignment but that, in the Superintendent's opinion, lead to the employee's improvement of classroom instruction, job performance, or additional educational credential or degree.
    - a. Courses to be credited for advancement must be recommended for approval by the employee's principal prior to beginning the course. Approval may be granted after the beginning of the course, at the Superintendent's discretion.
    - b. The units must be upper division or graduate level courses. An employee may request credit for a lower division course which is applicable to the employee's current assignment. Approval shall be on a case-by-case basis, and no approval shall set a precedent.
    - c. Satisfactory completion of each unit of approved college credit with a grade of "C" or better is required to advance from one salary column to another. "Pass" or "Credit" is acceptable when letter grades are unavailable.
  2. An employee who attends a conference/workshop may receive salary unit credit if the employee pays the tuition and all related costs (e.g., travel, meals, lodging, registration fees, etc.) and has received permission in advance to take the units as provided by District procedure. An employee who attends a conference or

workshop during duty hours under the conditions set forth in this paragraph will not be required to pay for a substitute or to forfeit the pay for the day or days of attendance.

3. Units and degrees will be accepted only from accredited colleges and universities. Units are defined for the purposes of this Appendix as semester units. Three quarter units equal two semester units.
4. An employee who anticipates a column advancement for the following school year must notify the Superintendent's office by March 1 of the preceding school year on a form (Certificated Employee Notification of Column Advancement) provided by the District). An official transcript of courses completed, an official grade card, or a statement signed by the instructor or the registrar of the college or university that the course has been satisfactorily completed will be required no later than the last workday before September 10 to be applicable for advancement purposes for the school year. Failure to observe the March 1 or September 10 deadline shall cause the crediting of the units to be held to the next school year.

E. **Calculation of Daily Rate of Pay.** An employee's daily rate of pay shall be determined by dividing the employee's annual salary according to placement on the Certificated Salary Schedule, by the mandatory work year for the employee's position, as stated in Article 7 – Work Year.

F. **Payroll Schedule.** Employees shall be paid on a monthly basis no later than the last workday of the month, except for the month of December, when the date shall be the first business day of January. Employees who have a mandatory work year of 184 days shall be paid on a 10 month basis. Employees who have a mandatory work year of more than 184 days shall be paid on a 12 month basis.

G. **Payroll Deductions.** The District agrees to process employee payroll deduction requests for:

1. Association membership dues;
2. Credit Union;
3. Tax-sheltered annuities;
4. Employee contributions for premiums of insurance plans offered by the District;
5. Charitable donations approved by the Board of Trustees of the District;
6. Savings Bonds; and
7. Other programs approved by the District or the San Luis Obispo County Office of Education.

H. **Mileage.** Employees specifically required by the District to use a personal vehicle to fulfill a work assignment shall be reimbursed at the rate approved by the Internal Revenue Service effective January of each year.

1. Employee travel between home and work sites is exempt from reimbursement. Reimbursement shall be payment in full for all costs of vehicle operation, maintenance, repair, and insurance costs.
2. The District provides insurance coverage required by Education Code Section 35208.

3. The District shall reimburse itinerant teachers for mileage based on the applicable IRS rate of reimbursement. The District shall establish a map of distances for calculating reimbursement.

I. **Compensation for Part-Time Work.** An employee who is assigned to teach less than a full-time teaching assignment will receive compensation based on the ratio of the part-time teaching assignment to a full-time teaching assignment. The employee's proportional rate of pay shall be based on the employee's placement on the Certificated Salary Schedule.

1. For Cambria Grammar School, compensation for a part-time assignment shall be computed on the basis of the percentage of assigned student contact minutes at the grade level in relation to assigned student contact minutes at the same grade level for a full-time teacher. For Specialist teachers, the percentage shall be determined by the ratio of assigned student contact minutes to 308.
2. For departmentalized school sites that have a traditional period schedule (e.g., Santa Lucia), compensation shall be based on the periods of instruction assigned to the part-time assignment - e.g., when a full-time teaching assignment is six periods of instruction, a three-period teaching assignment is compensated at 50%; when a full-time assignment is five periods of instruction, a three period teaching assignment is compensated at 60%.
3. For departmentalized school sites that have a two-day/eight-period "block" schedule (i.e., Coast Union), compensation shall be based on the number of instructional periods assigned to the part-time position in two days in relation to the number of instructional periods assigned to a regular full-time position in each two-day period - e.g., when a full-time teaching assignment is seven periods of instruction and one conference/preparation period over each two-day schedule, a three period of instruction assignment is compensated at 50%; under the same two-day schedule, a five period of instruction assignment is compensated at 83%.
4. A part-time employee who is assigned to substitute for another teacher shall be compensated at the hourly rate of pay, and hourly rate of period shall be adjusted for block period.

J. **Compensation for Regular Extended-Day Assignment**

1. An employee who is assigned to teach during their preparation time shall receive additional compensation equal to 17% of the employee's base salary for the period of time that the employee teaches during their conference/preparation period.
2. Employees who are required or volunteer to provide middle school and/or high school substitution during their preparation time shall be compensated at the agreed upon hourly rate of pay as reflected on the current salary schedule. Volunteers shall be sought before any employee is directed to substitute during their conference/preparation period.
3. An employee who is assigned to teach a regular class period before or after the instructional day, in addition to the employee's required full-time assignment, shall receive additional compensation equal to 17% of the employee's base salary for the period of time that the employee teaches the additional class.

**K. Compensation for Additional Preparations** An employee who teaches at Santa Lucia Middle School or Coast Union High School and who is assigned to four preparations shall receive additional compensation equal to 2% of the employee's base salary for the time period in which the employee is assigned the four subject area preparations; five subject areas shall receive additional compensation to 3% of the employee's base salary. If the employee is scheduled with six or more subject areas preparations, they shall receive an additional 4% of the employee's base pay. If the number of assigned preparations changes for the second semester, the employee's pay shall change accordingly. Subject area preparations shall be counted as follows:

1. Each full year's curriculum for a subject is one preparation (e.g., Art I and Art II, are separate preparations).
2. A "Sheltered" class in a subject designed especially for non- and limited-English students is one preparation (e.g., English I and Sheltered English I are separate preparations).
3. An "Advanced Placement" version of a class is one preparation (e.g., U.S. History and Advanced Placement U.S. History are separate preparations).
4. A period that contains a combination of first-year students with second- and/or third-year students, is one preparation unless there are five or more students in each level.

**ASB Activities Coordinator.** The Parties agree that the teacher teaching the ASB activities class and serving as the ASB Activities Coordinator shall be entitled to one non-student period and the extra duty pay as specified in Extra Duty Stipend Schedule but not the 2% additional compensation specified in Article V.

5. Counselor/Advisor periods do not count as a preparation (e.g., Career Center, Advisor, Peer Counseling, Counselor).

**L. District-Owned Tech Device.** An employee shall not be financially responsible for the loss, damage or theft of a District-owned device.

**M. Hourly Rate. Overtime Hourly Rate.**

The hourly rate of pay shall be \$35/hour and will include all extra duty pay for all bargaining unit members outside of regular contracted hours, including summer school, substitution during preparation time (\$57/block period), any professional development, etc.

**N. Tax/Retirement Liability.** Neither the District nor the Association make any representation or warranty with respect to the tax or retirement consequences of this Agreement, including but not limited to, whether or how specific forms of compensation are creditable for retirement purposes. Unit members shall be responsible for their own tax and retirement planning.

**O. LCAP.** The parties recognize that funding and expenditures are guided by the District's Local Control Accountability Plan ("LCAP") and that the guiding principle of all expenditures should be improving or increasing services to students.

## **ARTICLE VI (6)**

### **HEALTH AND WELFARE BENEFITS**

- A. **Health and Welfare Benefits.** The District shall provide eligible full-time bargaining unit members and their eligible dependents with health, dental and vision insurance. Dependent eligibility shall be determined by the District's providers in accordance with all requirements of law, as such requirements may change from time to time.
1. **Benefit Carriers.** The District contracts with Self Insured Schools of California ("SISC") for the administration of health benefits.
  2. **Plan Participation.** All employees, whether full or part-time, that are required by SISC to participate in the District's health, dental and vision plans must do so.
  3. **District Contribution.** The District's contribution for all medical, dental and vision benefits for eligible full-time bargaining unit members and their eligible dependents shall be \$9,236.80/employee/year. All costs in excess of the District's contribution shall be paid by unit members via payroll deduction on a monthly basis.
  4. **Section 125 Plan Option.** The District shall provide eligible unit members the option of participating in an IRS Section 125 Flexible Benefit Plan.
  5. **Selection of Plans.** The Association shall be notified of plan offerings as soon as they become available for the upcoming school year. The District and the Association shall annually select medical, dental, and vision insurance plans from available plan options. Commencing with the 2016-17 school year, at least one plan option shall be a plan that meets the affordability requirements of the Affordable Care Act ("Act") to ensure District compliance with the Act without penalty. The Association and the District shall meet with other employee groups to coordinate plan options on a District wide basis. If no agreement is reached regarding non ACA required plan options prior to the deadline imposed by SISC, plan options shall remain unchanged.
  6. **Part-Time Unit Members**
    - a. **Part-Time Defined.** For purposes of this Article, a part-time unit member is a unit member who works less than a full-time assignment (i.e. less than a 1.0 FTE).
    - b. **Part-Time Unit Members Working 50% of More.** Part-time unit members working 50% or more of a full-time assignment shall be entitled to a pro rata contribution toward health and welfare benefits. Any expenses in excess of the District's contribution will be paid by the unit member via payroll deduction on a monthly basis.

- c. **Part-Time Unit Members Under 50%.** Part-time unit members working less than 50% of a full-time assignment shall not be entitled to any District contribution towards health and welfare benefits, but may participate in any fringe benefits offered to a full-time employee on a self-pay basis so long as all premium payments are paid in advance in a timely manner as required by the District and the District's benefit carriers.
  - d. **Option to Decline Coverage.** Part-time unit members may decline to participate in the health, dental and vision plans offered by the District if allowed by the District's benefit carriers.
  - e. **No Cash in Lieu.** Part-time unit members shall not be entitled to receive cash in lieu of participating in the District's health benefits program.
7. **Employment Termination.** Unit members shall be entitled to a District contribution toward benefits until the last day of the month in which the unit member's employment terminates. Thereafter, the unit member shall only be entitled to continued coverage on a self-pay basis as provided by COBRA or as authorized by law and only so long as all the premiums are paid in advance as required by the District's benefit carriers.
8. **Enrollment Requirements.** Eligible unit members shall, along with their eligible dependents, enroll for coverage within 30 calendar days of the unit member's initial employment and within 30 calendar days of any change of circumstances as may be required by the District's benefit carriers or by law. Eligible unit members are responsible to timely complete all required documents. The date of initial coverage shall be subject to the District's benefit carriers' rules, regulations and requirements. An employee who fails to enroll during the first 30 calendar days will be placed on the least expensive medical plan available and deductions will be made from the employee's pay to cover any required contribution.
9. **Unpaid Leaves/Coverage Termination.** Unit members placed on unpaid leaves of absence or who are otherwise in unpaid status shall not be entitled to a District contribution toward health and welfare benefits during the period the unit member is in unpaid status unless otherwise provided by law. The District's contribution shall cease on the first day of the month following the employee's placement on unpaid leave, unless otherwise provided by law. However, the unit member may participate in any health and welfare benefits offered to full-time unit members on a self-pay basis so long as such participation is permitted by the District's carriers and all premiums are paid in advance as required by the District's benefit carriers.
10. **Spouse and Dependent Eligibility Upon Death of Unit Member.** Spouse and dependent eligibility for a District contribution toward benefits ceases upon the death of the unit member; however, a spouse or eligible dependent may participate in any health and welfare benefits offered to full-time unit members on a self-pay basis so long as: (a) such participation is allowed by the District's benefit carriers' rules, regulations and requirements; (b) all premiums are paid in advance as required by the District's benefit carriers; and (c) so long as participation is permitted by law.

11. **Participation After Retirement.** Retired unit members are not entitled to a District contribution towards benefits. However, an employee who has retired from the District and enrolled in the California State Teachers Retirement System (“CalSTRS”) and their eligible spouses and dependents may continue to participate in any health and welfare benefits offered to full-time units members on a self-pay basis without a District contribution to benefits so long as: (a) such participation is allowed by the District’s benefit carriers’ rules, regulations and requirements; (b) all premiums are paid in advance as required by the District’s benefit carriers; and (c) so long as participation is permitted by law. If the retiree does not pay premiums in advance, the District may terminate the retiree’s health and welfare benefits.

The Superintendent will communicate the Association’s recommendation to the Board of Trustees by the April board meeting. The parties may develop a work calendar for more than one school year.
  2. If there is a conflict involving calendar recommendations, the District and Association agree to meet prior to April 1 in an attempt to resolve the matter. If the conflict relates to recommendations from classified employees, the classified exclusive representative will be invited to the meeting.

### **Work Year**

- B. The work year shall consist of one hundred and eighty (180) instructional days, three (3) professional learning days, and one (1) teacher work day for a total work year of one hundred and eighty-four (184) days. The counselor work year shall be two hundred and seventeen (217) days.

Classroom teachers that teach classes on at least two (2) CUSD campuses receive a one-time stipend of \$250 per semester. Stipends to be paid in the usual manner that other stipends are paid as determined by the Business Office.

## **ARTICLE VIII (8) CLASS SIZE**

### **Planning and Development of the Master Schedule**

A. The District shall involve employees in the planning of the master class schedule for Fall and Spring. In developing the master schedule, the District will attempt to place no more than 35 students in English, social studies, science, and foreign language classes. If a class in one of these areas has more than 35 students by the end of the fourth week of each semester, the employee may meet with the principal to discuss ways to reduce the size of the class.

### **Average Class Size**

B. Overall class size, which includes classes in all subject areas, shall be maintained for each semester at an average of 30 students or less.

## **ARTICLE IX (9) EVALUATION PROCEDURES**

### **General Provisions**

The chief responsibility for formal teacher evaluations shall be that of the principal or supervisor of the site where the teacher works ("primary evaluator"); however, this responsibility may be shared with the Superintendent or an administrator designated by the Superintendent. For teachers who teach at more than one school site ("Itinerant

Classroom Teachers”), the District shall designate a primary evaluator who shall be responsible for the teacher’s evaluation but who may obtain input from other administrators familiar with the teacher’s work.

**B. Evaluation Criteria**

Employees will be evaluated according to the most current form of the California Standards for the Teaching Profession (“Standards”), designated goals and objectives, at least one formal classroom observation, and all other criteria required by law. The current California Standards for the Teaching Profession, the Goals Worksheet, the Formal Observation Form, and the Summary Evaluation Form are attached as separate appendices.

**C. Goals**

Annual teacher goals shall be established by the teacher’s primary evaluator. (See Goals Worksheet). The evaluator and employee may mutually agree on specific Standard(s) for the scheduled observations. Nothing in this Article will be construed to require the evaluator to rate the employee on all Standards during a scheduled observation.

Within the first sixty (60) calendar days after the first day of instruction during the year in which an evaluation is scheduled to take place, the employee and the employee’s primary evaluator shall meet to discuss the employee’s goals and objectives. Employees who are hired after the beginning of the school year or whose job duties were materially modified during the school year will have up to sixty (60) calendar days after their start date or the material modification of their job duties to work with their primary evaluator to complete their goals and objectives.

**D. Classroom Observations**

Each evaluation shall include at least one formal classroom or service observation lasting at least thirty (30) minutes or one complete lesson, whichever is longer. The employee shall be notified via email at least three (3) workdays in advance of a formal observation. Informal observations may occur at any time without any advance notice. Classroom observations need not address all of the California Standards of the Teaching Profession nor need they address all of the established goals.

**E. Evaluations**

An employee subject to evaluation shall receive a written evaluation in accordance with time lines established by law (currently thirty (30) calendar days before the last instructional day on the school calendar). The primary evaluator shall meet with and discuss the evaluation with the employee. The evaluation shall be placed into the employee’s personnel file.

**F. Frequency**

Probationary employees shall be evaluated in writing at least once each school year. Permanent employees shall be evaluated in writing at least once every other year. Nothing in this Article shall limit the District’s right to evaluate a unit member more frequently.

**G. Acknowledgment**

Employees are required to sign and date all formal written observations and evaluations. The employee’s signature does not mean the employee agrees with the contents of the

form, but signifies that the employee received, read and understood its contents. A copy of each formal observation and the employee's final evaluation will be placed in the employee's personnel file. The employee being evaluated has the right to receive a copy of the evaluation. Employees have a right to respond to their evaluation, either verbally or in writing. Any written response will be attached to the employee's evaluation and included in the employee's personnel file.

#### H. **Unsatisfactory Evaluations**

If an employee is rated "unsatisfactory" in any Standard, the evaluator will provide the following in writing to the employee for each "unsatisfactory" Standard:

1. Recommendations for improvement.
2. If applicable, additional resources the District will make available to assist with improvement.
3. Time schedule for monitoring the employee's progress.

If an employee is rated unsatisfactory in any Standard, the employee shall be evaluated in the following school year.

#### I. **Employee Performance Complaints**

Complaints by parents or members of the public which relate to an employee's classroom performance shall be reported directly to the employee or through the principal. If the complaint is not resolved in contacts between the employee and the complainant, then the complaint must be made in writing to the principal. If any party involved in the complaint desires a meeting, then one shall be scheduled by the principal. An employee has the right to respond verbally or in writing to any complaint regarding his or her performance from a parent/guardian or member of the public.

#### J. **Continuing Process**

Evaluations are an on-going process. Recommendations made in one year are applicable during subsequent school years.

#### K. **Grievance**

Nothing in this Article shall be construed to allow the substance of any written observation or evaluation to be subject to the Dispute Resolution Procedures of this Agreement.

#### L. **Reopener**

This Article is intended to be interpreted consistent with all requirements of law, as the applicable law may change from time-to-time. In addition, if the applicable law is materially revised, the District and the Association shall immediately re-open this Article to negotiate changes that ensure the District's evaluation process complies with all requirements of law. This reopener shall not count against either party's number of permitted reopeners.

## **ARTICLE X (10) LEAVES**

### **A. Definitions**

1. "Paid leave of absence" means that an employee is entitled to receive wages and health and welfare benefits, except as otherwise noted in this Agreement. Employees who are granted a paid leave of absence for a semester or less will be returned, if possible, to an assignment similar to that held by the employee prior to the commencement of the leave. Employees who are granted a paid leave of absence for more than a semester will be returned to a position of like status and benefits. Employees on paid leave will receive credit for annual salary schedule step increments during the leave.
2. "Unpaid leave of absence" means that an employee shall not receive wages nor a District paid contribution towards the cost of health and welfare benefits during the period of unpaid leave unless otherwise required by law. During the period of unpaid leave, if the insurance carrier allows the employee to participate, an employee may purchase health and welfare benefits at the employee's expense by paying one month in advance. An employee on unpaid leave will not receive credit for annual salary schedule step increments during the leave unless otherwise required by law.
3. "Immediate family member" means those relatives or step-relatives bearing the following relationships to the employee or to the employee's spouse: (a) a child of any age, regardless of whether the child is adopted, a foster child, legal ward, a child the employees stands in loco parentis to the child, or a natural born child; (b) a spouse or registered domestic partner; (c) a parent; (d) a sibling; (e) a grandparent; or (f) a grandchild.

Full-time employees employed on a 10-month basis who accept a summer school assignment will be entitled to 11 days of fully-paid sick leave during the school years they work a summer school assignment. Full-time employees who work eleven (11) or twelve (12) months a year shall be entitled to 11 days of sick leave per school year. An employee who works less than a full-time assignment shall be granted sick leave in proportion to the assigned hours of work, but in no circumstance shall any employee receive less than three (3) days of sick leave per school year.
2. **Annual Crediting of Sick Leave.** Each July 1, every employee shall receive a sick leave allotment credit equal to the employee's sick leave entitlement for the school year. An employee may use such credited sick leave at any time during the school year, even if credit for sick leave has not yet been accrued. An employee who does not complete a given year of service shall have deducted from his or her final paycheck any unearned sick leave used as of the date of separation from employment. The amount deducted shall equal the employee's daily rate of pay times the number of sick leave days used but unearned as of the effective date of separation from employment. An employee is not entitled to a payout of earned, unused days of sick leave upon separation from employment.

3. **Minimum Increments.** Sick leave shall be taken in a minimum increment of one (1) hour. Unused days of sick leave shall be accumulated from year to year without limitation.
4. **Purpose.** Sick leave may be used for:
  - a. The employee's personal injury or illness, regardless of whether or not the cause of the injury or illness arises out of the or in the course of employment.
  - b. An injury or illness of an immediate family member.
  - c. A female employee's absence due to pregnancy, miscarriage, childbirth and recovery. The length of the leave, including the date on which the leave shall commence and the date on which the employee shall resume duties shall be determined by the employee's medical specialist. The employee shall be entitled to return to a position comparable to that held at the time the leave commenced.
  - d. Medical and dental appointments of an employee or an employee's immediate family member.
  - e. An employee may use sick leave when quarantined by the County Health Department because of another person's illness.

5. **Notice and Verification Requirements Applicable to all leaves Related to Injury or Illness**
  - a. Anytime an employee will be absent, the employee shall provide notice to the District in advance, if possible. The employee shall notify the District by using the District's automated absence reporting management system. If the employee cannot enter the employee's absence into the automated management system in advance, the employee shall notify the employee's site secretary or the Coordinator of Human Resources as soon as possible.
  - b. The Superintendent or designee may require written verification by the employee's physician, chiropractor, psychologist, physician's assistant, or nurse practitioner whenever: (a) an employee has been absent for three (3) consecutive days; or (b) whenever the employee's absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends or holidays, whenever substantial evidence indicates that an absence may not be related to illness or injury, or whenever additional medical information would be helpful to determine if an employee is disabled or to determine reasonable accommodations for an employee pursuant to an interactive dialogue process.
  - c. If the District doubts the validity of any written verification provided, the District may require the employee to obtain a second opinion from a health care provider selected by the District. In this instance all costs not covered by the employee's insurance shall be paid by the District so that the additional opinion is obtained at District expense. If the second opinion is

contrary to the first, the District may require the employee to obtain a third medical opinion from a third health care provider approved by both the employee and the District. In this instance all costs not covered by the employee's insurance shall be paid by the District so that the additional opinion is obtained at District expense. The third medical opinion shall be conclusive.

- d. In those cases where an employee is aware that an absence will be needed for ten (10) consecutive work days or more, the employee shall notify his/her immediate supervisor of the need for extended sick leave and shall provide the District with a statement from the employee's health care provider confirming an estimate of the anticipated length of absence. Before returning to work, an employee who has been absent for ten (10) consecutive work days or more may be asked to submit a verification from his/her physician stating that he/she is able to return to work with or without reasonable accommodations. This verification shall be subject to the procedures set forth in section (b) above.
- e. Victims of domestic violence who utilize sick leave pursuant to section B.4.f., above, shall give reasonable notice to his/her site principal, unless advance notice is not feasible. When an unscheduled absence occurs, the employee shall provide sufficient certification of the absence from the police, a court order, or verification from a medical professional, domestic violence advocate or counselor. This verification shall be subject to the procedures set forth in section (b) above.

**C. Extended Illness Leave**

- 1. After all available paid sick leave has been exhausted, a certificated employee shall receive the difference between his/her salary and the salary actually paid a substitute, or if no substitute was hired the amount a substitute would have been paid according to the substitute salary schedule, during any period of absence due to illness or injury up to five (5) months; however, extended illness leave shall not be available to care for an immediate family member. The District shall make every reasonable effort to secure the services of a substitute. An employee shall not be provided more than one five-month period per accident or illness. If a school year terminates before the five-month period is exhausted, the employee may take the balance of the five-month period in a subsequent school year. An employee shall not be provided more than one five-month period per school year. During this five (5) month period, the same verification requirements outlined in section B.5, above, shall apply.

Upon receipt of the request and verification in the Personnel Department/District Office, the Association shall be allowed to circulate a request among unit members for sick leave donations, which must be submitted to the Personnel Department/District Office in writing. The District shall not be required to circulate the request.

The District may deny the employee's request if the leave was not a personal necessity within the meaning of this section, or if the request was not submitted prior to taking such leave. (Ed. Code, § 44800; MV 395 et. seq.; 38 U.S.C. § 4316.)
2. An employee who needs to be absent from the District to fulfill his or her military service shall provide advance written notice or verbal notice to the Superintendent or designee, unless the giving of such notice is precluded by military necessity or is otherwise impossible or unreasonable. (38 U.S.C. § 4316.)

N. **Study Leave**

After an employee has acquired permanent status, the District may grant an employee a leave of absence without pay for the purpose of educational improvement and advancement. The leave of absence may be for an entire school year. The District may grant an employee an additional leave of absence for an entire school year if it will further an employee's educational improvement and advancement and not cause the District hardship.

O. **Professional Growth Leave**

The District may provide an employee paid or unpaid leave to pursue activities that advance his/her professional growth. "Professional growth activities" include, but are not limited to, attending conferences, participating in activities sponsored by professional associations and taking courses offered by accredited institutions. The District shall determine how much leave to provide the employee for professional growth activities.

P. **Jury Duty and Court Appearance Leave**

The District will provide employees paid leave at their regular rate of pay if they are required by law to serve on a jury and provide the District reasonable notice that they are required to serve. (Labor Code § 230). Employees must report to work on whatever days they are not required to serve. Employees shall remit to the District any compensation they receive for jury service, exclusive of expenses for meals, mileage and/or parking.

Employees will be granted leave to appear in court as required by law. (Labor Code § 230.) If the District is not a party to the action, the District will deduct the cost of a substitute from the employee's regular rate of pay for every day they are absent. If the District is a party to the action and requests the employee to appear in court, employees will suffer no loss of compensation for any days they are absent.

Q. **Volunteer Coaching Leave.** Bargaining unit members that volunteer and are serving as athletic coaches and who are required to be with their teams during regular games away from the District shall be entitled to paid coaching leave for the amount of time agreed upon by the unit member and their supervisor. The employee and his/her supervisor will agree, in writing on a District approved form, on dates and times for coaching leave prior to the commencement of each sport's season. Unit members shall enter their absences into the District's electronic absence tracking system.

R. **Misuse of Leave.** An employee may take a leave of absence only under the provisions specified in this Article. Other leave, without District approval, may result in loss of pay and disciplinary action. Leaves of absence must not be used for strikes, walkouts, or other concerted actions.

S. **Leave As Provided By Law.** The District shall provide leave as required by state or federal law; therefore, if there is any change in state or federal laws applicable to employee leaves provided by this Article, those changes are deemed incorporated into this article as of the effective date of the statutory change. Nothing in this article is intended to change the District's rights and obligations or any employee's rights and obligations under the Americans with Disabilities Act or comparable state law.

T. **Inapplicability of the Dispute Resolution Procedure.** Board Approved Leave, Military Leave, Study Leave, Professional Growth Leave, and Jury Duty and Court Appearance Leave will not be subject to the District's dispute resolution procedures.

## **ARTICLE XI (11) REASSIGNMENT/TRANSFER**

### **General Provisions**

A. The District shall assign, reassign and transfer unit members to meet the District's instructional needs. The District shall then determine when a bargaining unit position is vacant and when it shall be filled. A vacant position may be filled by a reassignment, by transfer, by "other placement," or by employment of a non-employee. In all cases, the parties are committed to the placement of the best qualified applicant into each vacant position consistent with the provisions of this Article.

1. "Reassignment" is the change of an employee's instructional assignment within the same school site to another grade level (K-5) or to another subject matter (middle school-high school).
2. "Transfer" is the change of an employee's instructional assignment from one school to another school for all or part of a regular assignment.
3. "Involuntary Reassignment or Involuntary Transfer" may be made as a result of a modification of the District's instructional program or services, a change of student demographics, to assist in the improvement of an employee's job performance, to resolve a problem of employee incompatibility, or where both the principal and the superintendent agree that the involuntary transfer or reassignment is necessary to improve student achievement. Involuntary transfer or reassignment may not be made for arbitrary or capricious reasons and shall only be made following consultation with the affected employee and the Association President.

4. "Displaced Employee" is an employee who, due to a loss of enrollment or program change at a school site, does not have an assignment at the same school site for the following school year or semester.
5. "Other Placement" is the placement of an employee in a vacant position when a displaced employee is transferred to another school site, an employee returns to work following a leave of absence (paid or unpaid) of one semester or more, when an employee is brought back to work from a 39-month re-employment list, or when an employee is placed in the unit from a non-bargaining unit position.

### **Posting and Applications**

B. When the District determines to fill a vacant position, an email shall be sent to all teachers and a notice shall be posted on the District web-site.

1. Vacancy notices shall be posted for at least five (5) work days.
2. The notice shall specify school site, grade level and/or subject matter, credential or credentials required for the position, and any required qualifications for the position. D. The District shall consider employee applications on the basis of each applicant's:

1. degree or degrees and credential or credentials;
2. specialized aptitudes, training, skills, and experience as they relate to the posted qualifications;
3. length of service with the District; and
4. other qualifications offered by the applicant for consideration by the District.

E. An employee who has applied for a vacant position but was not selected shall be provided with the specific reason or reasons for the District's action prior to the position being filled. Upon request, the District's response shall be made in writing.

### **Filling Vacant Positions**

F. After applications have been filed and a determination has been made as to which employee applications, if any, satisfy the criteria, consideration shall be given (in order) to (1) voluntary reassignments, (2) voluntary transfers, (3) involuntary reassignments, (4) involuntary transfers, (5) assignment of displaced employees and other placements, and (6) non-employee applicants.

1. **Voluntary Reassignment.** Requests for a voluntary reassignment shall be considered first in filling a vacancy at a school site. If the District determines that two or more applicants for a reassignment would equally satisfy the criteria for the vacant position, the most senior applicant shall be assigned to the position. An employee who is reassigned during the school year shall receive one day of

release time (or substitute pay in-lieu of release time) to spend in on-site preparation for the new assignment.

2. **Voluntary Transfer.** Requests for transfer shall be considered following any reassignment or reassignments made pursuant to paragraph F.1. If the District determines that two or more applicants for a transfer would equally satisfy the criteria for the vacant position, the most senior applicant shall be assigned to the position. An employee who is transferred during the school year shall receive one day of release time (or substitute pay in-lieu of release time) to spend in on-site preparation for the new assignment.
3. **Involuntary Reassignment.** After consideration of requests for voluntary reassignments and transfers, an involuntary reassignment may be made when a vacant position falls within the scope of the employee's credential and the reassignment would satisfy the criteria for the position. Where all criteria considered are deemed equal by the District between two or more employees who may be subject to an involuntary reassignment, the least senior employee will be reassigned.
  - a. An employee who is to be involuntarily reassigned during the school year shall be consulted prior to the reassignment and shall be given at least 10 days advance written notice. The notice shall include the specific reason or reasons for the reassignment. Upon request, the employee will be provided assistance in moving supplies and equipment to the new assignment. In addition, the employee shall receive two days of release time (or substitute pay in-lieu of release time) to spend in on-site preparation for the new assignment.
  - b. An employee who is to be involuntarily reassigned for the following school year will be given written notice prior to the last student day of the school year.
4. **Involuntary Transfer.** After consideration of involuntary reassignments, an involuntary transfer may be made when a vacant position falls within the scope of the employee's credential and the transfer would satisfy the criteria for the position. Where all criteria considered are deemed equal by the District between two or more employees who may be subject to an involuntary transfer, the employee with the least experience in the District will be transferred.
  - a. An employee who is to be involuntarily transferred during the school year shall be consulted prior to the transfer and shall be given at least 10 days advance written notice. The notice shall include the specific reason or reasons for the transfer. Upon request, the employee will be provided assistance in moving supplies and equipment to the new assignment. In addition, the employee shall receive two days of release time (or substitute pay in-lieu of release time) to spend in on-site preparation for the new assignment.
  - b. An employee who is to be involuntarily transferred for the following school year will be given written notice prior to the last student day of the school year.
  - c. Any involuntary transfer will not result in a reduction of an employee's base salary or health and welfare benefit contributions.

5. **Displaced Employee(s) and Other Placement.** Following consideration of reassignment and transfer applications, the order of filling a vacant position is determined by the seniority of the employee, except that an employee who is on the 39-month re-employment list must be appropriately credentialed and must satisfy the criteria for the position in order to be eligible for re-employment.
- G. When a vacancy occurs between the end of the regular school year and prior to the beginning of the second school month of the following school year, the posting/application process shall be condensed. Any vacant position that occurs shall be posted on the District web-site (if operational) and on the San Luis Obispo County Office of Education job-line. In addition, a copy of each posting shall be mailed to each employee who has made a written request to be notified and to the Association President.
1. The deadline for applications shall be as specified in the posting, but not less than two work days following the date of the posting. Any employee who is interested in being considered for the position shall be responsible for notifying the District by telephone and confirmed in writing or by fax within five days. Placement shall be made as provided by paragraphs F.1 through F.4 of this Article.
  2. The District reserves the right to hire a new employee without consideration of applications for voluntary reassignment or transfer for a specific position after the first week of August. The District agrees to implement the provisions of this paragraph only if the District determines that an internal reassignment or transfer would not be in the best interest of the District's educational program. When the District places a new-hire into a specific vacant position without consideration of internal requests pursuant to the provisions of this paragraph, the specific position into which the new-hire has been placed shall be posted as a vacant position for the subsequent school year.

### **Miscellaneous Provisions**

- H. An employee who has been involuntarily reassigned or transferred shall be entitled to the right of first refusal if a vacant position in the assignment from which the employee was involuntarily reassigned occurs. This provision shall not apply to an employee whose assignment was involuntarily changed for the improvement of job performance as a part of the evaluation process.
- I. An employee who has requested a written statement of the District's reason or reasons for an assignment change, may provide a written response. The response will be placed in the personnel file with the District's statement.

Nothing contained in this Article shall be construed to prevent any individual employee from discussing a problem with a representative of the District and having it resolved without filing a written complaint as provided herein.

E. The failure of a grievant to act within the prescribed time limits stated in this Article will act as a bar to any further appeal. The failure of the District to give a decision within the time limits shall permit the grievant to proceed to the next level.

1. Time limits at Level Two and Level Three may be extended by mutual written agreement.

F. Hearings and conferences under this procedure shall be conducted at a time and place which will afford opportunity for all persons entitled to be present to attend and will be held, insofar as possible, after the regular hours of instruction or during the non-teaching time of personnel involved.

The dispute will be presented to the immediate supervisor on a District form and shall include:

1. If the conciliation process does not result in a settlement, or if the grievant does not request conciliation, a final written answer shall be issued by the Superintendent. The final written answer shall be issued within 10 days of conclusion of the conciliation process or within 10 days of receipt of the preliminary written response, whichever applies.
- O. **Level Three.** A dispute that is not resolved at Level Two may be appealed (1) to the Board or (2) to binding arbitration at Level Three. The selection of either option (1 or 2) precludes utilization of the other option. The appeal must be filed within 15 days of the issuance of the denial at Level Two.
1. If the appeal is made to the Board, the appeal shall state why the Level Two denial was unsatisfactory and what facts and/or conclusions are being appealed. The Board shall issue a written answer to the appeal within 30 days of receipt of the appeal.
  2. If the appeal is made to arbitration, the arbitration shall be conducted pursuant to the Voluntary Labor Arbitration Rules of the American Arbitration Association or pursuant to the procedures of the California State Mediation and Conciliation Service. The Association shall control its participation and financial responsibility to bargaining unit members for the arbitration process through internal procedures.
  3. The arbitration shall be limited solely to the interpretation and application of this Agreement to the precise issue or issues submitted for arbitration. The arbitration shall not determine any other issue or issues. The arbitrator shall not substitute the arbitrator's judgment for that of the District.
  4. After a hearing on the merits, the arbitrator shall render a written decision which sets forth findings of fact, reasoning, and conclusions on the precise issue or issues submitted.
