HOW TO PLAY!

Read your way around the Readopoly board. "Buy" the property by paying the "Price" listed on each property square. You do not have to read in order, feel free to skip around!

Record the books you have read on the back of this sheet.

When you have "purchased" all of the properties in the color set, come to the library to pick a prize from the Community Chest. You will also get an entry slip into the Grand Prize Drawing.

When you have completed the entire board, turn in your completed sheet for a special prize!
