Preschool -2nd Grade iPad Program

HLPUSD IPAD INITIATIVE VISION

- Provides tools and resources for 21st Century Preschool-2nd grade learners
- Supports technology integration across content
- Empowers students and prepares them for future grades
- Learning anytime and anywhere

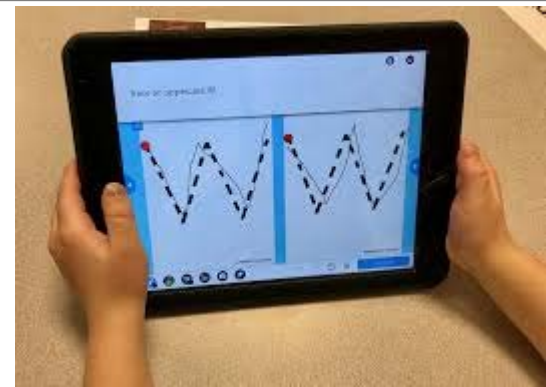

What is an iPad?

- Touch sensitive tablet
- Apple operating system (iOS)
- Access to educational content
- Mobile device
- On-screen built in keyboard

iPad for PreK-2

- Easier interface
- Hands-on tactile device for young learners
- User friendly for non-reading and non-writing students (speech to text)
- Opportunities to practice all literacy domains: speaking, listening, reading, writing at home

iPad Care Instructions

- Keep the blue protective case on the device
- When carrying the iPad, make sure the cord is not attached
- Charge your iPad regularly

Web Content Protection and Student Safety

- A district web filter will be installed on each tablet.
- Parent supervision is always recommended.
- Student can use a wireless hotspot or internet wireless connection.

Additional Support

- Report any technology needs to Help Desk (626) 933-1111 or e-mail techhelp@hlpusd.k12.ca.us.
- Report theft of the iPad to police.
- Report any damage or loss immediately to your Principal.

Thank you
