2022-23 Local Plan Annual Submission

Section E: Annual Service Plan

SELPA: Hacienda La Puente Unified School District

Fiscal Year: 2022–23

**Local Plan Section E: Annual Service Plan**

California *Education Code (EC)* sections 56205(b)(2) and (d); 56001; and 56195.9

The Local Plan Section E: Annual Service Plan must be adopted at a public hearing held by the SELPA. Notice of this hearing shall be posted in each school in the SELPA at least 15 days before the hearing. Local Plan Section E: Annual Service Plan may be revised during any fiscal year according to the SELPA's process as established and specified in Section B: Governance and Administration portion of the Local Plan consistent with *EC* sections 56001(f) and 56195.9. Local Plan Section E: Annual Service Plan must include a description of services to be provided by each local educational agency (LEA), including the nature of the services and the physical location where the services are provided (Attachment VI), regardless of whether the LEA is participating in the Local Plan.

**Services Included in the Local Plan Section E: Annual Service Plan**

All entities and individuals providing related services shall meet the qualifications found in Title 34 of the *Code of Federal Regulations (34 CFR)* Section 300.156(b), Title 5 of the *California Code of Regulations (5 CCR)* 3001(r) and the applicable portions 3051 et. seq.; and shall be either employees of an LEA or county office of education (COE), employed under contract pursuant to *EC* sections 56365-56366, or employees, vendors or contractors of the State Departments of Health Care Services or State Hospitals, or any designated local public health or mental health agency. Services provided by individual LEAs and school sites are to be included in **Attachment VI**.

**Include a description each service provided. If a service is not currently provided, please explain why it is not provided and how the SELPA will ensure students with disabilities will have access to the service should a need arise.**

- 330–Specialized Academic Instruction/  
Specially Designed Instruction

Provide a detailed description of the services to be provided under this code.

Adapting, as appropriate to the needs of the child with a disability, the content, methodology, or delivery of instruction to ensure access of the child to the general curriculum, so that he or she can meet the educational standards within the jurisdiction of the public agency that apply to all children.

Section E: Annual Service Plan

SELPA:

Fiscal Year:

- 210–Family Training, Counseling, Home Visits (Ages 0-2 only)  *Service is Not Currently Provided*

Provide a detailed description of the services to be provided under this code.

This service includes: services provided by social workers, psychologists, or other qualified personnel to assist the family in understanding the special needs of the child and enhancing the child's development. NOTE: Services provided by specialists (such as medical services, nursing services, occupational therapy, and physical therapy) for a specific function should be coded under the appropriate service category, even if the services were delivered in the home.

- 220–Medical (Ages 0-2 only)  *Service is Not Currently Provided*

Include an explanation as to why the service option is not included as part of the SELPA's continuum of services available to students with disabilities.

These services include conducting assessments in: nutritional history and dietary intake; anthropometric, biochemical, and clinical variables; feeding skills and feeding problems; and food habits and food preferences. The service did not apply to students within Hacienda La Puente SELPA since there are no students that require this service currently.

- 230–Nutrition (Ages 0-2 only)  *Service is Not Currently Provided*

Include an explanation as to why the service option is not included as part of the SELPA's continuum of services available to students with disabilities.

These services include conducting assessments in: nutritional history and dietary intake; anthropometric, biochemical, and clinical variables; feeding skills and feeding problems; and food habits and food preferences. The service did not apply to students within Hacienda La Puente SELPA since there are no students that require this service currently.

- 240–Service Coordination (Ages 0-2 only)  *Service is Not Currently Provided*

Provide a detailed description of the services to be provided under this code.

As used in this part, service coordination services mean services provided by a service coordinator to assist and enable an infant or toddler with a disability and the child's family to receive the services and rights, including procedural safeguards, required under this part. (2) Each infant or toddler with a disability and the child's family must be provided with one service coordinator who is responsible for - (i) Coordinating all services required under this part across agency lines; and

Fiscal Year: 2022-23

(ii) Serving as the single point of contact for carrying out the activities described in paragraphs (a)(3) and (b) of this section.

250-Special Instruction (Ages 0-2 only)

Service is Not Currently Provided

Provide a detailed description of the services to be provided under this code.

Special instruction includes: the design of learning environments and activities that promote the child's acquisition of skills in a variety of developmental areas, including cognitive processes and social interaction; curriculum planning, including the planned interaction of personnel, materials, and time and space, that leads to achieving the outcomes in the child's individualized family service plan (IFSP); providing families with information, skills, and support related to enhancing the skill development of the child; and working with the child to enhance the child's development.

260-Special Education Aide (Ages 0-2 only)

Service is Not Currently Provided

Include an explanation as to why the service option is not included as part of the SELPA's continuum of services available to students with disabilities.

The service did not apply to students within Hacienda La Puente SELPA since there are no students that require this service currently. If a student requires this service it will be provided.

270-Respite Care (Ages 0-2 only)

Service is Not Currently Provided

Include an explanation as to why the service option is not included as part of the SELPA's continuum of services available to students with disabilities.

The service did not apply to students within Hacienda La Puente SELPA since there are no students that require this service currently. If a student requires this service it will be provided.

340-Intensive Individual Instruction

Provide a detailed description of the services to be provided under this code.

IEP Team determination that student requires additional support for all or part of the day to meet his or her IEP goals.

Section E: Annual Service Plan

Fiscal Year:

350—Individual and Small Group Instruction

Provide a detailed description of the services to be provided under this code.

The service did not apply to students within Hacienda La Puente SELPA since there are no students that require this service currently. If a student requires this service it will be provided.

415—Speech and Language

*Service is Not Currently Provided*

Provide a detailed description of the services to be provided under this code.

Language and speech services provide remedial intervention for eligible individuals with difficulty understanding or using spoken language. The difficulty may result from problems with articulation (excluding abnormal swallowing patterns, if that is the sole assessed disability); abnormal voice quality, pitch, or loudness; fluency; hearing loss; or the acquisition, comprehension, or expression of spoken language. Language deficits or speech patterns resulting from unfamiliarity with the English language and from environmental, economic or cultural factors are not included. Services include specialized instruction and services: monitoring, reviewing, and consultation, and may be direct or indirect, including the use of a speech consultant.

425—Adapted Physical Education

*Service is Not Currently Provided*

Provide a detailed description of the services to be provided under this code.

Adapted Physical Education (APE) is provided to students who have needs that cannot be adequately addressed in the regular physical education program. In addition to APE, other service delivery options include APE collaboration and APE consultation, specially designed physical education, modified physical education, and general physical education.

435—Health and Nursing: Specialized  
Physical Health Care

*Service is Not Currently Provided*

Provide a detailed description of the services to be provided under this code.

Specialized physical health care services means those health services prescribed by the child's licensed physician and surgeon, requiring medically related training of the individual who performs the services and which are necessary during the school day to enable the child to attend school (5 CCR Section 3051.12[b]). Specialized physical health care services include but are not limited to suctioning, oxygen administration, catheterization, nebulizer treatments,

436–Health and Nursing: Other  *Service is Not Currently Provided*

Provide a detailed description of the services to be provided under this code.

This includes services that are provided to individuals with exceptional needs by a qualified individual pursuant to an IEP when a student has health problems which require nursing intervention beyond basic school health services. Services include managing the health problem, consulting with staff, group and individual counseling, making appropriate referrals, and maintaining communication with agencies and health care providers. These services do not include any physician supervised or specialized health care service. IEP required health and nursing This includes services that are provided to individuals with exceptional needs by a qualified individual pursuant to an IEP when a student has health problems which require nursing intervention beyond basic school health services. Services include managing the health problem, consulting with staff, group and individual counseling, making appropriate referrals, and maintaining communication with agencies and health care providers. These services do not include any physician supervised or specialized health care service. IEP required health and nursing.

445–Assistive Technology  *Service is Not Currently Provided*

Provide a detailed description of the services to be provided under this code.

Assistive technology consists of devices and services. An assistive technology device is an item or piece of equipment that helps a person with a disability increase, maintain, or improve a student’s functional capabilities. An IEP required assistive technology. Assistive technology devices can be high-tech or low-tech. An assistive technology service is any direct assistance to the student with a disability in the selection, acquisition, or use of the assistive technology device.

450–Occupational Therapy  *Service is Not Currently Provided*

Provide a detailed description of the services to be provided under this code.

Occupational Therapy (OT) includes services to improve student's educational performance, postural stability, self-help abilities, sensory processing and organization, environmental adaptation and use of assistive devices, motor planning and coordination, visual perception and integration, social and play abilities, and fine motor abilities. Both direct and indirect services may be provided within the classroom, other educational settings, or the home, in groups or individually, and may include therapeutic techniques to develop abilities, adaptations

Section E: Annual Service Plan

SELPA:

Fiscal Year:

to the student's environment or curriculum, and consultation and collaboration with other staff and parents. Services are provided, pursuant to an IEP, by a qualified occupational therapist registered with the American Occupational Therapy Certification Board.

460-Physical Therapy

*Service is Not Currently Provided*

Provide a detailed description of the services to be provided under this code.

These services are provided, pursuant to an IEP, by a registered physical therapist, or physical therapist assistant, when assessment shows a discrepancy between gross motor performance and other educational skills. Physical therapy includes, but is not limited to, motor control and coordination, posture and balance, self-help, functional mobility, accessibility and use of assistive devices. Services may be provided within the classroom, other educational settings or in the home, and may occur in groups or individually. These services may include adaptations to the student's environment and curriculum, selected therapeutic techniques and activities, and consultation and collaborative interventions with staff and parents.

510-Individual Counseling

Provide a detailed description of the services to be provided under this code.

One-to-one counseling, provided by a qualified individual pursuant to an IEP. Counseling may focus on such student aspects as education, career, personal, or be with parents or staff members on learning problems or guidance programs for students. Individual counseling is expected to supplement the regular guidance and counseling program.

515-Counseling and Guidance

*Service is Not Currently Provided*

Provide a detailed description of the services to be provided under this code.

Counseling in a group setting, provided by a qualified individual pursuant to an IEP. Group counseling is typically social skills development, but may focus on such student aspects as education, career, personal, or be with parents or staff members on learning problems or guidance programs for students. IEP required group counseling is expected to supplement the regular guidance and counseling program. Guidance services include interpersonal, intrapersonal, or family interventions, performed in an individual or group setting by a qualified individual pursuant to an IEP. Specific programs include social skills development, self-esteem building, parent training, and assistance to special education students supervised by staff credentialed to serve special education students. These services are expected to supplement the regular guidance and counseling program.

Section E: Annual Service Plan

SELPA: Hacienda La Puente Unified School District

Fiscal Year: 2022–23

520–Parent Counseling

*Service is Not Currently Provided*

Provide a detailed description of the services to be provided under this code.

Individual or group counseling provided by a qualified individual pursuant to an IEP to assist the parent(s) of special education students in better understanding and meeting their child's needs and may include parenting skills or other pertinent issues. IEP required parent counseling is expected to supplement the regular guidance and counseling program.

525–Social Worker

*Service is Not Currently Provided*

Provide a detailed description of the services to be provided under this code.

The service did not apply to students within Hacienda La Puente SELPA since there are no students that require this service currently. If a student requires this service it will be provided.

530–Psychological

*Service is Not Currently Provided*

Provide a detailed description of the services to be provided under this code.

These services, provided by a credentialed or licensed psychologist pursuant to an IEP, include interpreting assessment results for parents and staff in implementing the IEP, obtaining and interpreting information about child behavior and conditions related to learning, and planning programs of individual and group counseling and guidance services for children and parents. These services may include consulting with other staff in planning school programs to meet the special needs of children as indicated in the IEP. IEP required psychological services are expected to supplement the regular guidance and counseling program.

535–Behavior Intervention

*Service is Not Currently Provided*

Provide a detailed description of the services to be provided under this code.

A systematic implementation of procedures designed to promote lasting, positive changes in the student's behavior resulting in greater access to a variety of community settings, social contacts, public events, and placement in the least restrictive environment.

540–Day Treatment

Section E: Annual Service Plan

SELPA:

Fiscal Year:

Provide a detailed description of the services to be provided under this code.

These services include measurements of acuity, monitoring amplification, and frequency modulation system use. Consultation services with teachers, parents, or speech pathologists must be identified in the IEP as to reason, frequency, and duration of contact; infrequent contact is considered assistance and would not be included.

725–Specialized Vision

*Service is Not Currently Provided*

Provide a detailed description of the services to be provided under this code.

This is a broad category of services provided to students with visual impairments. It includes assessment of functional vision; curriculum modifications necessary to meet the student's educational needs including Braille, large type, and aural media; instruction in areas of need; concept development and academic skills; communication skills including alternative modes of reading and writing; and social, emotional, career, vocational, and independent living skills. It may include coordination of other personnel providing services to the students such as transcribers, readers, counselors, orientation and mobility specialists, career/vocational staff, and others, and collaboration with the student's classroom teacher.

730–Orientation and Mobility

*Service is Not Currently Provided*

Provide a detailed description of the services to be provided under this code.

Students with identified visual impairments are trained in body awareness and to understand how to move. Students are trained to develop skills to enable them to travel safely and independently around the school and in the community. It may include consultation services to parents regarding their children requiring such services according to an IEP.

735–Braille Transcription

*Service is Not Currently Provided*

Provide a detailed description of the services to be provided under this code.

Any transcription services to convert materials from print to Braille. It may include textbooks, tests, worksheets, or anything necessary for instruction. The transcriber should be qualified in English Braille as well as Nemeth Code (mathematics) and be certified by appropriate agency.

740–Specialized Orthopedic

*Service is Not Currently Provided*

820-College Awareness

*Service is Not Currently Provided*

Section E: Annual Service Plan

SELPA:

Fiscal Year:

Provide a detailed description of the services to be provided under this code.

College awareness is the result of acts that promote and increase student learning about higher education opportunities, information, and options that are available including, but not limited to, career planning, course prerequisites, admission eligibility, and financial aid.

- 830–Vocational Assessment, Counseling, Guidance, and Career Assessment       *Service is Not Currently Provided*

Provide a detailed description of the services to be provided under this code.

Organized educational programs that are directly related to the preparation of individuals for paid or unpaid employment, and may include provision for work experience, job coaching, development and/or placement, and situational assessment. This includes career counseling to assist a student in assessing his/her aptitudes, abilities, and interests in order to make realistic career decisions.

- 840–Career Awareness       *Service is Not Currently Provided*

Provide a detailed description of the services to be provided under this code.

Transition services include a provision for self-advocacy, career planning, and career guidance. This also emphasizes the need for coordination between these provisions and the Perkins Act to ensure that students with disabilities in middle schools will be able to access vocational education funds.

- 850–Work Experience Education       *Service is Not Currently Provided*

Provide a detailed description of the services to be provided under this code.

Work experience education means organized educational programs that are directly related to the preparation of individuals for paid or unpaid employment, or for additional preparation for a career requiring other than a baccalaureate or advanced degree.

- 855–Job Coaching       *Service is Not Currently Provided*

Provide a detailed description of the services to be provided under this code.

Job coaching is a service that provides assistance and guidance to an employee who may be experiencing difficulty with one or more aspects of the daily job tasks and functions. The

Section E: Annual Service Plan

SELPA:

Fiscal Year:

service is provided by a job coach who is highly successful, skilled and trained on the job who can determine how the employee that is experiencing difficulty learns best and formulate a training plan to improve job performance.

860–Mentoring

*Service is Not Currently Provided*

Provide a detailed description of the services to be provided under this code.

Mentoring is a sustained coaching relationship between a student and teacher through ongoing involvement. The mentor offers support, guidance, encouragement and assistance as the learner encounters challenges with respect to a particular area such as acquisition of job skills. Mentoring can be either formal, as in planned, structured instruction, or informal that occurs naturally through friendship, counseling, and collegiality in a casual, unplanned way.

865–Agency Linkages (referral and placement)

*Service is Not Currently Provided*

Provide a detailed description of the services to be provided under this code.

Service coordination and case management that facilitates the linkage of individualized education programs under this part and individualized family service plans under part C with individualized service plans under multiple Federal and State programs, such as title I of the Rehabilitation Act of 1973 (vocational rehabilitation), title XIX of the Social Security Act (Medicaid), and title XVI of the Social Security Act (supplemental security income).

870–Travel and Mobility Training

*Service is Not Currently Provided*

Provide a detailed description of the services to be provided under this code.

Hacienda La Puente USD provides travel training for our students, including Mobility Training.

890–Other Transition Services

*Service is Not Currently Provided*

Provide a detailed description of the services to be provided under this code.

These services may include program coordination, case management and meetings, and crafting linkages between schools and between schools and postsecondary agencies.
