EL TipTok Canvas Course

Araceli Garcia (Multilingual TOSA) and Jennifer LeBrun (Technology TOSA) teamed up to create a Canvas course with practical tips and resources to support educators in meeting the needs of our English learners.

Video clips in the course feature the two breaking down lessons from various grade spans to show how EL strategies and tech tools can support language development while also teaching content standards.

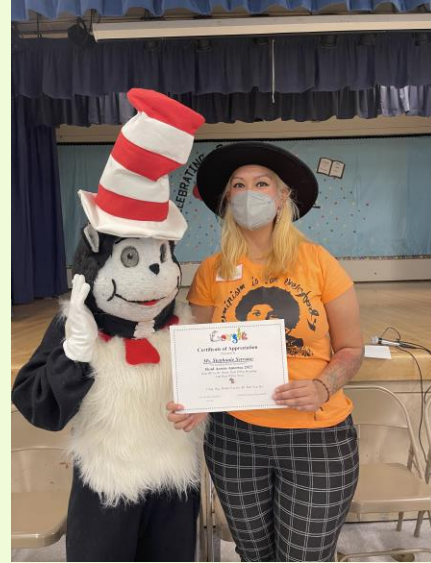

On March 25, 2022, HR hosted our monthly check-in with our newly hired Teachers/Counselors/Psychologists. We shared ideas and resources. JR, our Assistant Superintendent, led a game of trivia pursuit just for fun.
