NPDL Resources Canvas Course

The screenshot shows the Canvas LMS interface for the course "NPDL Resources for HLPUSD". On the left is a navigation sidebar with icons for Home, Discussions, People, Pages, Files, Modules, NPDL Website, Courses, Calendar, Inbox, History, Mastery, Studio, and Help. The main content area has a "Recent Announcements" section with a "Welcome!" message and a paragraph: "This is your place to share NPDL resources that can help others in HLPUSD with effective implementation of the six competencies and the four elements." Below this is a section titled "What NPDL is all about" with three columns: "Factors for Systemic Transformation" (a circular diagram with "Equity" at the top and "Well-being" at the bottom), "Four Elements of NPDL Teaching" (a colorful infographic titled "NEW PEDAGOGIES FOR DEEP LEARNING"), and "Six Competencies of NPDL" (a list of competencies with icons). At the bottom, there is a list of links: "Announcements", "Discussions", "People", "NPDL Schools in HLPUSD", "Pages", "Files", "Modules", and "NPDL Website". A yellow banner at the bottom of the main content area says "Need some support? Contact your HLPUSD Tech TOSAs".

Our Tech TOSAs started a Canvas course to connect our NPDL team throughout the district. It will serve as a place to share teacher-made resources, form learning partnerships beyond the four walls of the classroom, and inspire new ways to bring NPDL to our learners every day.
