RUTH BURROWS

- Custodian II
- 40 Years of Service
- We LOVE YOU, Ruth!
- HLPUSD thanks you!!

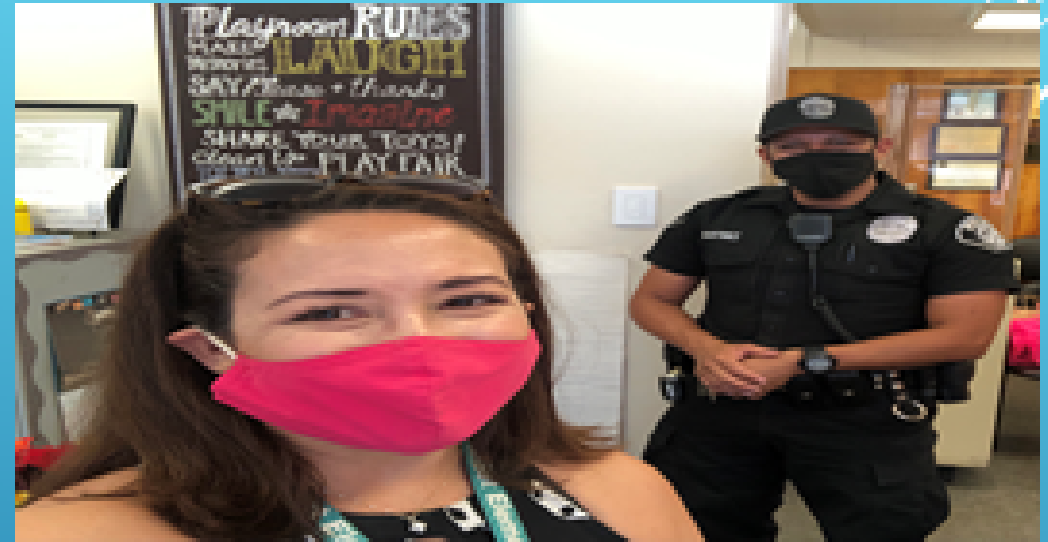

Congratulations!

SUNSET ELEMENTARY – HELPING OTHERS!

Mrs. Nakagawa, RSP teacher, helps others! During office hours her students work with her one on one.

HLPUSD's finest, Officer Martinez, helps others everyday. He wants the community to know how especially kind they have been towards officers in uniform. He has been shown "overwhelming" gestures of kindness and well wishes and compassion. The people of La Puente are exceptional!

Lessons on Preparedness

Students made Earthquake Kits with materials in their homes

Orange Grove Middle School

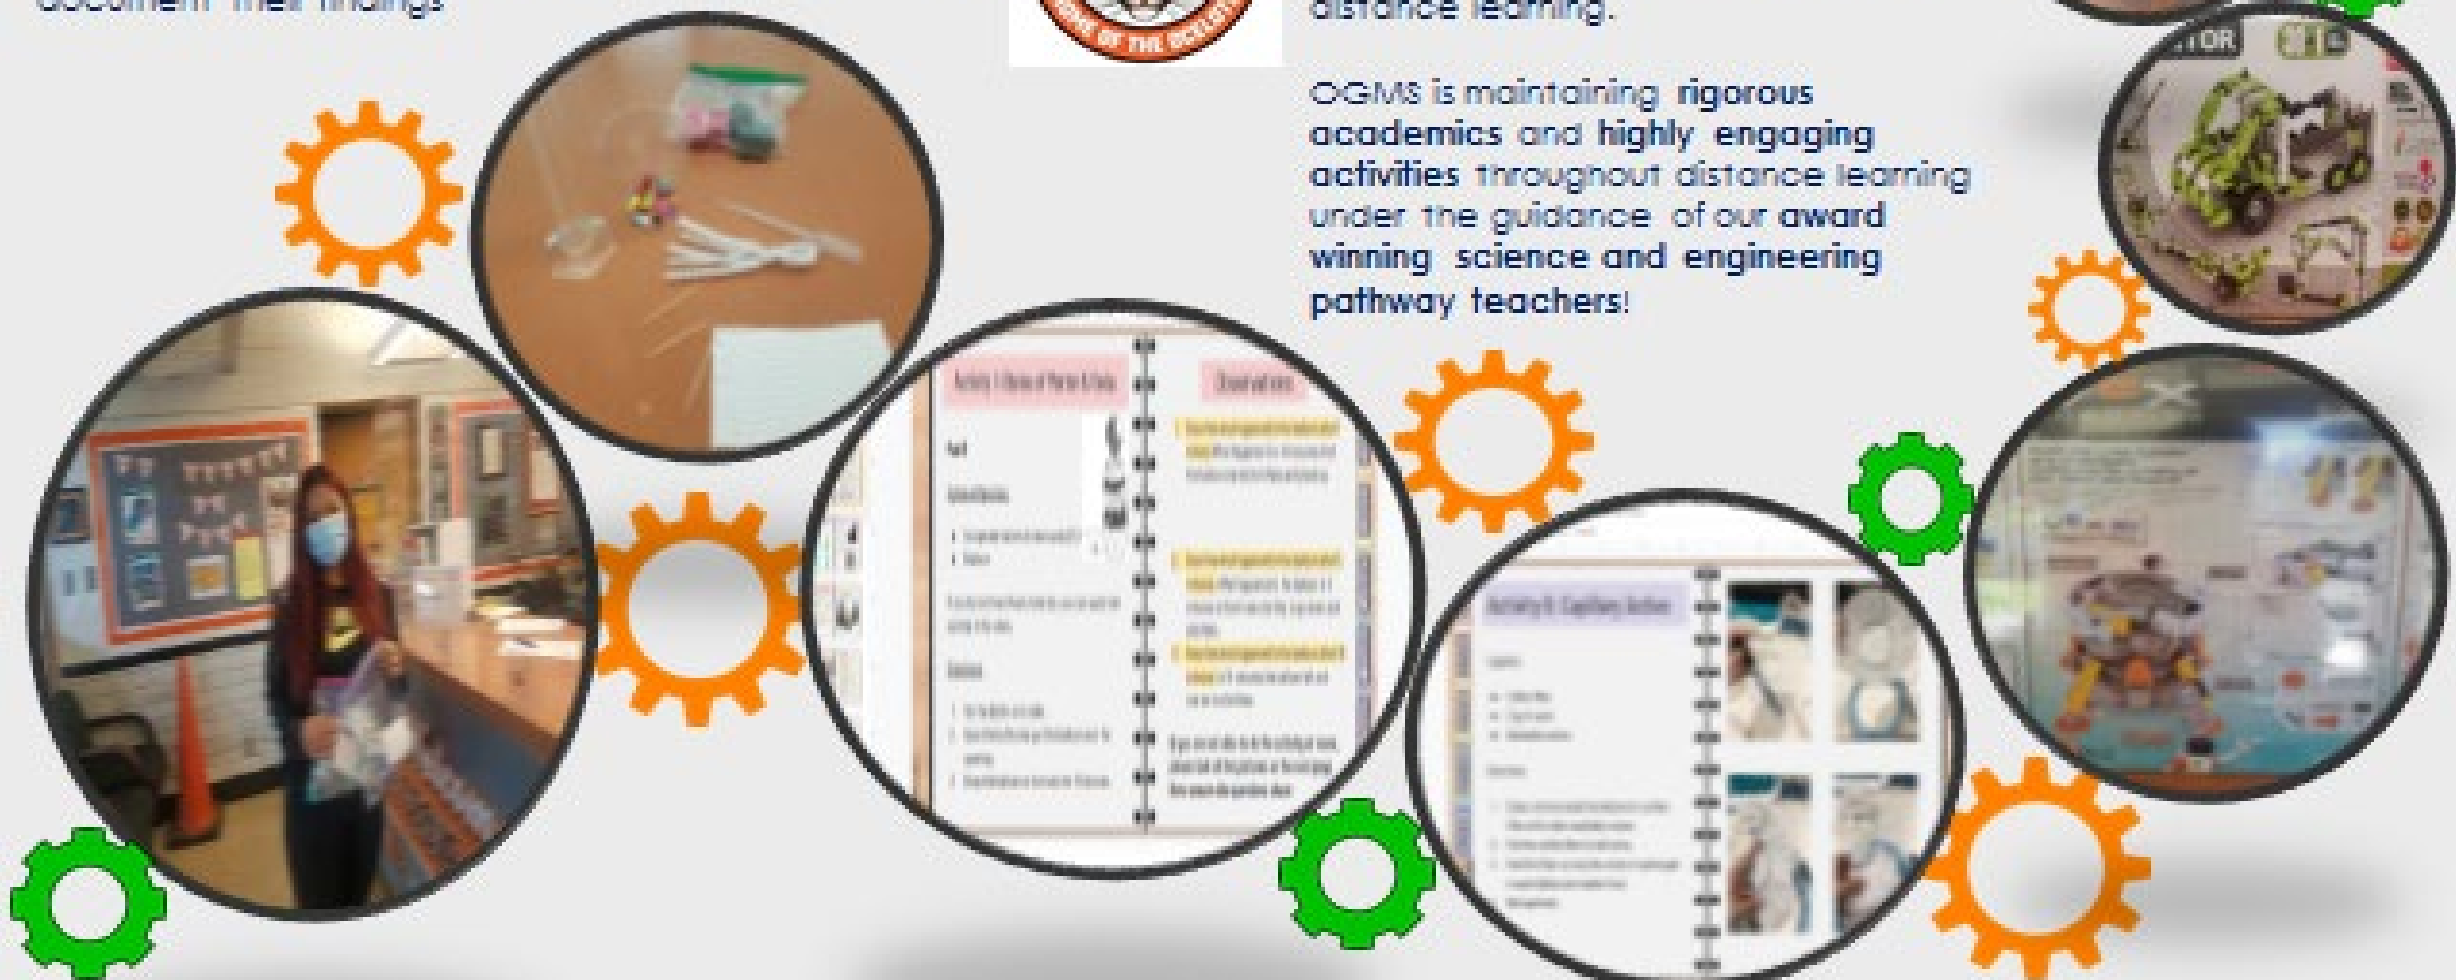

Dream Big. Work Hard. Celebrate Success!

Science and CTE electives are thriving at OGMS! Students received science supplies and materials to conduct safe labs at home under the supervision of teachers and utilize a digital lab book to document their findings.

Robotics students received engineering kits and materials and supplies in three different levels to imagine, build, and engage during distance learning.

OGMS is maintaining rigorous academics and highly engaging activities throughout distance learning under the guidance of our award winning science and engineering pathway teachers!
