Good idea!! Thank you. You guys are awesome!! It's really hard for the kids to like a new teacher and pay attention to what she says through only online meeting but you guys did it. Thank you very much.

**Subject:** Re: Monday Memo

Thank you so much for the updates! I have been very pleased with distant learning and how organized this has been. I appreciate the schedule and communication! I see the news and all the talk about distant learning and all the concerns but if they only new how successful we have been (at least from what I can tell!) I'm just happy that everyone has been given the opportunity to safe and healthy!

Thank you again and I hope you have a wonderful week!

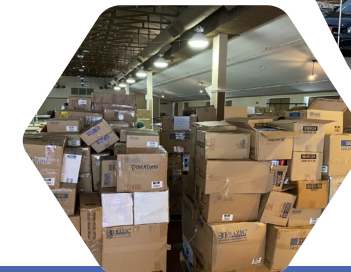

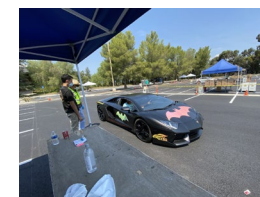

Best,
