Intentional Leadership:
Empower the Future

HLPAE Automotive Recertification

Description:

The automotive training program at Hacienda La Puente Adult Education has received a reaccreditation by the National Automotive Technicians Education Foundation (NATEF). The program's accreditation level has also increased from Automotive Service Technology (AST) to Master Automobile Service Technology (MAST)-- a **Master Certification**, the highest level NATEF offers.

To achieve this coveted recognition, HLPAE's Automotive Training Program underwent rigorous evaluation by NATEF.
