

TRES 5th Grade Supply List

2023/2024

Drawstring Bag /
Sling Backpack

We are so excited that you are coming to 5th Grade!! Part of coming to 5th Grade is getting ready for HCMS! So, in that effort we are doing away with traditional backpacks and opting for drawstring bags or sling backpacks if you choose to use one. Bags will only be used to carry things to and from school. They will not be used at all during the day. HCMS has done away with lockers and backpacks all together. We are hoping that this will assist in the transition down the line.
