VAS Staff Reviewing Report

A. Commendations:

- Formalized orientation program for students and parents.
- Staff driven professional development
- Increase awareness of EL population strategies for meeting academic their academic needs.
- Shifting the focus of instruction.
- Behavioral Rtl and recognition
- Ongoing school improvement
- Loving, caring staff who work together to meet the individual needs of students.
- Students feel a sense of belonging and academic success.
- Positive working relationship with the four comprehensive high schools.

VAS has made significant progress to address their action plan goals as well as the 2013 Visiting Committee's recommendation.
