Delivery of Laptop Computers

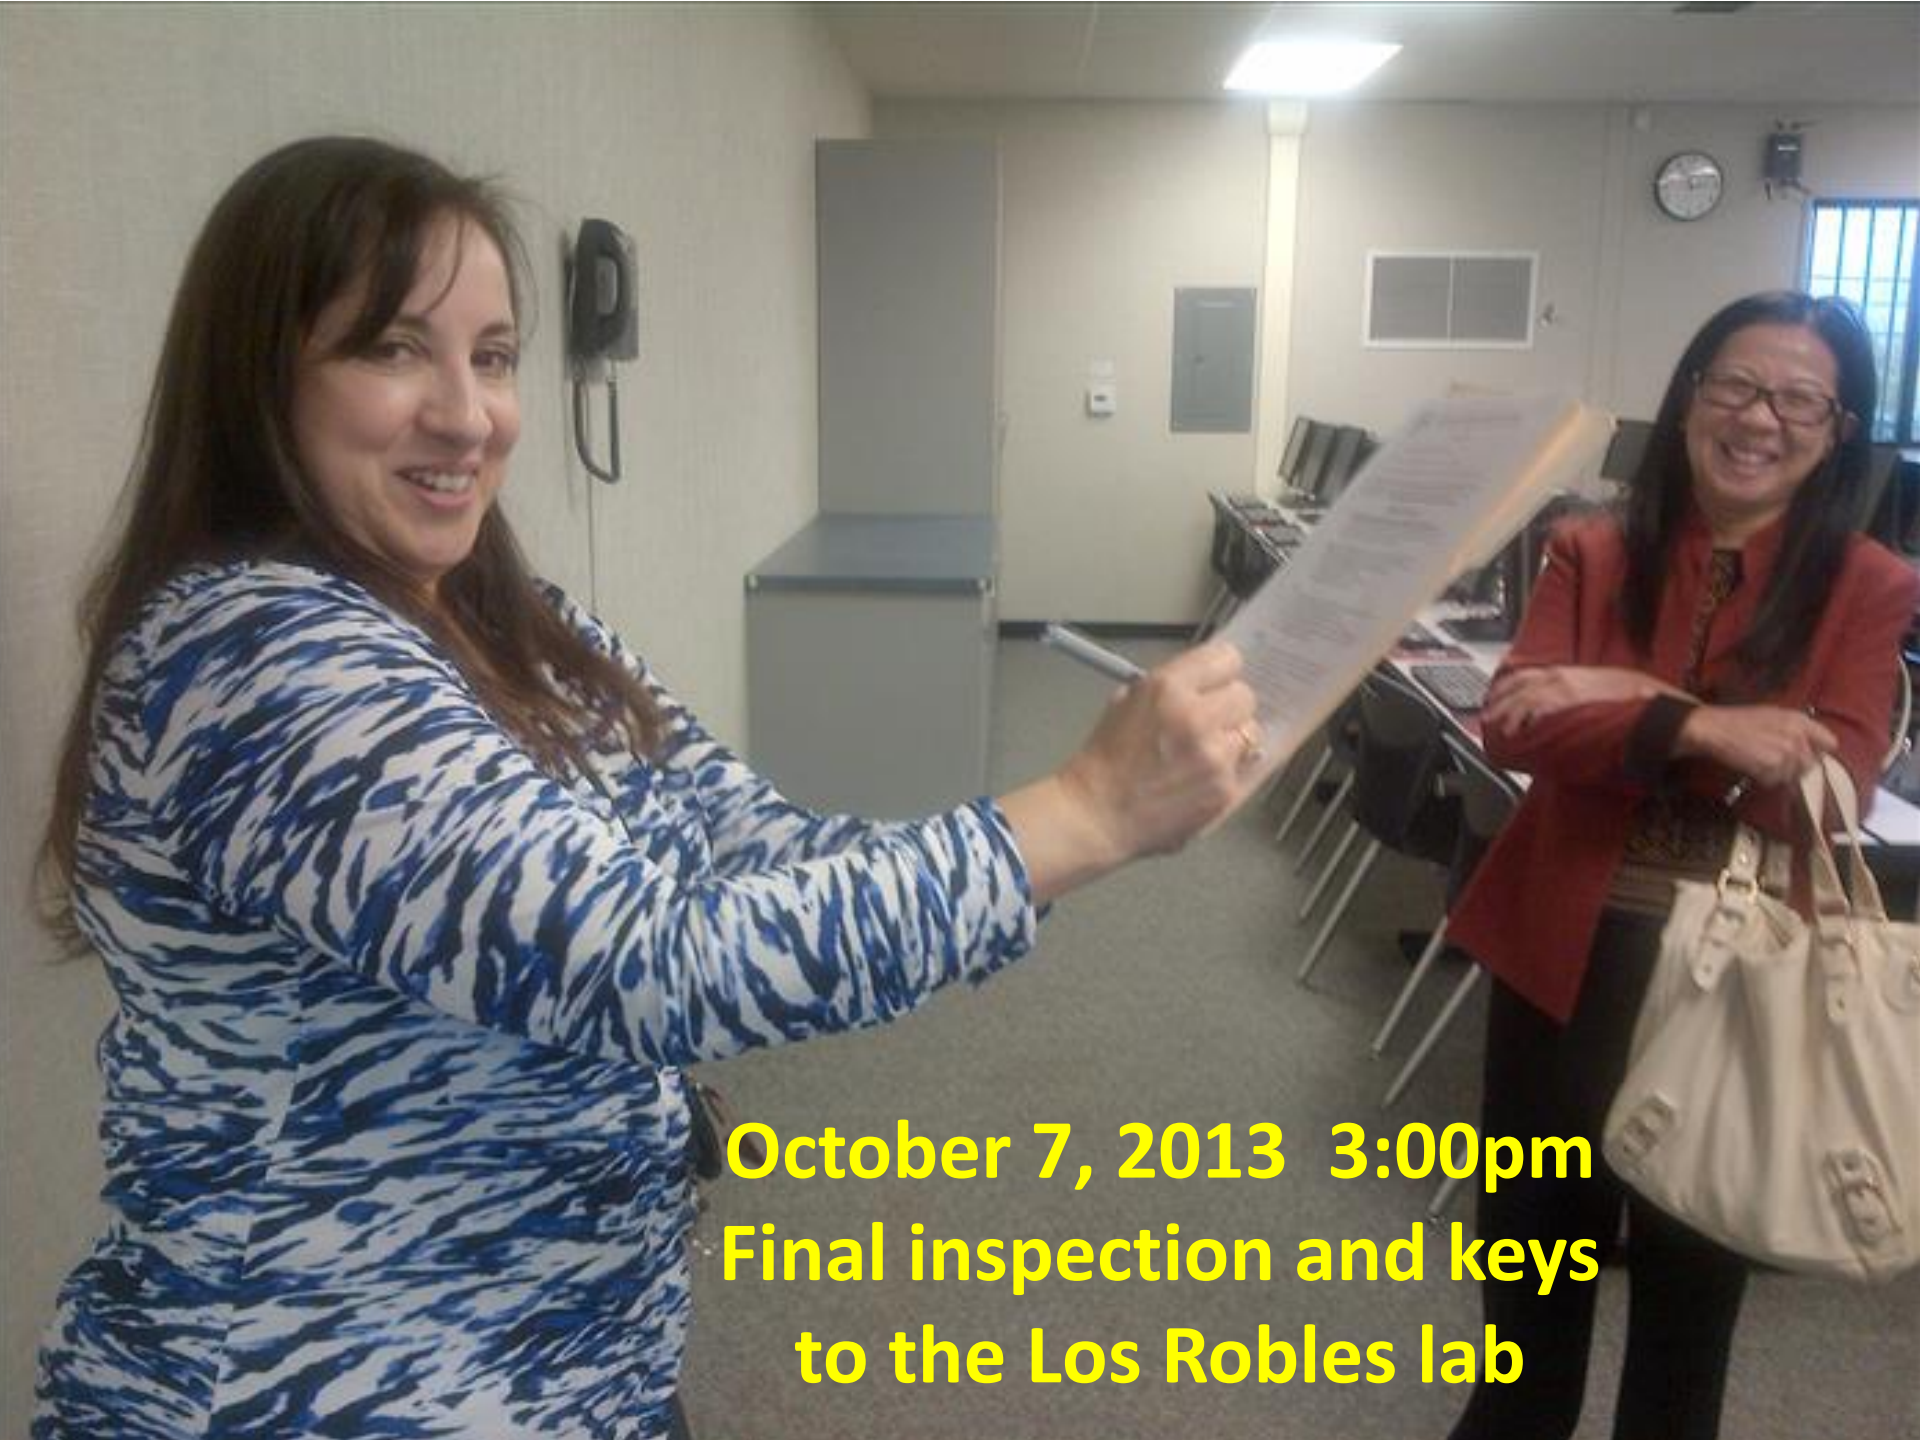

Building the First Three CCCS Technology Labs: Day 1 (10:45 am, Friday, 11/15/2013)
Dell worked with Ontario based Sigmanet to install the basic district software and deliver the new Dell computers (pallets in the background). NCS technology staff prepared the yellow network cabling in this photo from the Wilson High School media center.

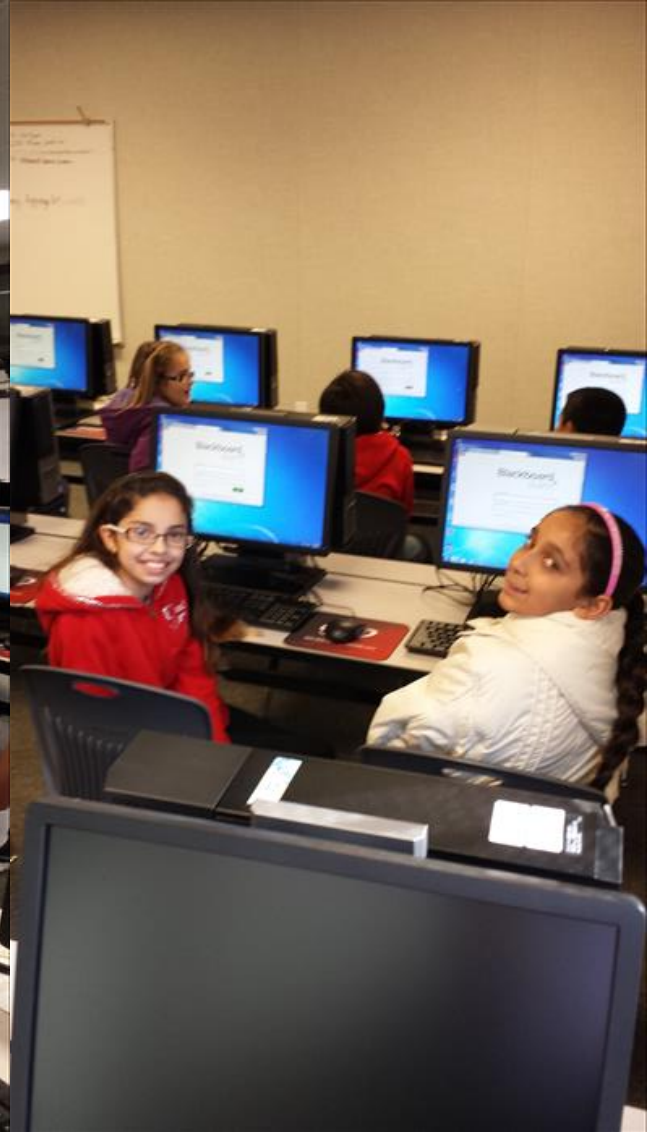

Team Effort: Working Together for Our Students

Building the First Three CCCS Technology Labs: Day 1 (10:45 am, Friday, 11/15/2013)
Planning and construction of the technology labs has been a district wide team effort. Here staff from Purchasing, Business, Finance, Transportation, Facilities and Network & Computer Services (NCS) pause to take a photo together in the Wilson HS Media Center.

YOU are RESPONSIBLE for YOU

Whatever you do,
work at it with all your heart

From a line
Art history
I can't help
I can't help
I can't help
I can't help
I can't help
I can't help

For the day's lesson
