

Obtaining a Student's State Student ID (SSID) using Aeries Parent or Student Portal

In Preparation for CAASPP and ELPAC Remote Testing

In the Spring Semester of 2021 many district students will be participating in Summative State Testing as part of the CAASPP and ELPAC programs. Due to the COVID-19 emergency and distance learning, it is likely that your student will be participating in the testing programs remotely from home. In order to participate successfully in remote testing, two important tasks must be accomplished:

1. The California Secure Browser must be installed on the student's device
2. The student must have their State Student Identification Number (SSID) to login to the secure browser

This applies to your student if they are an English Learner in grades 2 and above, **or** your student is enrolled in grades 3-8, 11, or 12. This does not apply to students in Transitional Kindergarten, Kindergarten, and 1st grade.

This document contains instructions on how to obtain your student's SSID number through either the Aeries Parent or Student Portals. Because of a planned update to the Aeries Portals, two sets of instructions are included. Follow the set which matches the view you see on your screen upon login.

A separate document provides instructions for installing the California Secure Browser.

Finding the SSID Number Using Aeries Parent Portal Classic View

1. Once you have logged in to the parent or student portal, click on the **"Student Info"** tab, then select **"Demographics"** from the drop-down menu.

The screenshot shows the Aeries Parent Portal Classic View for Glen A. Wilson HS, 2020-2021. The 'Student Info' tab is selected, and the 'Demographics' option is highlighted in the dropdown menu. The 'Class Schedule' table is visible on the left, and the 'Welcome to the Aeries Portal for' message is on the right.

On the Demographics page, click on the **"Student Data 2"** tab. The **State Student ID** will be found on the right side of the screen. Write this number down for your student to use when it is time to take a state test.

The screenshot shows the Demographics page for Stu Dent. The 'Student Data 2' tab is selected. The 'State Stu ID' is circled in red. The 'Birthdate' is 13/31/2005. The 'Status' is N/A. The 'State Stu ID' is 1234567890.

Student ID	Last Name	First Name	Middle Name	Suffix	Grd	Age	Birthdate
9999999	Dent	Stu		N/A	10	15	13/31/2005

Stu#	Last Alias	First Alias	Middle Alias	Birth Verif	Status
4243				N/A	N/A

Reporting Home School	Counted on Census Day	Stu Email Address	Network Login ID	Verif Pass Code	State Stu ID
	N/A	studen999@hlpnet.net	studen999	**	1234567890

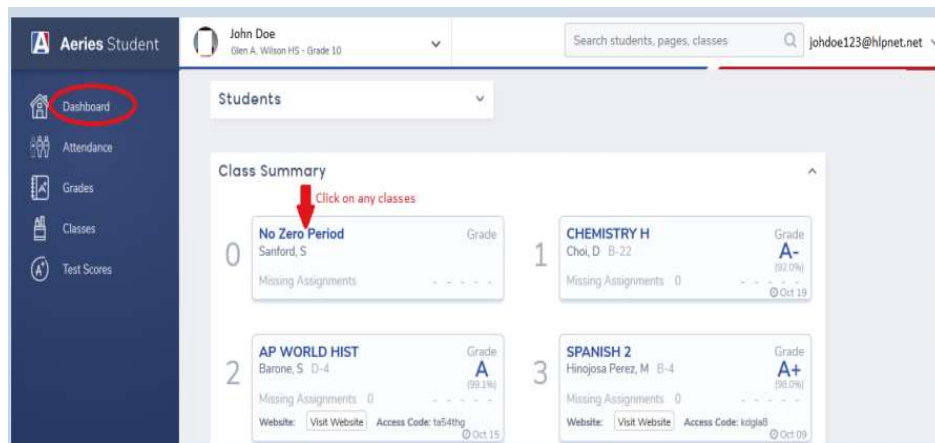

Summer Withdrawal			End of Year		Comp Status		Personal	School
Reason	Leave Date	Next Schl	Status	Next Schl	Code	Date	Stu Email	Leave Date
N/A	N/A		N/A		N/A	N/A		N/A

Record Added	Record Source	Last Schl	Old Stu ID	Old State ID	Truant?
N/A	N/A	(422)		N/A	N/A

Notes: Competency Tests

Finding the SSID Number Using Aeries Parent Portal New View

1. From Aeries **parent** or student portal **Dashboard** page, click on any class under the **Class Summary** section.

2. Click the **General** tab.

3. The **SSID** is displayed on the **Gradebook Details** page -> **General** tab. Write this number down for your student to use when it is time to take a state test.
