_____ The traffic issue is important, but traffic flows can be adjusted
by schedules. Overly looking at traffic issues should not surpass the urgency
of building a safer learning environment to all students, including Wedgeworth students. _____

Traffic. Traffic. Traffic

School relocation - More houses increases traffic and parking issues.

→ Currently my driveway on manana got is blocked by school parking.

East bound traffic on Ripper Brook is often backed up through 2 to 4 light changes. It can

We welcome your questions and comments on the Wedgeworth School Project (please print):

There are concerns relating to the resource-allocation aspect of this project. Specifically, some think that Wedgeworth students should be sent to Cedarlane and Bixby and the \$5.2 million should be spent to improve other schools. Neither the Environmental Impact Report nor the Master Facilities Plan discussed why the School District rejected alternatives like this in detail. Can the School District make public internal study and reports regarding their decision-making

Will there be less traffic once Little League is move away from Wedgeworth land?

Since Janise Hahn awarded 1.5 million to build anew field for the Little League in

Kwis Elementary, Wedgeworth Drive should be alot less traffic without the 450 kids

from little League parents and family members.

I understand traffic is a big concern, as a parent, I strongly support K-8 school as numerous studies have shown K-8 school is better for students child development during their pre-teen and middle school years. I have For the traffic concern, I do hope the district / school can be more flexible with

It was a great news supervisor Hahn is offering HLPUSD 1.5 million
to sponsor relocation of hacienda heights little league baseball so
Wedgeworth school can have enough land for their K8 project.

We want to express our appreciation to supervisor Janice Hahn

We welcome your questions and comments on the Wedgeworth School Project (please print):

1. I respect everyone's concern about traffic impact. But we should consider the comments of people who actually live within the Wedgeworth area first, not people don't live in the community.
2. Could the design incorporate 2 drop off points to spread the traffic in the morning?
3. I believe the increase parking space will help to reduce parking/traffic on surrounding streets.

1. Countrywood / Wedgeworth intersection: people create 2 NB lanes out of 1 wide lane; they drive extremely aggressively & dangerously. If you are proposing to potentially increase traffic by more than double; something needs to be done to stop that. I live on Ember Glen and in the morning people

We welcome your questions and comments on the Wedgeworth School Project (please print):

I understand school-related traffic congestion is a top concern among residents for New Wedgeworth K-8. I would like to suggest starting Yellow School Bus program for traffic congestion relief.

According to The Marin County Civil Grand Jury Report in 2018 for Marin County in CA, the report says "Increasing school bus be our best chance at reducing school-associated traffic congestion"

I would like to recommend board look into school buses as a way to relieve traffic congestions related to school.

Thanks for your time

Original proposed project for K8, remove baseball and to build 160 units will definitely
benefit HLPUSD financially, does school district or interim superintendent
have any estimate as how soon can this project offset the cost and
when can HLPUSD stop deficit challenge it is currently facing ?

The community would benefit from the build in two ways.

* Traffic & parking.

the little league reports having 400+ little leaguers,
playing about 34 games per season. They park in the
street and make noise ~~until~~ ^{until} late at ~~night~~ ^{at} night.

This would end with their relocation.

Questions/comments may be emailed to mwong@leeandrewsgroup.com or faxed to (213) 891-9016.

Wedgeworth will have designated drop off & pick up area
separate from the community on its own grounds.

with the relocation of the little league. who report having over 400+ Participants. Obviously they create alot of traffic weekly through this area, with that gone and wedgeworth expanding. Our community would be getting roughly the same amount of traffic. The of traffic passing through our area does not bother me. Its for our childrens future. we sit in pointless traffic daily. This is not pointless.
