

Hacienda La Puente Adult Education Annual Evaluation 2018-19

Career Technical Education (CTE) 11 Elements of a High-Quality CTE Program Self-Review Tool

1. LEADERSHIP AT ALL LEVELS			
Yes	No	What is being Assessed	Evidence
X		1A. The CTE pathways are articulated with post-secondary and industry through programs of study, formal articulation agreements and dual enrollment.	<ul style="list-style-type: none"> • Dual Enrollment information • Articulation Agreements
	X	1B. Local district administrators participate in CTE professional development regarding the benefits of CTE and the management of CTE within the larger context of educational improvement to serve all students.	<ul style="list-style-type: none"> • Dates and Names of Activities
X		1C. Investment is made to provide support for CTE leadership at the local level to ensure that CTE administrators, teacher(s), and counseling and instructional leaders have sufficient time and resources to implement system improvements and work with their counterparts in other programs.	<ul style="list-style-type: none"> • Dates and Names of Activities
<p>Comments:</p> <ul style="list-style-type: none"> • We have articulation agreements with MSAC for multiple programs and we offer dual enrollment classes with Rio Hondo Community College. Students in multiple pathways complete practicum hours in industry settings through agreements that we have with multiple industry partners. • CTE Leader Administrators, Instructors, and Staff are provided with compensated time to participate in professional development, curriculum development, collaboration with other instructors and industry leaders. Monthly staff meetings provide time and opportunities for collaboration and implementation of system improvements. 			

2. HIGH-QUALITY CURRICULUM AND INSTRUCTION			
Yes	No	What is being Assessed	Evidence
X		2A. The CTE Model Curriculum Standards are the basis for content of courses offered. Curriculum addresses "Pathway" standards within the program pathway(s) and course sequence.	<ul style="list-style-type: none"> • Course Outlines • Course Catalog • Local CTE Plan • Review Curriculum Document
	X	2B. Career paths have been identified and can be found on a chart or diagram in the CTE Plan.	<ul style="list-style-type: none"> • Local CTE Plan

Career Technical Education (CTE)
11 Elements of a High-Quality CTE Program

- Students are all provided not only with access to computer technology for use in instruction and completing assignments, but all CTE Pathway students also have access to the latest technology utilized in their particular industry sector.
- The school maintains a strong IET Program to support students in both academic and career instruction that includes collaboration between academic and CTE teachers.
- All of our CTE Courses fall under the School's accreditation through The Council on Occupational Education (COE). Some courses include independent industry certifications and articulation with community colleges

3. CAREER EXPLORATION AND GUIDANCE

Yes	No	What is being Assessed	Evidence
X		3A. Students are counseled regarding: <ul style="list-style-type: none"> • CTE career opportunities. • CTE and academic courses necessary to complete career pathway offerings. • Post-secondary education and training options. 	<ul style="list-style-type: none"> • List of Activities • List of Career Path Information Sent to Parents, Counselors and Students
	X	3B. All students have a completed a four year career plan that is updated annually.	<ul style="list-style-type: none"> • Lesson Plans • Example of Student Four Year Plan

Comments:

- HLP AE has three full-time Counselor-Administrators that provide support and guidance to students to succeed in their courses of study and to connect them with resources and other academic programs and schools.
- HLP AE does not have any four-year courses of study, but all students receive have access to individualized counseling that addresses the complete duration of their planned course of study.

4. STUDENT SUPPORT AND STUDENT LEADERSHIP DEVELOPMENT

Yes	No	What is being Assessed	Evidence
X		4A. An official Career Technical Student Organization (CTSO) has been chartered (or in application process) by the State Association.	<ul style="list-style-type: none"> • CT SO Document • Agenda/Minutes/Sign-In Sheets
	X	4B. A local CT SO work plan is developed annually and a copy is furnished to local administration.	<ul style="list-style-type: none"> • CT SO Work Plan
