Lee Paso a Paso 2 FREE - Spanish Reading Exercises

By BQWare

Each card has a syllable belonging to a word; turn cards to join syllables and form the word represented in the drawing. But watch out syllables can belong to another word and you will have to start over. Start reading 2 syllable words and advance through levels to read 3 and 4 syllables words. Levels increase the number of syllables the words are made of and/or the number of cards that are presented.
