Words from the Director

From Shelly Smith

First of all, congratulations to our 2023 graduates! It is exciting to watch the overall percentages of our researchers move closer and closer to 100% complete. I am happy to celebrate with each graduate! It is a great accomplishment.

One of the great things about WAY Academy Flint is that we are small enough so that the entire staff knows each graduate and has been able to foster teacher/ student connections, ultimately, creating a unique atmosphere of celebration and pride.

These graduates now leave openings for new researchers. We hope that you will share information about WAY Academy of Flint with others. I hope you will tell others that we strive to have a stress-free, safe and inspirational environment in a more casual setting. We are small enough to get to know each researcher as an individual, and then we work together to develop an education plan that works for them!!

Please help us grow our enrollment by spreading the word about WAY!

Now Enrolling NEW Students

WAY Academy Flint is accepting new students for the 2023-24 school year. New students can start our program in August, but the new school year does not officially begin until September 5. The interview process will begin in May.

To enroll a new student, use this link: <https://www.wayacademyflint.net/enroll>
OR call our office: 810-412-8655
