3. Bids may be sent via registered or certified mail, UPS or FedEx with a return receipt requested, hand delivered, or submitted electronically.
4. Bids may be submitted electronically at www.centralbidding.com.
5. You may find related bid materials including detailed specifications necessary to complete your bid at www.centralbidding.com and/or www.stpsb.org/bids.

7. **If submitting a bid electronically, then bid security must be in the form of an original, valid, fully executed bid bond and be included in your bid submittal.** The STPSB must be able to verify the validity of the bond within 72 hours. If bonding company cannot validate within this timeframe, bid may be awarded to next lowest responsive bidder. Cashiers’ check, certified check or money order will not be accepted for an electronic bid. **Failure to comply will cause your bid to be non-responsive.**
8. A performance bond in the amount of five thousand dollars (\$1,000.00) will be required from the successful bidder.
9. Contract period must begin on July 1, 2023. **Prices on this bid must be valid through, at a minimum, June 30, 2024.** Bids may be extended for up to three (3) additional one-year terms if both parties agree to do so.
10. Bidders may bid on the entire list of supplies or any individual item or any combination of items other than those specified on the bid form. All bids shall include the brand name and stock/model/item number of the item being bid.

Under no circumstance may a product provided to the STPSB be refurbished, reconditioned, "like new" or previously used in any way. If the STPSB determines a product to be anything other than "brand new," vendor will be deemed in breach of bid terms and bid award may be revoked and awarded to the next lowest bidder.
13. Bid pricing shall include all inside delivery charges to the various schools and other School Board locations within St. Tammany Parish (ATTACHMENT E).

16. Sales tax IS NOT to be included in your bid price. St. Tammany Parish School Board is exempt from sales tax as provided by LA R.S. 47:301 (8). Sales tax exemption only applies to purchases between St. Tammany Parish School Board and the contractor/vendor. Sales tax exemption does not apply to purchases made directly by the contractor/vendor to other companies on behalf of the school board. Those purchases are not sales tax exempt.
17. Bidders may bid on the entire list of supplies or any individual item or any combination of items, other than those specified on the bid form.
18. Items will be ordered via purchase order on an "as needed" basis. Items bid with a minimum order of quantities will not be considered.

22. Successful bidder must consent to and yield to the exclusive venue and jurisdiction of the 22nd Judicial District Court for the Parish of St. Tammany, and waive any and all claims of entitlement to removal of any case from this jurisdiction, including any removal to any Federal Court, in connection with any proposal or bid.
23. It is the intent of the specifications to invite bids on high quality merchandise. Mentioning a brand, manufacturer, and number is done only to establish the standard of quality desired. It is not the intent to eliminate brands of equal quality but instead to set forth and convey to prospective bidders the general style, type, character, and quality of the product desired.
24. The School Board reserves the right to select a higher priced item where, in the judgment of the School Board, such item is of superior quality or design or would be more suitable for the purpose intended.
25. The School Board further reserves the right to adjust quantities by increasing or decreasing and to reject any and all bids when in the best interest of the School Board.

Items being invoiced must match the purchase order. (i.e. unit/item description, quantity delivered, quantity ordered, unit price)

1. By signing and submitting this form, the prospective lower tier participant is providing the certification set out on the reverse side in accordance with these instructions.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms *covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded*, as used in this clause, have the meanings set out in the Definitions and Coverage sections in accordance with the OMB guidelines of 2 CFR 180 that implement Executive Order 12549 and 12689. 7. A participant in a covered transaction may rely upon a certification that a prospective participant in a lower tier covered transaction has not been debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless the participant knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under Paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
