

Providing H.O.P.E. when it is most needed.

H.O.P.E. = Helping Our People Excel

Harris County students and families who visit the H.O.P.E Center are offered resources and assistance in accessing community services, navigating social service systems, and dealing with areas such as education, residency, utilities, medical and behavioral health services, transportation, and other necessities.

As part of those services, the H.O.P.E Center manages a Food Pantry, which provides non-perishable and personal items for families in a safe and welcoming environment, both dignified and empowering.

To ensure that we can continue to provide resources and support to our students and families as needed, we ask that you review our wish list of needs below:

- **Food Items**

- Applesauce or fruit cups (small individual cups)
- Boxed crackers
- Canned vegetables and beans (pull tab cans)
