

California Elementary

A California Distinguished School

HOME OF THE COUGARS

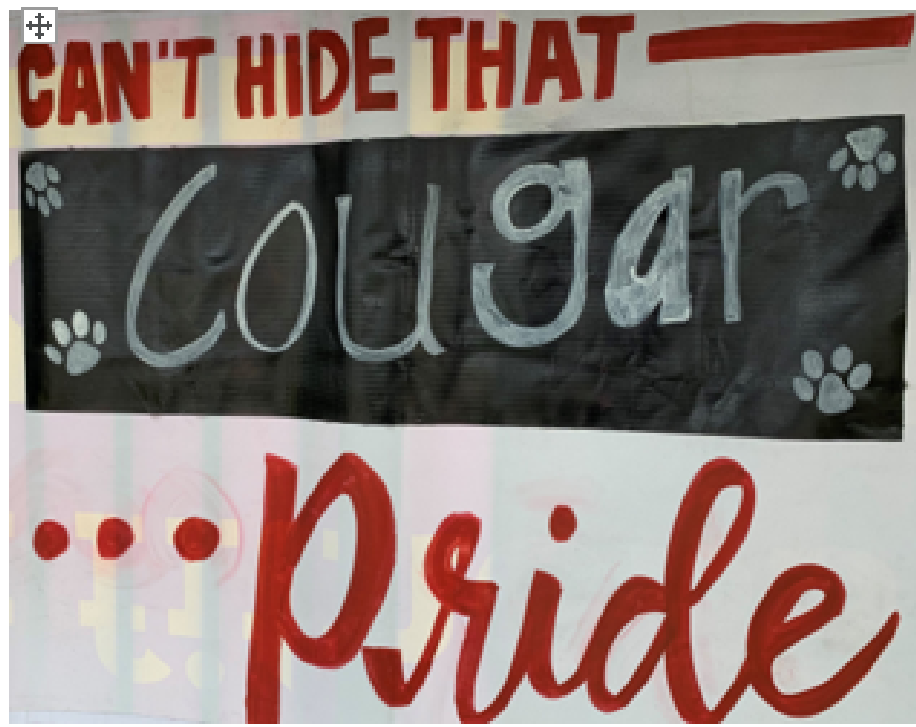

“Academic Excellence through Technology and the Arts”

Our Cougar Oath

I am a **California
Cougar**. This is my
day. I am responsible
for me. I will learn,
and I am determined to
succeed. *Respectful*,
Responsible, and
Ready I will be. I will
show Cougar pride and
act responsibly.

Our vision...

Here at California Elementary, our vision is to be an institution of academic excellence through technology and the arts. Key to realizing this vision is our robust partnership with our parent community, the California School Education Foundation (CSEF), the English Learner Advisory Committee (ELAC), our Parent Teacher Association (PTA), and our School Site Council (SSC).

Our Mission...

Our dedicated staff work collaboratively with one another to challenge students, set high expectations for achievement, and provide opportunities for students to grow and learn in a safe environment.

Our Core Values...

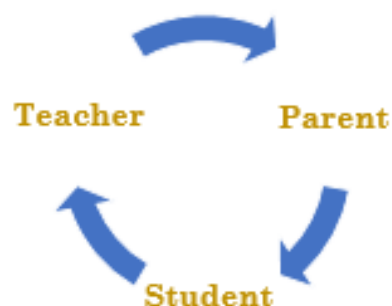

At California Elementary, we value one another and firmly believe students deserve to learn and grow in a safe, supportive, and nurturing environment. Expectations for behavior are explicitly taught and positively reinforced by all of our staff. Students are expected to model Cougar Core Values – Respectful, Responsible, Ready to Learn – not only at school, but at home and in the community.

Our Promise...

California Elementary is a diverse school community where kindness, hard work, and discovery are promoted and celebrated. We are committed to ensuring that every child envisions a future of opportunity and success.

What Can You Do?

Partnering with our parent community is key to our students' success. In partnership, we can foster an environment where students thrive at school, at home, and in the community. You can help by doing the following:

- ❖ Review the *California Elementary Behavior & Expectation Matrix* with your child. To view our matrix, visit california.nmusd.us.
- ❖ Ask your child to discuss ways these expectations and behaviors might help them learn and participate in school.
- ❖ Discuss ways these expectations can be used at home and in the community.
- ❖ Keep in touch with your child's teacher.
- ❖ Consider volunteering your time. Stop by our front office for more information.

California Elementary School

We are...

RESPECTFUL
RESPONSIBLE
READY
