Report of Principal and School Improvement Council

The mission of Southside Middle School is to maximize the potential of all students in order to prepare them to become productive and responsible citizens who are able to succeed in an ever-changing society. Southside Middle School staff and partners set out this year to make a positive impact. The following are a few of the initiatives and accomplishments we achieved:

Our school met all AYP objectives for the 2010-2011 school year. Southside is the only secondary school in Florence School District One to achieve this status since the establishment of AYP (Adequate Yearly Progress) under "No Child Left Behind".

Our school continues to use data to drive staff development and to select instructional practices.

Teams/departments documented discussions regarding instructional strategies, challenges, and how data is used to guide instruction.

Students participated in the Afterschool Program and 21st Century Program.

Student academic growth was monitored using data from MAP and Benchmark scores.

Faith based mentors continued mentoring students.

We continued our live morning show where we shared daily Words of Wisdom.

Our school received a \$3000.00 fitness award from Fuel up to Play 60.

We had over 538 senior citizens join us for food and entertainment during our Swingin' with Seniors Program.

Our Consumer Science students hosted this event.

Annie Hinson was selected as the 2011-2012 Teacher of the Year.

Sandra Brewer was named SC Outstanding Family and Consumer Science Teacher of the Year for our state.

Our guidance and career counselors received an Honorable Mention in the 2011 National Awards for the ABC Awards Program National Consortium of State Guidance Leadership.

The mentoring programs B.A.D.D. and Delta Academy continue to flourish. Advisors were Jimmy Wilson and Schanell Montgomery.

Our Sixth Annual Veteran's Day program was a great success.

Over 300 students participated in the "Let's Move Campaign" sponsored by First Lady Michelle Obama for the second year.

Southside Middle continues to promote health and wellness as a State and National Healthy School's Award Winner.

We are an Arts in Basic Curriculum School. This came with a \$4500.00 grant.

Our arts department received a Distinguished Arts Program Grant of \$18,000.00 from SC Department of Education.

We at Southside believe that success is possible when our school, parents, and community work together towards the common goal of student achievement. We would like to thank everyone for investing their time and energy into Southside.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	85.3
Overall Grade Conversion	B
